CITY OF FRANKLIN
COMMITTEE OF THE WHOLE MEETING
FRANKLIN CITY HALL – COMMON COUNCIL CHAMBERS
9229 WEST LOOMIS ROAD, FRANKLIN, WISCONSIN
AGENDA*

MONDAY, MAY 6, 2019 AT 6:30 P.M.

A. Call to Order and Roll Call.

B. Presentation of the 2018 Annual Comprehensive Financial Report for the City of Franklin.

C. Adjournment.

*Supporting documentation and details of these agenda items are available at City Hall during normal business hours.

[Note: Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information, contact the City Clerk’s office at (414) 425-7500.]
Background
The Finance Dept has prepared the 2018 Comprehensive Annual Financial Report (CAFR) for the City of Franklin, portions of which have been audited by Baker Tilly, LLP – CPA’s. A copy of the 2018 CAFR is attached for your review.

The Finance Committee reviewed & accepted the report at the April 30, 2019 meeting and recommends Common Council place the report on file.

The Baker Tilly, LLP partner, John Knepel, CPA will be in attendance to present a required communication to those charged with governance and management and the 2018 CAFR.

The Finance Director will review highlights of the report and be available for questions.

COMMITTEE OF THE WHOLE ACTION

Franklin, Wisconsin

COMMUNICATION TO THOSE CHARGED WITH GOVERNANCE
AND MANAGEMENT

As of and for the Year Ended December 31, 2018
## CITY OF FRANKLIN
### TABLE OF CONTENTS

| Required Communication of Internal Control Related Matters Identified in the Audit to Those Charged with Governance | 1 |
| Other Communications to Those Charged with Governance |
| Two Way Communication Regarding Your Audit | 2 - 3 |
| Communication of Other Control Deficiencies, Recommendations and Informational Points to Management that are not Material Weaknesses or Significant Deficiencies | 4 - 9 |
| Required Communications by the Auditor to Those Charged with Governance |
| Summary of Uncorrected Financial Statement Misstatements |
| Management Representations | 10 - 13 |
REQUIRED COMMUNICATION OF INTERNAL CONTROL RELATED MATTERS IDENTIFIED IN THE AUDIT TO THOSE CHARGED WITH GOVERNANCE
To the Mayor and Common Council
City of Franklin
Franklin, Wisconsin

In planning and performing our audit of the financial statements of the City of Franklin (the “City”) as of and for the year ended December 31, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of its internal control. Accordingly, we do not express an opinion on the effectiveness of its internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

This communication is intended solely for the information and use of management, the Common Council, and others within the organization and is not intended to be, and should not be, used by anyone other than these specified parties.

Baker Tilly Virchow Krause, LLP

Milwaukee, Wisconsin
April 30, 2019
OTHER COMMUNICATIONS TO THOSE CHARGED WITH GOVERNANCE
TWO WAY COMMUNICATION REGARDING YOUR AUDIT

As part of our audit of your financial statements, we are providing communications to you throughout the audit process. Auditing requirements provide for two-way communication and are important in assisting the auditor and you with more information relevant to the audit.

As this past audit is concluded, we use what we have learned to begin the planning process for next year's audit. It is important that you understand the following points about the scope and timing of our next audit:

a. We address the significant risks or material misstatement, whether due to fraud or error, through our detailed audit procedures.

b. We will obtain an understanding of the five components of internal control sufficient to assess the risk of material misstatement of the financial statements whether due to error or fraud, and to design the nature, timing, and extent of further audit procedures. We will obtain a sufficient understanding by performing risk assessment procedures to evaluate the design of controls relevant to an audit of the financial statements and to determine whether they have been implemented. We will use such knowledge to:

   > Identify types of potential misstatement.
   > Consider factors that affect the risks of material misstatement.
   > Design tests of controls, when applicable, and substantive procedures.

We will not express an opinion on the effectiveness of internal control over financial reporting or compliance with laws, regulations, and provisions of contracts or grant programs.

c. The concept of materiality recognizes that some matters, either individually or in the aggregate, are important for fair presentation of financial statements in conformity with generally accepted accounting principles while other matters are not important. In performing the audit, we are concerned with matters that, either individually or in the aggregate, could be material to the financial statements. Our responsibility is to plan and perform the audit to obtain reasonable assurance that material misstatements, whether caused by errors or fraud, are detected.

