Comprehensive Master Plan

TABLE OF CONTENTS

CHAPTER 1 INTRODUCTION

Introduction 1-1
Legal Basis for Comprehensive Master Plan Preparation 1-2
Public Input into the Plan Preparation Process and Plan Amendment 1-2
Significant Areas of Community Concern 1-2
Plan Flexibility 1-3
Residential Development Flexibility *1-3*
Nonresidential Development Flexibility *1-4*
Natural Resource Protection *1-5*
Importance of Consistency and Plan Implementation 1-5
Mapping Used to Prepare This Comprehensive Master Plan 1-5

CHAPTER 2 POPULATION AND EMPLOYMENT ANALYSES, PROJECTIONS, AND FORECASTS

Introduction 2-1
Population Growth: The Historic Perspective 2-1
Population Projections and Forecasts 2-5
Wisconsin Department of Development Projections *2-5*
Southeastern Wisconsin Regional Planning Commission (SEWRPC) Forecasts *2-7*
Other Population Projection Models *2-8*
Summary of City Population Projections and Forecasts *2-12*
Recommended Year 2010 Population Forecasts *2-12*
Historic and Probable Future Age Distribution 2-12
Forecast Household Size 2-18
Employment Forecasts 2-19
Housing Forecasts and Trends 2-20
Year 2010 City Housing Forecast Needs *2-20*
Recent and Projected City Housing Trends *2-21*

CHAPTER 3 NATURAL RESOURCE BASE FEATURES

Introduction 3-1
The Concept of Natural Resource Base Protection Standards 3-3
Soil Resources 3-4
Upland Resources 3-8
Steep Slopes *3-8*
Woodlands and Forests *3-8*
Water Resources 3-13
Lakes and Ponds *3-13*
Stream Corridors *3-13*
Floodplains *3-14*
Drainageways *3-17*
Wetlands and Shoreland Wetlands *3-19*
Environmental Corridors and Isolated Natural Areas 3-21
Reducing the Negative Effects of Development on the Remaining Natural Resource Base Features of the City 3-22

CHAPTER 4 EXISTING LAND USE AND COMMUNITY CHARACTER

Introduction 4-1
Community Character Issues 4-2
Community Character 4-2
Community Character Analysis 4-3
The Community Character Classes 4-4
The Urban Intensity Class *4-5*
The Sub-Urban Intensity Class *4-6*
The Rural Intensity Class *4-8*
Community Scale 4-10
Cluster, Village and Neighborhood *4-11*
Suburb *4-12*
City or Region *4-12*
Metropolis *4-14*
Land Use Assignment for Community Character Types 4-14
The Community Character Scale 4-16
Analysis of the City of Franklin's Existing and Potential Community Character: City Scale 4-21
Neighborhood, Special Planning District, and Planning Area Delineation 4-27
Analysis of the City of Franklin's Community Character 4-28

CHAPTER 5 EXISTING ZONING AND REAL PROPERTY

Introduction 5-1
Existing Zoning 5-1
Zoning District Structure and Type *5-6*
Overzoning and Underzoning *5-8*
Strip Zoning *5-17*
Protection of the City's Natural Resource Base *5-19*
Adequate Provision of Landscaped Bufferyards *5-20*
Adequacy of District Lot Sizes *5-21*
Adequacy of Building and Structure Height Limitations in the Nonresidential Zoning Districts *5-25*
Adequacy of the Off-Street Parking Standards *5-26*
Use of the Floor Area Ratio Concept *5-26*
Site Plan Review *5-30*
Conclusions 5-30

CHAPTER 6 DEVELOPMENT OBJECTIVES, PRINCIPLES, STANDARDS, AND URBAN DESIGN CRITERIA

Introduction 6-1
Definitions and Terminology 6-1
City Development Objectives, Principles and Standards 6-3
1. *Conceptual Framework* *6-3*
2. *Community Character Objective* *6-4*
3. *Natural Resource Base Protection Objective* *6-13*
4. *Open Space Preservation/Protection and Agricultural Lands Preservation/Protection Objective* *6-16*
5. *Land Use Allocation Objective* *6-19*
6. *Land Use Spatial Distribution Objective* *6-19*
7. *Land Use Buffering Objective* *6-32*
8. *Housing Objective* *6-33*
9. *Recreation Objective* *6-36*
10. *Transportation System Objective* *6-37*
11. *Fire Protection Objective* *6-43*
12. *Public Library Facilities Objective* *6-43*
13. *Annexation Objective* *6-43*
14. *Sanitary Sewer Service Area Objective* *6-45*
15. *Plan Implementation Objective* *6-45*

