The Common Council approved the creation of Tax Incremental District No. 6 (TID 6) on October 16th, 2018 for Bear Development for a 145-acre mixed use development. As the district was being formed, Bear Development indicated that they would be buying or gaining control of additional properties that are contiguous to the original boundary of TID 6 and requested that the City consider expanding the boundaries of TID 6 when they were ready to move forward with an expanded plan. These activities have taken place and Bear Development has requested that the City of Franklin Common Council amend the TID 6 boundaries.

The first step in the amendment process is approval of a contract with Ehlers to begin phase 1, the feasibility analysis, of a three-phase contract that culminates with submission to the State of Wisconsin for approval of the amended TID 6.

COUNCIL ACTION REQUESTED

A motion to approve $15,000 for all three phases of TID 6 amendment, with Phases 2 and 3 planned for upon Council review of Feasibility Phase 1, or other action as deemed appropriate by Common Council.

Economic Development: CB
TID 6

FROM APPROVED PROJECT PLAN

This map shows the approximate relative location of property boundaries but was not prepared by a professional land surveyor.
This map is provided for informational purposes only and may not be sufficient or appropriate for legal, engineering, or surveying purposes.

Re: Written Municipal Advisor Client Disclosure with the City of Franklin (“Client”) for 2020 TIF No 6 Territory Amendment (“Project” Pursuant to MSRB Rule G-42)

Dear Calli and Paul:

As a registered Municipal Advisor, we are required by Municipal Securities Rulemaking Board (MSRB) Rules to provide you with certain written information and disclosures prior to, upon or promptly, after the establishment of a municipal advisory relationship as defined in Securities and Exchange Act Rule 15Ba1-1. To establish our engagement as your Municipal Advisor, we must inform you that:

1. When providing advice, we are required to act in a fiduciary capacity, which includes a duty of loyalty and a duty of care. This means we are required to act solely in your best interest.
2. We have an obligation to fully and fairly disclose to you in writing all material actual or potential conflicts of interest that might impair our ability to render unbiased and competent advice to you. We are providing these and other required disclosures in Appendix A attached hereto.
3. As your Municipal Advisor, Ehlers shall provide this advice and service at such fees, as described within Appendix B attached hereto.

This documentation and all appendices hereto shall be effective as of its date unless otherwise terminated by either party upon 30 days written notice to the other party.

During the term of our municipal advisory relationship, this writing might be amended or supplemented to reflect any material change or additions.

We look forward to working with you on this Project.

Sincerely,

Ehlers

Dawn Gunderson-Schiel, CPFO, CIPMA  
Senior Municipal Advisor/Vice President

---

1 This document is intended to satisfy the requirements of MSRB Rule G-42(b) and Rule G-42(c).
Appendix A

Disclosure of Conflicts of Interest/Other Required Information

Actual/Potential Material Conflicts of Interest
Ehlers has no known actual or potential material conflicts of interest that might impair its ability either to render unbiased and competent advice or to fulfill its fiduciary duty to Client.

Other Engagements or Relationships Impairing Ability to Provide Advice
Ehlers is not aware of any other engagement or relationship Ehlers has that might impair Ehlers’ ability to either render unbiased and competent advice to or to fulfill its fiduciary duty to Client.

Affiliated Entities
Ehlers offers related services through two affiliates of Ehlers, Bond Trust Service Corporation (BTSC) and Ehlers Investment Partners (EIP). BTSC provides paying agent services while Ehlers Investment Partners (EIP) provides investment related services and bidding agent service. Ehlers and these affiliates do not share fees. If either service is needed in conjunction with an Ehlers municipal advisory engagement, Client will be asked whether or not they wish to retain either affiliate to provide service. If BTSC or EIP are retained to provide service, a separate agreement with that affiliate will be provided for Client’s consideration and approval.

Solicitors/Payments Made to Obtain/Rетain Client Business
Ehlers does not use solicitors to secure municipal engagements; nor does it make direct or indirect payments to obtain or retain Client business.

Payments from Third Parties
Ehlers does not receive any direct or indirect payments from third parties to enlist Ehlers recommendation to the Client of its services, any municipal securities transaction or any financial product.

Payments/Fee-splitting Arrangements
Ehlers does not share fees with any other parties and any provider of investments or services to the Client. However, within a joint proposal with other professional service providers, Ehlers could be the contracting party or be a subcontractor to the contracting party resulting in a fee splitting arrangement. In such cases, the fee due Ehlers will be identified in a Municipal Advisor writing and no other fees will be paid to Ehlers from any of the other participating professionals in the joint proposal.

Municipal Advisor Registration
Ehlers is registered with the Securities and Exchange Commission (SEC) and Municipal Securities Rulemaking Board (MSRB).