We are very interested in your views regarding certain matters. Those matters are listed here:

a. We typically will communicate with your top level of management unless you tell us otherwise.

b. We understand that the Common Council has the responsibility to oversee the strategic direction of your organization, as well as the overall accountability of the entity. Management has the responsibility for achieving the objectives of the entity.

c. We need to know your views about your organization's objectives and strategies, and the related business risks that may result in material misstatements.

d. Which matters do you consider warrant particular attention during the audit, and are there any areas where you request additional procedures to be undertaken?

e. Have you had any significant communications with regulators or grantor agencies?

f. Are there other matters that you believe are relevant to the audit of the financial statements?
TWO WAY COMMUNICATION REGARDING YOUR AUDIT

Also, is there anything that we need to know about the attitudes, awareness, and actions of the City concerning:

a. The City’s internal control and its importance in the entity, including how those charged with governance oversee the effectiveness of internal control?

b. The detection or the possibility of fraud?

We also need to know if you have taken actions in response to developments in financial reporting, laws, accounting standards, governance practices, or other related matters, or in response to previous communications with us.

With regard to the timing of our audit, here is some general information. We will perform preliminary financial audit work during the months of October-December, and sometimes early January. Our final financial fieldwork is scheduled during the spring to best coincide with your readiness and report deadlines. After fieldwork, we wrap up our financial audit procedures at our office and may issue drafts of our report for your review. Final copies of our report and other communications are issued after approval by your staff. This is typically 6-12 weeks after final fieldwork, but may vary depending on a number of factors.

Keep in mind that while this communication may assist us with planning the scope and timing of the audit, it does not change the auditor’s sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing, and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We realize that you may have questions on what this all means, or wish to provide other feedback. We welcome the opportunity to hear from you.
COMMUNICATION OF OTHER CONTROL DEFICIENCIES, RECOMMENDATIONS AND INFORMATIONAL POINTS TO MANAGEMENT THAT ARE NOT MATERIAL WEAKNESSES OR SIGNIFICANT DEFICIENCIES
INFORMATIONAL POINTS

DEPARTMENTAL CONTROLS

As part of our annual audit process, we focus our efforts on the primary accounting systems, internal controls, and procedures used by the City. This is in keeping with our goal to provide an audit opinion which states that the financial statements of the City are correct in all material respects.

In some cases, the primary system of accounting procedures and controls of the City are supported by smaller systems which are decentralized, and reside within a department or location. In many cases, those systems are as simple as handling cash collections and remitting those collections to the City treasurer. (For example, this would be the case in a typical municipal library.) In other cases, the department may send invoices or statements of amounts due, and track collections of those amounts in a standalone accounts receivable system. (For example, this would be the case in a typical municipal court.)

Generally, the more centralized a function is, the easier it is to design and implement accounting controls that provide some level of checks and balances. That is because you are able to divide certain tasks over the people available to achieve some segregation of duties. For those tasks that are decentralized, it is usually very difficult to provide for proper segregation of duties. Therefore, with one person being involved in most or all aspects of a transaction, you lose the ability to rely on the controls to achieve the safeguarding of assets and reliability of financial records.

As auditors, we are required to communicate with you on a variety of topics. Since there is now more emphasis on internal controls and management's responsibilities, we believe it is appropriate to make sure that you are informed about the lack of segregation of duties that may occur at departments or locations that handle cash or do miscellaneous billing. Examples in your City that fit this situation may include the following:

- Municipa court
- Library
- Recreation
- Police Department

As you might expect, similar situations are common in most governments.

As auditors, we are required to focus on the financial statements at a highly summarized level and our audit procedures support our opinion on those financial statements. Departments or locations that handle relatively smaller amounts of money are not the primary focus of our audit. Yet, because of the lack of segregation of duties, the opportunity for loss is higher there than in centralized functions that have more controls.