Urban Design Criteria 6-46
Residential Development Urban Design Criteria 6-47
Neighborhood Recreation Facilities *6-47*
Streets *6-47*
Blocks *6-51*
Lots *6-52*
General Landscaping *6-53*
Stormwater Drainage and Erosion/Sedimentation Control *6-56*
Industrial Development Urban Design Criteria 6-56
Industrial-Related Streets *6-56*
Industrial-Related Blocks *6-57*
Industrial Lots *6-58*
Automobile Parking Lot Design Criteria 6-58
Landscaping *6-59*
Urban Design Criteria for Commercial Development
Excluding City "Village Areas" 6-60
Vehicular Circulation *6-60*
Limitation of Arterial Street and Highway Vehicular Access *6-60*
Parking Lot Access from Arterial Streets *6-67*
Pedestrian Circulation *6-67*
Land Use Spatial Considerations *6-68*
Internal Site Circulation *6-72*
On-Site Parking Areas *6-72*
On-Site Service and Loading Areas *6-73*
Landscaping of Commercial Areas *6-73*
Site Furniture and Amenities *6-73*
Above-Ground Utilities *6-76*
Stormwater Drainage and Erosion/Sedimentation Control *6-76*
General Commercial Area Maintenance *6-76*
"Village Areas" Urban Design Criteria 6-77
Vehicular Circulation *6-77*
Parking *6-77*
Delivery and Service Areas *6-77*
Pedestrian Circulation *6-77*
Village Area Landscape Plant Selection *6-78*
Street Lighting *6-78*
Street Furniture *6-78*
Above-Ground Utility Wires *6-79*
General Maintenance *6-79*
Commercial and "Village Area" Architectural Design 6-79
Commercial Streetscape Facades *6-80*
Front Yards, Rear Yards, and Side Yards *6-80*

Urban Scale and Mass *6-81*
Streetscape Rooflines and Roof Shapes *6-81*
Materials *6-84*
Colors *6-84*
Architectural Details *6-84*
Accessory Buildings *6-84*
Mechanical Equipment for Commercial Buildings *6-86*
Signage *6-86*

CHAPTER 7 TRANSPORTATION SYSTEM PLAN: ARTERIAL STREETS AND HIGHWAYS

Introduction 7-1
Year 2000 and 2010 Arterial Street and Highway System Requirements 7-2
Other Collector and Minor Land Access Streets 7-7

CHAPTER 8 CITY LAND USE AND DETAILED NEIGHBORHOOD PLANS

Introduction 8-1
Phase I--Year 2000 Land Use Requirements 8-2
Residential Development *8-6*
Retail Commercial Development *8-7*
Industrial Development *8-7*
Governmental and Institutional Development *8-8*
Recreational Development *8-9*
Transportation System Needs 8-9
Community Facility and Utility Needs 8-9
Planned Land Use Districts 8-10
Residential Land Use Districts *8-10*
Non-Residential Land Use Districts *8-17*
Business Districts *8-22*
Industrial Districts *8-34*
Public and Semi-Public Districts *8-40*
Agricultural Districts *8-42*
Special Districts *8-43*
Modifications to the Landscape Surface Ratio (LSR) Standards *8-45*
The City-Wide Comprehensive Master Plan 8-47
Detailed Subarea Plans for Comprehensive Master Plan Phases I & II 8-47
Delineation of Planning Subareas *8-47*
Plan Phases *8-47*

Design Standards and Mapping *8-54*
Quantification of Planned Land Uses, Community Character, and Dwelling Unit and Population Forecasts *8-55*
Neighborhood Plans **8-55**
Forest Hills Neighborhood *8-55*
Green Valley Neighborhood *8-56*
Hales Neighborhood *8-61*
Hillcrest Neighborhood *8-63*
Hunting Park Neighborhood *8-64*
Mission Hills Neighborhood *8-71*
Monastery Lake Neighborhood *8-72*
Pleasant View Neighborhood *8-73*
Southwood Neighborhood *8-81*
St. Martins Neighborhood *8-81*
Woodview Neighborhood *8-89*
Xaverian Neighborhood 8-89
Planning District Plans **8-95**
Civic Center Planning District *8-95*
County Line Industrial Park Planning District *8-101*
Crystal Ridge Planning District *8-101*
Franklin Industrial Park Planning District *8-102*
Froemming Park Planning District *8-103*
Koepmier Lake Planning District *8-115*
Lovers Lane Planning District *8-115*
Oakwood Hills Planning District *8-116*
Oakwood Park Planning District *8-117*
Quarry View Planning District *8-118*
South 27th Street Planning District *8-125*
St. Peter's View Planning District *8-125*
Village of St. Martins Planning District *8-126*
Willow Edge Planning District *8-127*
Planning Area Plans **8-141**
Country Club Planning Area *8-141*
Countrydale Planning Area *8-141*
Fitzsimmons Planning Area *8-142*
Orchard View Planning Area *8-143*
Root River Planning Area *8-144*
St. Paul Planning Area *8-144*
Whitnall North Planning Area *8-145*
Summary of the City's Existing and Planned Community Character 8-146

