

CITY OF FRANKLIN
2016 WATER & SEWER UTILITY RATES

The Public Service Commission recently granted rate increases to both the Franklin Water Utility and our supplier, Oak Creek Water Utility. The new water rates will be effective June 23, 2016, which will be reflected on the third quarter bills rendered in September, 2016. There is no change in sewer rates at this time. If you are interested in learning more about the Franklin Water & Sewer Utility, please call (414) 425-7510.

14 - inch connection	\$300.00
16 - inch connection	\$360.00

Billing: Bills for water service are rendered quarterly and become due and payable upon issuance following the period for which service is rendered. ***A late payment charge of 1 percent per month will be added to bills not paid within 20 days of issuance.** This late payment charge will be applied to the total unpaid balance for utility service, including unpaid late payment charges. Failure to receive a bill does not exempt customers from late payment penalties. The late payment charge is applicable to all customers. The utility customer may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued. Unless payment or satisfactory arrangement for payment is made within the next ten days, service may be disconnected pursuant to Chapter PSC 185, Wis. Adm. Code.

If delinquent bills (prior to October 1) remain unpaid by November 1, a 10% penalty will be added to the total amount due and if payment (with 10% penalty) is not received by November 15, the total amount due including the 10% penalty will be placed on the tax roll, per WIS. STATUTES 66.0809 (3).