Material Legal or Disciplinary Events
Neither Ehlers nor any of its officers or municipal advisors have been involved in any legal or disciplinary events reported on Form MA or MA-I nor are there any other material legal or disciplinary events to be reported. Ehlers’ application for permanent registration as a Municipal Advisor with the (SEC) was granted on July 28, 2014 and contained the information prescribed under Section 15B(a)(2) of the Securities and Exchange Act of 1934 and rules thereunder. It did not list any information on legal or disciplinary disclosures.
Client may access Ehlers’ most recent Form MA and each most recent Form MA-I by searching the Securities and Exchange Commission’s EDGAR system (currently available at http://www.sec.gov/edgar/searchedgar/companysearch.html) and searching under either our Company Name (Ehlers & Associates, Inc.) or by using the currently available “Fast Search” function and entering our CIK number (0001604197).

Ehlers has not made any material changes to Form MA or Form MA-I since that date.

Conflicts Arising from Compensation Contingent on the Size or Closing of Any Transaction
The forms of compensation for municipal advisors vary according to the nature of the engagement and requirements of the client. Compensation contingent on the size of the transaction presents a conflict of interest because the advisor may have an incentive to advise the client to increase the size of the securities issue for the purpose of increasing the advisor’s compensation. Compensation contingent on the closing of the transaction presents a conflict because the advisor may have an incentive to recommend unnecessary financings or recommend financings that are disadvantageous to the client. If the transaction is to be delayed or fail to close, an advisor may have an incentive to discourage a full consideration of such facts and circumstances, or to discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Any form of compensation due a Municipal Advisor will likely present specific conflict of interests with the Client. If a Client is concerned about the conflict arising from Municipal Advisor compensation contingent on size and/or closing of their transaction, Ehlers is willing to discuss and provide another form of Municipal Advisor compensation. The Client must notify Ehlers in writing of this request within 10 days of receipt of this Municipal Advisor writing.

MSRB Contact Information
The website address of the MSRB is www.msrb.org. Posted on the MSRB website is a municipal advisory client brochure that describes the protections that may be provided by MSRB rules and how to file a complaint with the financial regulatory authorities.
Appendix B
Tax Incremental Financing Services

Scope of Service
Client has requested that Ehlers assist Client with Territory Amendment to Tax Increment District No. 6 (“Project”). Ehlers proposes and agrees to provide the following scope of services:

Phase I – Feasibility Analysis
The purpose of Phase I is to determine whether the Project is a statutorily and economically feasible option to achieve the Client’s objectives. This phase begins upon your authorization of this engagement and ends on completion and delivery of a feasibility analysis report. As part of Phase I services, Ehlers will:

- Consult with appropriate Client officials to identify the Client’s objectives for the Project.

- Provide feedback as to the appropriateness of using Tax Incremental Financing in the context of the “but for” test.

- Identify preliminary boundaries of the amendment and gather parcel data from Client for parcels to be added. Determine compliance with the following statutory requirements as applicable:
  - Equalized Value test.
  - Purpose test (still meets the requirements of a mixed-use district).
  - Newly-platted residential land use test.

- Prepare feasibility analysis report. The report will include the following information, as applicable:
  - Identification of the type of districts.
  - A description of the type, maximum life, expenditure period and other features corresponding to the type of district.
  - A summary of the development assumptions used with respect to timing of construction and projected values.
  - Projections of tax increment revenue collections to include annual and cumulative present value calculations.
  - If debt financing is anticipated, a summary of the sizing, structure and timing of proposed debt issues.
  - A cash flow pro forma reflecting annual and cumulative district fund balances and projected year of closure.
  - A draft time table for the Project.
  - Identification of how the creation date may affect the district’s valuation date, the base value, compliance with the equalized value test, and the ability to capture current year construction values and changes in economic value.
When warranted, evaluate and compare options with respect to boundaries, project costs and development levels.

Ehlers will provide guidance on district design within statutory limits to creatively achieve as many of the Client’s objectives as possible and will provide liaison with State Department of Revenue as needed in the technical evaluation of options.

- Present the results of the feasibility analysis to the Client’s staff, Plan Commission or governing body.

Phase II – Project Plan Development and Approval

If the Client elects to proceed following completion of the feasibility analysis, the Project will move to Phase II. This phase includes preparation of the Project Plan, and consideration by the Plan Commission, governing body, and the Joint Review Board. This phase begins after receiving notification from the Client to proceed and ends after the Joint Review Board takes action on the Project. As part of Phase II services, Ehlers will:

- Based on the goals and objectives identified in Phase I, prepare a draft Project Plan that includes all statutorily required components.

- We will coordinate with your staff, engineer, planner or other designated party to obtain a map of the proposed boundaries of the district, a map showing existing uses and conditions of real property within the district, and a map showing proposed improvements and uses in the district.

- Submit to the Client an electronic version of the draft Project Plan for initial review and comment.