CHAPTER 9 PARK AND OPEN SPACE PLAN

Introduction 9-1
Planning for the City's Parks Within the Regional and County Park and Open Space Planning Contexts 9-2
Park and Open Space Planning and Preservation Techniques Used by the City During the 1960s, 1970s, and 1980s 9-4
Neighborhood Unit Development Plans *9-4*
Zoning *9-5*
Existing Publicly-Owned Park and Open Space Sites in the City 9-6
Public Park and Open Space Needs 9-7
Park and Open Space Plan 9-9
Planned Root River Recreation Corridor *9-9*
Drexel Avenue Bicycle Route *9-10*
Other Planned Regional and Major Parks in the City *9-10*
Planned Neighborhood and Subneighborhood Parks in the City *9-13*
The Typical Cost of Providing a Neighborhood Park 9-25
City Park and Open Space Plan Implementation Measures 9-28
Existing Laws and Regulations *9-29*
Park and Open Space Land Purchase *9-32*
Easements *9-33*
Other Forms of Acquisition *9-33*
Options and Recommendations for Park and School Site Acquisition and Improvement 9-34
Options *9-34*
Recommendations for Acquisition and Improvement *9-36*
Concluding Remarks and Recommendations 9-38

CHAPTER 10 PUBLIC SANITARY SEWER AND PUBLIC WATER SUPPLY PLANS

Introduction 10-1
Sanitary Sewer Service Area Delineation 10-1
Public Sanitary Sewer System Master Plan 10-2
Public Water Supply Comprehensive System Plan 10-2
Stormwater Drainage Master Plan 10-5

CHAPTER 11 PUBLIC BUILDING FACILITIES PLAN

Introduction 11-1
Building Spatial Requirements for Selected City Buildings 11-1
Background *11-1*
Summary of the City's Public Building Needs 11-2
City Hall *11-3*
Police Facility *11-3*
Main Fire Station *11-3*
Public Works Facilities *11-4*
Main Library *11-4*
Other Public Building Provision Issues *11-5*
Forecast Land Needs for Public Schools 11-6
Background *11-6*
Forecast School Age Children in the City *11-7*
Enrollment and School Building Capacity of Schools Located within the City (Franklin School District No. 5) *11-8*
Population Projections for Franklin School District No. 5 ..... *11-9*
Historic Enrollment *11-9*
Growth Models *11-11*
Trend Scenarios A and B *11-11*
Forecast Additional School Facility Needs *11-14*
Comprehensive Master Plan Implications for the Provision of Adequate Sites for New Public Schools *11-14*
Recommendations for the Acquisition of Public School Sites *11-15*
Locational Aspects of the City's Main and Satellite Fire Stations 11-15
Existing Fire Stations *11-15*
New Planned Fire Station Locations *11-16*

CHAPTER 12 PLAN IMPLEMENTATION RECOMMENDATIONS

Introduction 12-1
Public Informational Meetings, Hearings, and Plan Adoption 12-2
Comprehensive Amendment of the City's Zoning Ordinance 12-3
Residential Zoning Districts *12-3*
Non-Residential Zoning Districts *12-4*
Other Zoning Ordinance Amendment Recommendations 12-5
Certified Survey Map and Subdivision Plat Review and Related Ordinance Amendments 12-7
Official Mapping 12-8
Necessary Amendments to the City's Sign Ordinance 12-8

Comprehensive Master Plan Amendment and Update 12-10
Rationale and Justification for Comprehensive Master Plan Amendment *12-11*
Comprehensive Master Plan Amendment *12-13*
Refinements to the Sanitary Sewer Service Area Boundary 12-14
The Need for a Five-Year Capital Improvements Program 12-14
Provision of an Adequate Number of Professional Planning Staff 12-15
The Need for Historic Preservation Planning 12-15
The Need for Continued Economic Development Planning 12-16
Park and Open Space Plan Implementation 12-17

APPENDIX A *HISTORIC AND ALTERNATIVE FUTURE AGE DISTRIBUTION FOR THE CITY OF FRANKLIN, MILWAUKEE COUNTY, AND WAUKESHA COUNTY BY DETAILED AGE COHORT: 1980 AND 2010*

APPENDIX B *EXISTING LAND USE OF THE CITY OF FRANKLIN'S PLANNING SUBAREAS: 1985*

APPENDIX C *EXISTING AND PLANNED COMMUNITY CHARACTER AND PLANNED LAND USE OF THE CITY OF FRANKLIN'S PLANNING SUBAREAS: PHASE II*
