JOHNS
DISPOSAL SERVICE, INC.

OCTOBER 2012

IMPORTANT INFORMATION

- The Garbage program has NOT changed, all garbage services will remain the same. **Only the Recycle program will be using the new carts.**
- Garbage cans must be no larger than 40 gallons weighing less than 80 lb.
- Please place garbage/recycling at the curb the night before service or by 7 AM on your day of service.
- The recycle cart is for “single stream” recycling. All recycle items are to be placed loose in the recycle cart, no sorting or bagging is necessary. (except shredded paper)
- All material should be contained in the recycle cart with the lid closed to reduce litter. Occasional extra material can be placed next to the recycling cart in TRANSPARENT plastic bags. Additional carts are available from Johns for a yearly fee if you will have more than just occasional extra recycling.
- Minor construction debris in ONE 32 gallon container or equivalent, not to exceed 80 lb. Will be accepted, place with garbage.
- Small appliances (toasters, blenders, microwaves) & Small auto parts are also accepted, place in recycle cart.