- Coordinate with Client staff to confirm dates and times for the meetings indicated within the following table. Ehlers will ensure that selected dates meet all statutory timing requirements and will provide documentation and notices as indicated.

---

1 If Client has created a Redevelopment Authority or a Community Development Authority, that body may fulfill the statutory requirements of the Plan Commission related to creation or amendment of the district.

</tbody>
</table>
• Throughout the meeting process, provide drafts of the Project Plan and related documents in sufficient quantity for the Client's staff, Plan Commission, governing body and Joint Review Board members.

• Provide advice and updated analysis on the impact of any changes made to the Project Plan throughout the approval process.

Phase III – State Submittal
This phase includes final review of all file documents, preparation of filing forms, and submission of the base year or amendment packet to the Department of Revenue. This phase begins following approval of the district by the Joint Review Board and ends with the submission of the base year or amendment packet. As part of Phase III services, Ehlers will:

• Assemble and submit to the Department of Revenue the required base year or amendment packet to include a final Project Plan document containing all required elements and information.

• Provide the Client with an electronic copy of the final Project Plan (and up to 15 bound hard copies if desired).

• Provide the municipal Clerk with a complete electronic and/or hard copy transcript of all materials as submitted to the Department of Revenue for certification.

• Act as a liaison between the Client and the Department of Revenue during the certification process in the event any questions or discrepancies arise.

Compensation
In return for the services set forth in the “Scope of Service,” Client agrees to compensate Ehlers as follows:

<table>

</tr>
</tbody>
</table>

• Phase I base fee includes up to five financial scenarios. Additional scenarios will be run as needed at a cost of $750/scenario.

• In the event Client determines not to proceed with the Project once a Phase has been authorized, but prior to that Phase’s completion, the compensation due for that Phase will be prorated to reflect the percentage of the work completed.

For any service directed by Client and not covered by this, or another applicable Appendix, Ehlers will bill Client at an hourly rate that is dependent upon the task/staff required to meet Client request at no less than $125.00/hour and not to exceed $300.00/hour.
Payment for Services
For all compensation due to Ehlers, Ehlers will invoice Client for the amount due at the completion of each Phase. Our fees include our normal travel, printing, computer services, and mail/delivery charges. The invoice is due and payable upon receipt by the Client.

Client Responsibility
The following expenses are not included in our Scope of Services, and are the responsibility of Client to pay directly:

- Services rendered by Client's engineers, planners, surveyors, appraisers, assessors, attorneys, auditors and others that may be called on by Client to provide information related to completion of the Project.
- Preparation of maps necessary for inclusion in the Project Plan.
- Preparation of maps necessary for inclusion in the base year or amendment packet.
- Publication charge for the Notice of Public Hearing and Notices of Joint Review Board meetings.
- Legal opinion advising that Project Plan contains all required elements. (Normally provided by municipal attorney).
- Preparation of District metes & bounds description. (Needed in Phase III for creation of new districts, or amendments that add or subtract territory).
- Department of Revenue filing fee and annual administrative fees. The current Department of Revenue fee structure is:

AGREEMENT

This AGREEMENT, made and entered into this ___ day of February, 2020, between the City of Franklin, 9229 West Loomis Road, Franklin, Wisconsin 53132 (hereinafter “CLIENT”) and Ehlers, Inc. (hereinafter “CONTRACTOR”), whose principal place of business is N21 W23350 Ridgeview Parkway West, Suite 100, Waukesha, Wisconsin, 53188.

WITNESSETH

WHEREAS, the CONTRACTOR is duly qualified and experienced as a municipal services contractor and has offered services for the purposes specified in this AGREEMENT; and

WHEREAS, in the judgment of CLIENT, it is necessary and advisable to obtain the services of the CONTRACTOR to provide financial services;

NOW, THEREFORE, in consideration of these premises and the following mutual covenants, terms, and conditions, CLIENT and CONTRACTOR agree as follows:

A. This AGREEMENT may only be amended by written instrument signed by both CLIENT and CONTRACTOR.

I. BASIC SERVICES AND AGREEMENT ADMINISTRATION

A. CONTRACTOR shall provide services to CLIENT for tax incremental financing services and confidential prospect pro forma review as described in CONTRACTOR’s proposals to CLIENT dated January 9, 2020, annexed hereto and incorporated herein as Attachment A.

B. CONTRACTOR shall serve as CLIENT’s professional representative in matters to which this AGREEMENT applies. CONTRACTOR may employ the services of outside consultants and subcontractors when deemed necessary by CONTRACTOR to complete work under this AGREEMENT following approval by CLIENT.

C. CONTRACTOR is an independent contractor and all persons furnishing services hereunder are employees of, or independent subcontractors to, CONTRACTOR and not of CLIENT. All obligations under the Federal Insurance Contribution Act (FICA), the Federal Unemployment Tax Act (FUTA), and income tax withholding are the responsibility of CONTRACTOR as employer. CLIENT understands that express AGREEMENTS may exist between CONTRACTOR and its employees regarding extra work, competition, and nondisclosure.