Because management is responsible for designing and implementing controls and procedures to detect and prevent fraud, we believe that it is important for us to communicate this information to you. We have no knowledge of any fraud that has occurred or is suspected to have occurred within the departments mentioned above. However, your role as the governing body is to assess your risk areas and determine that the appropriate level of controls and procedures are in place. As always, the costs of controls and staffing must be weighed against the perceived benefits of safeguarding your assets.

Without adding staff or splitting up the duties, your own day-to-day contact and knowledge of the operation are also important mitigating factors.
INFORMATIONAL POINTS (cont.)

**CYBER SECURITY MANAGEMENT**

The sources of cyber threats continue to grow in number and sophistication. We have seen social engineering, including email phishing, and ransomware attacks cause disruption and monetary losses in the government landscape. Cybersecurity controls are imperative and may be of several different types:

- Preventative – activities that make attacks more difficult such as user access and password controls
- Detective – activities conducted to discover security incidents such as automated or manual reviews of firewall and server logs
- Responsive – activities performed once an incident has been identified such as a communication plan

Step one in determining which types of controls are best suited for your government is completing a data classification. This process includes identifying what types of data exist, determining data location, and measuring costs associated with the loss of data (i.e. – operational downtime, regulatory fines, or civil lawsuits). This information will help management and those charged with governance be able to evaluate the cost-benefit of control implementation. Even if your government has chosen to obtain cyber liability insurance to mitigate risk, the data classification remains an important exercise to help evaluate the policy coverage, pricing, and what, if any, exposure remains outside of your policy.

Data classification is only one piece of a sustainable cyber security management plan. We have professionals dedicated to cyber security and information technology risk to assist with your cyber security questions, assessments, and programs.

**RESOURCES FOR STATE AND LOCAL GOVERNMENT BOARDS**

Expectations and accountability are at all-time high and the knowledge required to be an effective board member is substantial. As a benefit to our clients, we have compiled a number of resources dedicated to educating state and local government board members. Go to our Board Governance Resource Center at www.bakertilly.com/board-governance for more information.

The Resource Center includes the following:

**Podcasts**
1. Managing cyber threats: Developing a sustainable cybersecurity program to address your unique risks
2. Understanding utility finances
3. Benefits of a fraud risk assessment
4. Financial ratios and benchmarks
5. Fund balance and other financial policies

**Articles**
1. Securitization of deposits and investments
2. Five easy internal controls your government should implement
3. Fund balance levels: What works for your government?
4. The importance of smart spending cuts
INFORMATIONAL POINTS (cont.)

RESOURCES FOR STATE AND LOCAL GOVERNMENT BOARDS (cont.)

We encourage you to subscribe to our complimentary newsletter "Government Connection" to stay abreast of the latest issues impacting state and local governments. You can do so by clicking on the "subscribe" button and indicating "State and Local Government" as an area of interest on the subscription form. Also, if you or your board members have suggested topics to feature on our Board Governance webpage or Government Connection newsletter, we invite you to submit your ideas in person or online.

GASB UPDATES

The Government Accounting Standard Board (GASB) has been very active in recent years, issuing new standards at a fast pace. Over the next few years, your government will have many new standards to evaluate and implement. Here are the standards which may impact you in the next year:

- GASB 83 provides accounting and financial reporting for asset retirement obligations, effective for reporting periods beginning on or after June 15, 2018
- GASB 84 improves guidance regarding the identification of fiduciary activities and how they should be reported, effective for reporting periods beginning on or after December 15, 2018
- GASB 88 improves certain disclosures related to debt, including direct borrowings and placements, effective for reporting periods beginning on or after June 15, 2018
- GASB 90 clarifies accounting and financial reporting for majority equity interests, effective for reporting periods beginning on or after December 15, 2018

Other GASB pronouncements on the horizon, while the implementation dates is in the near term these are anticipated to have significant impacts on many government financial statements:

- GASB 87 improves accounting and financial reporting for leases, effective for reporting periods beginning on or after December 15, 2019
- GASB 89 provides guidance for accounting for interest cost incurred before the end of a construction period, effective for reporting periods beginning on or after December 15, 2019

Looking even further ahead, the Technical Agenda, below, outlines significant areas GASB is currently working on:

- Conceptual Framework
  - Disclosure
  - Recognition
- Major Projects
  - Financial Reporting Model
  - Revenue and Expense Recognition
  - Public-Private Partnerships
- Practice Issues
  - Conduit Debt
  - Deferred Compensation Plans
  - Secured Overnight Financing Rate
  - Subscription-Based IT arrangements
  - Implementation Guidance
INFORMATIONAL POINTS (cont.)

