

CITY OF FRANKLIN
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN THAT THE PLAN COMMISSION OF THE CITY OF FRANKLIN will conduct a public hearing on Thursday, July 8, 2010, at 7:00 p.m., or as soon thereafter as the matter may be heard, in the Common Council Chambers at the Franklin City Hall, 9229 West Loomis Road, Franklin, Wisconsin 53132, to hear public comment regarding an application by the City of Franklin for an ordinance to amend the Unified Development Ordinance text at §15-11.0103, [and such other Sections as are related to the subject matter, including, but not limited to those Sections from which it is reasonable to exempt the following, i.e., from Site Plan requirements] to add “governmental emergency notification systems, including, but not limited to, outdoor warning siren systems” to the definition of “Essential Services”. The proposal would add emergency notification systems to other public utility services listed in the definition, which serve a property, from having to obtain separate City approvals, as opposed to simply being a permitted use. This public hearing is being held pursuant to the requirements of §62.23(7)(d)2. of the Wisconsin Statutes and Division 15-9.0200 of the City of Franklin Unified Development Ordinance. A copy of the proposed ordinance in draft form is available and open for inspection by the public in the office of the City Clerk at Franklin City Hall, 9229 West Loomis Road, Franklin, Wisconsin 53132, during normal business hours. The public is invited to attend the public hearing and to provide input. The proposed amendments are subject to revisions following public hearing and the further consideration by the Plan Commission and the City of Franklin Common Council.

Dated this 16th day of June, 2010.

Sandra L. Wesolowski
City Clerk