D. During the term of this AGREEMENT and throughout the period of performance of any resultant AGREEMENT, including extensions, modifications, or additions thereto, and for a period of one (1) year from the conclusion of such activity, the parties hereto agree that neither shall solicit for employment any technical or professional employees of the other without the prior written approval of the other party.
II. FEES AND PAYMENTS

CLIENT agrees to pay CONTRACTOR, for and in consideration of the performance of Basic Services further described in Attachment A, with a combined not-to-exceed budget of $15,000, subject to the terms detailed below:

A. CONTRACTOR may bill CLIENT and be paid for all work satisfactorily completed hereunder on a monthly basis. CLIENT agrees to pay CONTRACTOR’s invoice within 30 days of invoice date for all approved work.

B. Total price will not exceed budget of $15,000. For services rendered, monthly invoices will include a report that clearly states the hours and type of work completed and the fee earned during the month being invoiced.

C. In consideration of the faithful performance of this AGREEMENT, the CONTRACTOR will not exceed the fee for Basic Services and expenses without written authorization from CLIENT to perform work over and above that described in the original AGREEMENT.

D. Should CLIENT find deficiencies in work performed or reported, it will notify CONTRACTOR in writing within thirty (30) days of receipt of invoice and related report and the CONTRACTOR will remedy the deficiencies within thirty (30) days of receiving CLIENT’s review. This subsection shall not be construed to be a limitation of any rights or remedies otherwise available to CLIENT.

III. MODIFICATION AND ADDITIONAL SERVICES

A. CLIENT may, in writing, request changes in the Basic Services required to be performed by CONTRACTOR and require a specification of incremental or decremental costs prior to change order agreement under this AGREEMENT. Upon acceptance of the request of such changes, CONTRACTOR shall submit a “Change Order Request Form” to CLIENT for authorization and notice to proceed signature and return to CONTRACTOR. Should any such actual changes be made, an equitable adjustment will be made to compensate CONTRACTOR or reduce the fixed price, for any incremental or decremental labor or direct costs, respectively. Any claim by CONTRACTOR for adjustments hereunder must be made to CLIENT in writing no later than forty-five (45) days after receipt by CONTRACTOR of notice of such changes from CLIENT.

IV. ASSISTANCE AND CONTROL

A. Director of Economic Development, Calli Berg, will coordinate the work of the CONTRACTOR, and be solely responsible for communication within the CLIENT’s organization as related to all issues originating under this AGREEMENT.

B. CLIENT will timely provide CONTRACTOR with all available information concerning PROJECT as deemed necessary by CONTRACTOR.
C. CONTRACTOR will appoint, subject to the approval of CLIENT, Director of Economic Development, Calli Berg CONTRACTOR’s Project Manager and other key providers of the Basic Services. Substitution of other staff may occur only with the consent of CLIENT.

V. TERMINATION

A. This AGREEMENT may be terminated by CLIENT, for its convenience, for any or no reason, upon written notice to CONTRACTOR. This AGREEMENT may be terminated by CONTRACTOR upon thirty (30) days written notice. Upon such termination by CLIENT, CONTRACTOR shall be entitled to payment of such amount as shall fairly compensate CONTRACTOR for all work approved up to the date of termination, except that no amount shall be payable for any losses of revenue or profit from any source outside the scope of this AGREEMENT, including but not limited to, other actual or potential agreements for services with other parties.

B. In the event that this AGREEMENT is terminated for any reason, CONTRACTOR shall deliver to CLIENT all data, reports, summaries, correspondence, and other written, printed, or tabulated material pertaining in any way to Basic Services that CONTRACTOR may have accumulated. Such material is to be delivered to CLIENT whether in completed form or in process. CLIENT shall hold CONTRACTOR harmless for any work that is incomplete due to early termination.

C. The rights and remedies of CLIENT and CONTRACTOR under this section are not exclusive and are in addition to any other rights and remedies provided by law or appearing in any other article of this AGREEMENT.

VI. INSURANCE

The CONTRACTOR shall, during the life of the AGREEMENT, maintain insurance coverage with an authorized insurance carrier at least equal to the minimum limits set forth below:

A. Limit of General/Commercial Liability $1,000,000
B. Automobile Liability: Bodily Injury/Property Damage $1,000,000
C. Excess Liability for General Commercial or Automobile Liability $1,000,000
D. Worker’s Compensation and Employers’ Liability $500,000
E. Professional Liability $2,000,000

Upon the execution of this AGREEMENT, CONTRACTOR shall supply CLIENT with a suitable statement certifying said protection and defining the terms of the policy issued, which shall specify that such protection shall not be cancelled without thirty (30) calendar days prior notice to CLIENT, and naming CLIENT as an additional insured for General Liability.