> Pre-Agenda Research
   - Going Concern
   - Compensated Absences
   - Prior-Period Adjustments, Accounting Changes and Error Corrections

Though our firm involvement on AICPA committees, Baker Tilly follows these developments closely so that we can help you prepare for the changes as they evolve. This participation also allows us to share with GASB the experiences and perspectives of our clients to potentially influence the direction of future projects.

Full lists of projects, as well as many resources, are available on GASB’s website which is located at www.gasb.org.

UPCOMING LEASE STANDARD

In June 2017, the Governmental Accounting Standards Board (GASB) issued new guidance to establish a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. This standard is effective for fiscal years ending on or after December 31, 2020. Statement No. 37, Leases, requires recognition of certain lease assets and liabilities for leases that were previously classified as operating leases and recognize as inflows of resources or outflow of resources based on the payment provisions of the contract.

Under the new standard, a lease is defined as a contract that conveys control of the right to use another entity’s nonfinancial asset (underlying asset) as specified in the contract for a period of time in an exchange or exchange-like transaction. Control is defined by 1) the right to obtain the present service capacity from the use of the underlying asset and 2) the right to determine the nature and manner of use of the underlying asset. Any contract that meets this definition should be accounted for under the lease guidance, unless specifically excluded in this statement. Leases include contracts that, although not explicitly identified as leases, meet the above definition of a lease.

There are some exemptions outlined in the standard including, intangible assets, service concession arrangements and supply contracts.

We recommend the Council review this standard and start planning how this will affect your financial reporting. An inventory of all contracts that might meet the definition of a lease should be started. The contract listing should include key terms of the contracts such as:

> Description of contract
> Underlying asset
> Contract term
> Options for extensions and terminations
> Service components, if any
> Dollar amount of lease

In addition, the Council should begin to establish a lease policy to address the treatment of common lease types, including a dollar threshold for each lease. We are available to discuss this further and help you develop an action plan.
INFORMATIONAL POINTS (cont.)

NEW REPORTING REQUIREMENTS FOR FIDUCIARY ACTIVITIES

In January 2017, the Governmental Accounting Standards Board (GASB) issued new guidance to address how governments report fiduciary activities which is effective for fiscal years ending on or after December 31, 2019. Statement No. 84, Fiduciary Activities, supersedes reporting of agency funds and replaces it with a newly coined custodial fund, and requires several additional reporting requirements for fiduciary funds.

Under current guidance, Statement 34 requires that governments report fiduciary activities in fiduciary funds, but that statement does not provide a clear definition of what constitutes a fiduciary activity. GASB sought to reduce inconsistencies in reporting and provide a clear foundation for future reporting.

The new guidance will impact a significant amount of local governments. Many local governments have activities that may be considered fiduciary, including:

- Tax collection funds
- Circuit court fund of a municipality or county
- Cemetery trust funds
- Postemployment benefit plans

Under the recently issued Statement 84, governments will need to apply specific criteria to determine if a fiduciary activity exists. The criteria focuses on determining if a government is controlling the assets of the potential fiduciary activity and determining who the beneficiaries are. A few of the major changes that will impact many governments include:

- Pension/OPEB Plans as Fiduciary Component Units: Pension and other postemployment benefit (OPEB) plans will need to be evaluated to determine if they meet the fiduciary component unit criteria.
- Other Fiduciary Activities: There are various other types of assets that a government controls which will need to be evaluated under the new standard. Part of this evaluation will include identification of the beneficiary of the funds, consideration of how the assets are derived and the extent of administrative or direct financial involvement with the assets.

