News & Updates...

Greetings from the Wisconsin Department of Transportation

The Wisconsin Department of Transportation (WisDOT) has resumed construction of WIS 241 (S. 27th Street)! Listed below are a few updates regarding project work for the next couple weeks.

Project work continues with:

- Removal of existing concrete
- Temporary widening (asphalt paving)
- Grading and excavating
- Continuation of storm sewer installation

Crews are also preparing to switch the WIS 241 southbound traffic between Minnesota and College avenues to the newly constructed northbound lanes, late March.

Reminder: The speed limit on S. 27th Street from south of Drexel to north of College avenues has been reduced to 35 mph.