VII. INDEMNIFICATION AND ALLOCATION OF RISK

A. To the fullest extent permitted by law, CONTRACTOR shall indemnify and hold harmless CLIENT, CLIENT’S officers, directors, partners, and employees from and against costs, losses, and damages (including but not limited to reasonable fees and
charges of engineers, architects, attorneys, and other professionals, and reasonable court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of CONTRACTOR or CONTRACTOR'S officers, directors, partners, employees, and consultants in the performance of CONTRACTOR'S services under this AGREEMENT.

B. To the fullest extent permitted by law, CLIENT shall indemnify and hold harmless CONTRACTOR, CONTRACTOR'S officers, directors, partners, employees, and consultants from and against costs, losses, and damages (including but not limited to reasonable fees and charges of engineers, architects, attorneys, and other professionals, and reasonable court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of CLIENT or CLIENT'S officers, directors, partners, employees, and consultants with respect to this AGREEMENT.

C. To the fullest extent permitted by law, CONTRACTOR'S total liability to CLIENT and anyone claiming by, through, or under CLIENT for any injuries, losses, damages and expenses caused in part by the negligence of CONTRACTOR and in part by the negligence of CLIENT or any other negligent entity or individual, shall not exceed the percentage share that CONTRACTOR'S negligence bears to the total negligence of CLIENT, CONTRACTOR, and all other negligent entities and individuals.

D. In addition to the indemnity provided under Paragraph VII.B, and to the fullest extent permitted by law, CLIENT shall indemnify and hold harmless CONTRACTOR and CONTRACTOR'S officers, directors, partners, employees, and consultants from and against injuries, losses, damages and expenses (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals, and all court or arbitration or other disputes resolution costs) caused by, arising out of, or resulting from an unexpected Hazardous Environmental Condition, provided that (i) any such injuries, losses, damages and expenses is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom, and (ii) nothing in this Paragraph shall obligate CLIENT to indemnify any individual or entity from and against the consequences of that individual or entity’s own negligence or willful misconduct.

E. Nothing contained within this AGREEMENT is intended to be a waiver or estoppel of the contracting municipality CLIENT or its insurer to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including those contained within Wisconsin Statutes §§ 893.80, 895.52, and 345.05. To the extent that indemnification is available and enforceable, the municipality CLIENT or its insurer shall not be liable in indemnity or contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin Law.

VIII. TIME FOR COMPLETION

CONTRACTOR shall commence work immediately having received a Notice to Proceed as of

IX. DISPUTES
This AGREEMENT shall be construed under and governed by the laws of the State of Wisconsin. The venue for any actions arising under this AGREEMENT shall be the Circuit Court for Milwaukee County. The prevailing party shall be awarded its actual costs of any such litigation, including reasonable attorney fees.

X. RECORDS RETENTION

CONTRACTOR shall maintain all records pertaining to this AGREEMENT during the term of this AGREEMENT and for a period of 3 years following its completion. Such records shall be made available by the CONTRACTOR to CLIENT for inspection and copying upon request.

XI. CONTROLLING TERMS AND PROVISIONS

The aforesaid terms and provisions shall control over any conflicting term or provision of any CONTRACTOR proposal, Attachment, Exhibit, and standard terms and provisions annexed hereto.

IN WITNESS WHEREOF, the parties have caused this AGREEMENT to be executed on the day and year first above written.

WHEREAS, Tax Incremental District No. 6 (TID 6) was created on November 1, 2018 to create a mixed-use development area for activities proposed by Bear Development that include residential, commercial, and industrial uses; and

WHEREAS, prior to creation of TID 6, Bear Development intended to continue acquiring and gaining control of contiguous properties around the original boundaries of TID 6 with the intention of requesting an amendment to the original boundary once those activities were complete; and

WHEREAS, Bear Development has now acquired or gained control over those additional properties that are intended to be part of the mixed-use development; and

WHEREAS, Ehlers & Associates, Inc. has provided a three-phase proposal that includes a feasibility analysis of the proposed boundary amendment; and

WHEREAS, the Common Council upon the recommendation of City staff having reviewed such proposed agreement for professional consulting services and having found same to be reasonable.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Common Council of the City of Franklin, Wisconsin, that the Agreement to Provide Tax Incremental Financing Services with Ehlers & Associates, Inc., in the form and content as annexed hereto, be and the same is hereby approved.

BE IT FURTHER RESOLVED, that the Mayor, City Clerk and Director of Finance and Treasurer be and the same are hereby authorized to execute and deliver such agreement.

Introduced at a meeting of the Common Council of the City of Franklin this 17th day of February 2020.

Passed and adopted at a meeting of the Common Council of the City of Franklin this 17th day of February 2020.