The following is a summary of two significant changes in the reporting requirements:

- The standard requires that governments recognize a liability to the beneficiaries in a fiduciary fund only when an event has occurred that compels the government to disburse fiduciary resources.
- Presentation of additions and deductions on the statement of changes in fiduciary net position for all fiduciary funds, including custodial funds.
NEW REPORTING REQUIREMENTS FOR FIDUCIARY ACTIVITIES (cont.)

The time to start assessing your government’s fiduciary activities is now. We have an archived webinar to explain the requirements, which can be found at https://bakertilly.com/insights/fiduciary-activities-changes-affecting-existing-agency-funds/. Along with the presentation, there is a fiduciary activities tool for you to download. These resources will give you an understanding of the new criteria and requirements and help you identify the fiduciary reporting changes that will impact your financial statements. Also, be on the lookout for the Implementation Guide to be issued by GASB in 2019.
REQUIRED COMMUNICATIONS BY THE AUDITOR TO THOSE CHARGED WITH GOVERNANCE
To the Mayor and Common Council
City of Franklin
Franklin, Wisconsin

Thank you for using Baker Tilly Virchow Krause, LLP as your auditor.

We have completed our audit of the financial statements of City of Franklin (the “City”) for the year ended December 31, 2018 and have issued our report thereon dated April 30, 2019. This letter presents communications required by our professional standards.

**OUR RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA**

The objective of a financial statement audit is the expression of an opinion on the financial statements. We conducted the audit in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements prepared by management with your oversight are free of material misstatement, whether caused by error or fraud. Our audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management or the Common Council of their responsibilities.

As part of the audit we obtained an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing and extent of further audit procedures. The audit was not designed to provide assurance on internal controls or to identify deficiencies in internal control.

**OTHER INFORMATION IN DOCUMENTS CONTAINING AUDITED FINANCIAL STATEMENTS**

Our responsibility does not extend beyond the audited financial statements identified in this report. We do not have any obligation to and have not performed any procedures to corroborate other information contained in client prepared documents, such as official statements related to debt issues.

**PLANNED SCOPE AND TIMING OF THE AUDIT**

We performed the audit according to the planned scope and timing previously communicated to you in our Communication to Those Charged with Governance and Management dated May 17, 2018.
To the Mayor and Common Council  
City of Franklin  
Franklin, Wisconsin  

**QUALITATIVE ASPECTS OF THE ENTITY’S SIGNIFICANT ACCOUNTING PRACTICES**  

**Accounting Policies**  
Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the City are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed in 2018. We noted no transactions entered into by the City of Franklin during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

**Accounting Estimates**  
Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements are:

- Management’s estimate of allowance for ambulance doubtful accounts is based on historical collection rates, days outstanding, and an analysis of the collectivity of individual accounts.
- Management’s estimates of the Wisconsin Retirement System net pension liability and the deferred outflows and deferred inflows related to pensions which impact the reported pension expense are based on information provided by the Wisconsin Retirement System.
- Management’s estimates of the City of Franklin Defined Benefit Retirement Income Plan net pension liability and the deferred outflows and deferred inflows related to pensions which impact the reported pension expense are based on information provided by Principal Financial Group.
- Management’s estimates of post-employment health care benefits is based on information provided by Actuarial & Health Care Solutions, LLC.
- Management’s estimate of depreciation based on the estimated useful life of the asset and original acquisition value.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

**Financial Statement Disclosures**  
The disclosures in the notes to the financial statements are neutral, consistent, and clear.

**DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT**  
We encountered no difficulties in dealing with management in performing our audit.
To the Mayor and Common Council  
City of Franklin  
Franklin, Wisconsin  

**CORRECTED AND UNCORRECTED MISSTATEMENTS**

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

A summary of uncorrected financial statement misstatements follows this required communication. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually, or in the aggregate, to the financial statements taken as a whole.

**DISAGREEMENTS WITH MANAGEMENT**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

**CONSULTATION WITH OTHER INDEPENDENT ACCOUNTANTS**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

**MANAGEMENT REPRESENTATIONS**

We have requested certain representations from management that are included in the management representation letter. This letter follows this required communication.