APPROVED:

AYES ___ NOES ___ ABSENT ___
RESOLUTION TO REIMBURSE LOOMIS & RYAN, INC. FOR OVERSIZING WATER MAIN INSTALLED AS PART OF TAX INCREMENT DISTRICT NO. 6 AND THE RYAN MEADOWS SUBDIVISION AND ALSO REIMBURSE VICTORY OF THE LAMB FOR OVERSIZING WATER MAIN INSTALLED PER RESOLUTION 2015-7123

BACKGROUND
During the design of the Tax Increment District (TID) No. 6 and the Ryan Meadows Subdivision, it was found advantageous, from a system stand point, to extend a water main to the development. The developer, Loomis & Ryan, Inc., was directed to install 16-inch water main and this installation has been completed and placed in operation. The developer is requesting reimbursement for the oversized water main which is allowable per Item 10 of Exhibit E in the development agreement dated January 21, 2020 (Resolution 2020-7585).

The Developer shall install a 16-inch diameter water main on Loomis & Ryan Roads, 12-inch diameter water main on Monarch Drive and Bergamont Drive from the existing water main located at 11120 Loomis Drive, northeast of the Development. The City shall reimburse to the Developer the cost of the oversize portion of the installation (over an 8” diameter as calculated by the City Engineer) in five equal annual installments, without interest, beginning the February 15th following the completion of the installation, its placement into operation and the final acceptance of same by the City Engineer...

The project is constructed and has passed all pressure and disinfectant tests. There are some items such as as-builds and final clean up that will be necessary before the line can be accepted, and this is expected to occur in the early spring 2020.

ANALYSIS
Staff has verified that the oversizing costs from an 8” system to a 16” system is $192,218.85. Per the development agreement that outlines five equal payment, the developer is owed $38,443.77/year. This payment will be made each year from Water Impact Fund.

Note that the developer assisted Victory of the Lamb Church (VOTL) to complete the remainder of the water main required to extend across their property and there is a private agreement to cover those expenses for an 8-inch main system (approximately $73k). Per the development agreement with VOTL (Resolution 2015-7123), the City will reimburse VOTL for the oversizing costs and staff has verified the amount as $19,410.83.

Because the February 15th deadline has expired, Staff is recommending that the payment to both the developer and VOTL be made for 2020.

OPTIONS
A. Reimburse developer and church for oversizing costs: or
B. Give further direction to staff
FISCAL NOTE
The reimbursement will be paid from the water-impact fee account. The 8-inch system will be paid from TID financing.

COUNCIL ACTION REQUESTED
(Option A) Resolution 2020-__________ a resolution to reimburse Loomis & Ryan, Inc. for oversizing water main installed as part of Tax Increment District No. 6 and the Ryan Meadows Subdivision. Also direct staff to make initial partial payment of $38,443.77 to Loomis & Ryan, Inc. in 2020. In addition, reimburse Victory of the Lamb as part of the development agreement adopted in Resolution 2015-7123 for the full amount of oversizing a water main $19,410.83.

Engineering: GEM
WHEREAS, Common Council adopted Resolution No. 2020-7585 for a Subdivision Development Agreement (SDA) for Tax Increment District No. 6 and the Ryan Meadows Subdivision, and

WHEREAS, Common Council adopted Resolution No. 2015-7123 for a Development Agreement (DA) for Victory of the Lamb Church; and

WHEREAS, both subdivision development agreements include commitments that the City will reimburse the developer for the oversize costs on installing a water main above an 8" diameter size; and

WHEREAS, both water mains have been constructed and placed in service and are eligible for reimbursement by the City as outlined in the SDA and DAs.

NOW, THEREFORE BE IT RESOLVED by the Mayor and Common Council of the City of Franklin that Loomis & Ryan, Inc. be reimbursed for oversizing water main installed as part of Tax Increment District No. 6 and the Ryan Meadows Subdivision $192,218.85 in five equal payments of $38,443.77 per year with the first payment to occur in February 2020; and

BE IT FURTHER RESOLVED that Victory of the Lamb be reimbursed for oversizing a water main section installed as part of the development as outlined in Resolution No. 2015-7123 for $19,410.83 in one payment to occur in February 2020.

Introduced at a regular meeting of the Common Council of the City of Franklin the day of , 2020, by Alderman .

PASSED AND ADOPTED by the Common Council of the City of Franklin on the day of , 2020.

APPROVED:

__________________________
Stephen R. Olson, Mayor

GEM
BLANK PAGE
BACKGROUND
Milwaukee Metropolitan Sewerage District (MMSD) owns and maintains a system of metropolitan interceptor sewers (MIS) to receive and convey sanitary sewage from member communities including Franklin, Oak Creek, and Caledonia. Raymond is in the early stages of also becoming a member community.