**INDEPENDENCE**

We are not aware of any relationships between Baker Tilly Virchow Krause, LLP and the City that, in our professional judgment, may reasonably be thought to bear on our independence.

Relating to our audit of the financial statements of the City of Franklin for the year ended December 31, 2018, Baker Tilly Virchow Krause, LLP hereby confirms that we are, in our professional judgment, independent with respect to the City in accordance with the Code of Professional Conduct issued by the American Institute of Certified Public Accountants. We provided no services to the City other than audit services provided in connection with the audit of the current year's financial statements and the following nonaudit services which in our judgment do not impair our independence.

- Compiled regulatory reports
- Financial statement preparation assistance

None of these nonaudit services constitute an audit under generally accepted auditing standards, including Government Auditing Standards.
To the Mayor and Common Council
City of Franklin
Franklin, Wisconsin

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

We applied certain limited procedures to the required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information which accompanies the financial statements but is not RSI. With respect to the supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the other information, which accompanies the financial statements but are not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

RESTRICTION ON USE

This information is intended solely for the use of the Common Council and management and is not intended to be, and should not be, used by anyone other than these specified parties.

We welcome the opportunity to discuss the information included in this letter and any other matters. Thank you for allowing us to serve you.

MANAGEMENT REPRESENTATIONS
April 30, 2019

Baker Tilly Virchow Krause, LLP
777 E Wisconsin Ave
32nd Floor
Milwaukee Wisconsin 53202

Dear Baker Tilly Virchow Krause, LLP:

We are providing this letter in connection with your audit of the financial statements of the City of Franklin as of December 31, 2018 and for the year then ended for the purpose of expressing opinions as to whether the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Franklin and the respective changes in financial position and cash flows, where applicable, in conformity with accounting principles generally accepted in the United States of America. We confirm that we are responsible for the fair presentation of the previously mentioned financial statements in conformity with accounting principles generally accepted in the United States of America. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control over financial reporting, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

**Financial Statements**

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter.

2. The financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America and include all properly classified funds and other financial information of the primary government required by accounting principles generally accepted in the United States of America to be included in the financial reporting entity.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

9229 West Loomis Road, Franklin, Wisconsin 53132-9728 (414) 425-7500 Fax: (414) 427-7527
5. Significant assumptions we used in making accounting estimates, if any, are reasonable.

6. Related party relationships and transactions, including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with the requirements of accounting principles generally accepted in the United States of America.

7. All events subsequent to the date of the financial statements and for which accounting principles generally accepted in the United States of America require adjustment or disclosure have been adjusted or disclosed. No other events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.

8. All material transactions have been recorded in the accounting records and are reflected in the financial statements.

9. We believe the effects of the uncorrected financial statement misstatements summarized in the attached schedule are immaterial, both individually and in the aggregate, to the basic financial statements as a whole. In addition, you have recommended adjusting journal entries, and we are in agreement with those adjustments.

10. We are not aware of any known actual, possible, pending, or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with accounting principles generally accepted in the United States of America, and we have not consulted a lawyer concerning litigation, claims, or assessments.

11. Guarantees, whether written or oral, under which the City is contingently liable, if any, have been properly recorded or disclosed.

    Information Provided

12. We have provided you with:

    a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
    b. Additional information that you have requested from us for the purpose of the audit.
    c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
    d. Minutes of the meetings of Common Council or summaries of actions of recent meetings for which minutes have not yet been prepared.

13. We have disclosed to you results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

14. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:

    a. Management,
    b. Employees who have significant roles in internal control, or
    c. Others where the fraud could have a material effect on the financial statements.

15. We have no knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, regulators, or others.
16. We have no knowledge of known instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse, whose effects should be considered when preparing financial statements.

17. We have disclosed to you all known related parties and all the related party relationships and transactions of which we are aware.

Other

18. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.

19. We have identified to you any previous financial audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.

20. The City has no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or equity.

21. We are responsible for compliance with federal, state, and local laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits, debt contracts, and IRS arbitrage regulations; and we have identified and disclosed to you all federal, state, and local laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.