There is a MIS that extends south on S. 27th Street to W. Oakwood Road. This MIS is sufficiently deep to be extended further south, beneath the Root River, and receive sewage from Caledonia and Raymond. To date, MMSD has not included this MIS extension in their capital improvement project lists.

ANALYSIS
Staff understands that Oak Creek, Caledonia, and Raymond have asked MMSD to consider this MIS extension. Because the MIS is not extended at this time, the City of Franklin Tax Increment District (TID) No. 4 has had to expend a large amount of funds to construct a pump station and force main that could have been avoided if there were a gravity MIS in the area. The Franklin Sewer Utility will need to fund ongoing maintenance, operation, and electric for the operation of the pump station.

It would take MMSD several years to plan, prioritize, design, fund, and construct the MIS extension. Regardless, it is advantageous to the complete development of the Franklin Corporate Park for MMSD to extend the MIS and ultimately take the pump station out of service.

Enclosed is a draft letter for the Mayor to finalize and send to MMSD expressing Franklin’s desire and support for this project. Suggested changes from the Aldermen are appreciated in those efforts.

OPTIONS
A. Provide comments and direction to the Mayor in support of a letter to MMSD, or
B. Refer back to Staff with further direction.

FISCAL NOTE
No impact to current budgets.

RECOMMENDATION
(Option A) Provide direction to the Mayor to send/not send a letter of support to Milwaukee Metropolitan Sewerage District for extension of metropolitan interceptor sewer on S. 27th Street from W. Oakwood Road to W. County Line Road.
Dear Mr. Shafer:

RE: Metropolitan Interceptor Sewer (MIS) Extension Request

As MMSD is completing master plan efforts, the City of Franklin hereby formally requests that MMSD construct an extension of the existing MIS located in S. 27th Street just south of Oakwood Road, extending southward into Racine County, to serve future growth in the adjacent southern portion of the City. First and foremost, this extension is needed to help foster economic development in this area.

If the MIS extension were completed, the City of Franklin would be able to serve the new Franklin Corporate Park by gravity and abandon the energy-intensive lift station. This will save finances for all sewage rate payers and is a much more sustainable solution for the long term.

The City has held discussions with Raymond about potentially sharing the cost of installing a larger regional sewage pump station locally owned by Franklin. Unfortunately, their development plans did not coincide with ours. Now we understand that WisDOT is planning a significant road improvement (circa 2025) and it would be advantageous for MMSD to construct this sewer project as WisDOT’s project and minimize the inconvenience to the Franklin Corporate Park patrons.

Please advise if there are any questions or if you need any further documentation regarding the above request.

Sincerely,

Mayor Stephen R. Olson
City of Franklin
BACKGROUND
The Wisconsin Department of Transportation (WisDOT) is planning to reconstruct S. Lovers Lane (U.S. 45 / STH 100) from W. Rawson Avenue to W. College Avenue. This will essentially extend the “Hales Corners” project further south.

Anticipated construction is scheduled for 2025. WisDOT is holding a public information meeting on February 27, 2020, from 5:00 to 7:00 p.m. in the library of the Franklin High School. All public is encouraged to attend and learn about some significant changes that are being considered. The significant changes include:

- **West Service (Frontage) Road (6991S. Lovers Lane Road).** The south access would be closed with a cul-de-sac.
- **East Service (Frontage) Road between S. Phyllis Lane and W. Herda Place (6910-7042 S. Lovers Lane).** The current WisDOT plans would change this road from two-way to one-way to minimize impacts to property acquisition for the affected properties. Staff has recommended that the one-way be designated as south-bound to minimize T-bone collisions that would occur at W. Herda Place if cars leaving these properties were to want to go south on S. Lovers Lane and there would be a blind spot while trying to make a U-turn.
- **W. Cortez Circle / W. Cortez Road.** No left turns from the side streets will be allowed. WisDOT will collect new traffic counts in March to confirm decision.
- **W. Cortez Circle North / S. Prairie Wood.** No left turns from the side streets will be allowed because the median will be closed to accommodate left turn queuing at W. Speedway Drive.
- **Venture Drive.** No left turns will be allowed because the median will be closed to accommodate left turn queuing at S. Whitnall Edge Road.

Current aerials with some Staff markups are provided. WisDOT is still creating the concept drawings that will be available at the meeting on the 27th.

ANALYSIS
WisDOT Staff has been meeting with City Staff and need some direction on some issues during this planning phase. Many of these decisions will have impacts on future City budgets. The sooner decisions can be finalized, the sooner WisDOT can provide budget numbers for the City.

**Stock Pile Issue:** Does Franklin have any suggested restrictions on height of stored materials? WisDOT allows contractors to store materials in the work zone. In Hales Corners, the contractor removed concrete pavement, crushed it, then temporarily placed it in the median. There were many complaints from businesses who felt that the stored materials blocked their visibility to adjacent traffic. Since Franklin businesses are set back further from the road, this may not be an issue in Franklin. Restricting stored materials in the work zone will cause increased traffic for materials to be removed and brought back. This extra effort will also require extra construction time for the contractor to remove and replace materials. WisDOT would like Franklin’s input on desired stock pile restrictions, if any.