22. There are no:

   a. Violations or possible violations of budget ordinances, federal, state, and local laws or regulations (including those pertaining to adopting, approving and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, or for reporting on noncompliance, except those already disclosed in the financial statement, if any.

   b. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by accounting principles generally accepted in the United States of America.

   c. Nonspendable, restricted, committed, or assigned fund balances that were not properly authorized and approved.

   d. Rates being charged to customers other than the rates as authorized by the applicable authoritative body.

   e. Violations of restrictions placed on revenues as a result of bond resolution covenants such as revenue distribution or debt service funding.

23. In regards to the nonattest services performed by you listed below, we have 1) accepted all management responsibility; 2) designated an individual with suitable skill, knowledge, or experience to oversee the services; 3) evaluated the adequacy and results of the services performed, and 4) accepted responsibility for the results of the services.

   a. Compiled regulatory reports

   b. Financial statement preparation assistance

None of these nonattest services constitute an audit under generally accepted auditing standards, including Government Auditing Standards.
24. The City of Franklin has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.

25. The City of Franklin has complied with all aspects of contractual agreements that would have a material effect on the financial statement in the event of noncompliance.

26. The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations, if any. Component units have been properly presented as either blended or discrete.

27. The financial statements properly classify all funds and activities.

28. All funds that meet the quantitative criteria in GASB Statement No. 34 and No. 37 for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.

29. Components of net position (net investment in capital assets; restricted; and unrestricted) and components of fund balance (nonspendable, restricted, committed, assigned and unassigned) are properly classified and, if applicable, approved.

30. The City of Franklin has no derivative financial instruments such as contracts that could be assigned to someone else or net settled, interest rate swaps, collars or caps.

31. Provisions for uncollectible receivables, if any, have been properly identified and recorded.

32. Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.

33. Revenues are appropriately classified in the statement of activities within program revenues and general revenues.

34. Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.

35. Deposits and investments are properly classified, valued, and disclosed (including risk disclosures, collateralization agreements, valuation methods, and key inputs, as applicable).

36. Provision, when material, has been made to reduce excess or obsolete inventories to their estimated net realizable value.

37. Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated/amortized. Any known impairments have been recorded and disclosed.

38. Tax-exempt bonds issued have retained their tax-exempt status.

39. We have appropriately disclosed the City of Franklin's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position are available and have determined that net position were properly recognized under the policy. We have also disclosed our policy regarding which resources (that is, restricted, committed, assigned or unassigned) are considered to be spent first for expenditures for which more than one resource classification is available.
40. We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.

41. With respect to the supplementary information, (SI):

a. We acknowledge our responsibility for presenting the SI in accordance with accounting principles generally accepted in the United States of America, and we believe the SI, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America. The methods of measurement and presentation of the SI have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.

b. If the SI is not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the supplementary information no later than the date we issue the supplementary information and the auditor's report thereon.

42. We assume responsibility for, and agree with, the findings of specialists in evaluating the post-employment health care benefits and have adequately considered the qualifications of the specialists in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give or cause any instructions to be given to specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had impact on the independence or objectivity of the specialists.

43. We assume responsibility for, and agree with, the information provided by the Wisconsin Retirement System as audited by the Legislative Audit Bureau relating to the net pension asset/liability and related deferred outflows and deferred inflows and have adequately considered the reasonableness of the amounts and disclosures used in the financial statements and underlying accounting records. We also assume responsibility for the census data that has been reported to the plan.

44. We have evaluated and considered all potential tax abatements and believe all material tax abatements have been properly reported and disclosed.

45. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as the measurement date in accordance with the requirements of GASB 72 – Fair Value Measurement. In addition our disclosures related to fair value measurements are consistent with the objectives outlined in GASB 72. We have evaluated the fair value information provided to us by brokers, pricing services or other parties that has been used in the financial statements and believe this information to be reliable and consistent with the requirements.

46. We assume responsibility for, and agree with, the information provided by Principal Financial Group related to the City of Franklin Defined Benefit Retirement Income Plan net pension asset/liability and related deferred outflows and deferred inflows and have adequately considered the reasonableness of the amounts and disclosures used in the financial statements and underlying accounting records. We also assume responsibility for the census data that has been reported to the plan.
Sincerely,

City of Franklin