**Context Sensitive Solutions (CSS):** From WisDOT commitments in 2010 and 2014, there is a maximum of $371,500 (3% of construction costs) of CSS funds available to Franklin for road amenities such as benches, lighting, signage, etc. (but not including sidewalks). Staff needs direction on what amenities the Common
Council desires. These elements will be placed in the WisDOT plans and depending on the element, Franklin may be responsible for a portion or all of the increased project costs. For example, there is a 50/50 cost share split for new lighting systems (if not a system then 100% local cost). Costs for decorative lights above a standard light pole are 100% local cost. CSS funds can be used for the decorative upgrade. Once Staff is given direction on what the Common Council would like to see in this corridor, estimates for Franklin budgets can be created. Attached are some suggested items provided in the recent re-branding efforts.

**Sidewalks:** The preliminary plans include sidewalks. There is no cost for sidewalks as part of this reconstruction project. The City would have to sign a maintenance agreement for the sidewalks which could be delegated to the residents as other sidewalks in front of properties are delegated. Staff would like confirmation that sidewalks on both sides of the road are desirable.

**Crosswalks:** WisDOT will own and maintain pedestrian crosswalks at signal intersections (W. College Avenue and W. Speedway Drive). If the City would like additional crosswalks at non-signalized intersections, the City would be responsible for the ownership and maintenance of such crosswalks forever. Staff would like confirmation that additional crosswalks are not needed.

The Board of Public Works met on February 11 and provided some additional comments for the Common Council's consideration:
- Contractor should be allowed to store any materials in the right of way to facilitate getting the project done at the earliest possible timeframe.
- Branding Signs should be heavily considered.
- CSS amenities might consider electronic signage.
- The inability to turn left from the Cortez roads is troublesome.
- WisDOT should have strict standards for contractor's dust control.

**OPTIONS**
A. Give direction to staff on all or some of the above issues: or  
B. Table discussion until after the February 27, 2020, WisDOT public information meeting. Aldermen are encouraged to discuss the issues directly with WisDOT representatives

**FISCAL NOTE**
All items will be earmarked for a future budget. Some items may be paid for from various non-highway and capital improvement funds- such as the room tax. Some items may be assessed to benefited property owners.

**COUNCIL ACTION REQUESTED**
(Option B) Give direction to staff concerning stock pile issue, context sensitive solution elements, sidewalks, and crosswalks on or after the February 27, 2020, WisDOT public information meeting.

Engineering: GEM
Greetings,

Project ID: 2040-14-00/70
US 45 / Rawson Avenue to College Avenue
Milwaukee County

Please join us for a Public Involvement Meeting to discuss proposed improvements to US 45 (Lovers Lane) from Rawson Avenue to College Avenue, in Milwaukee County.

The meeting is scheduled for Thursday, February 27th, 2020, from 5:00 p.m. to 7:00 p.m., at the Franklin High School located at 8222 South 51st Street, Franklin, WI 53132. Come any time as the meeting is an open house with no formal presentation. The meeting will take place in the Library Media Center, please use the main entrance.

The objective of the meeting is to discuss the current scope of work, staging, traffic management and to gather input for this north/south arterial.

The improvement project is currently scheduled to begin in 2025.

We look forward to working with you on this transportation investment. If you have any questions, or if you cannot attend the meeting, but would like to find out more about the project, please contact me at (262) 548-5603 or douglas.cain@dot.wi.gov.

Sincerely,

Douglas A. Cain

Douglas A. Cain, P.E.
WisDOT Project Manager
# Background

Milwaukee County is rehabilitating W. Rawson Avenue (CTH BB) from S. Lovers Lane Road (USH 45 / STH 100) to W. Hawthorne Lane in the summer of 2020. Recently, the City of Franklin was advised that there are lights that need to be relocated. Some lights were just installed with the Ballpark Commons Project and other lights in the vicinity of S. Lovers Lane and S. 92nd Street are WE Energies lights for which the City pays monthly rental fees.

# Analysis

Per WE Energies tariff, the City is obligated to pay for the relocation of the lights owned by WE Energies. The quote from WE Energies to relocate the work is $3,662.00 and will increase the net monthly rates by $0.32.

The City will need to pay for the relocation of lights owned by the City in the vicinity of W. Hawthorn Lane. When DPW is unable to perform light maintenance, Pro-Electric helps as needed to complete the work. The City is working with the County to avoid this additional work, but if needed, this work could be as much as $15,000.

# Options

A. Authorize staff to direct WE Energies and Pro-Electric, if needed, to relocate lighting to accommodate the County’s reconditioning project of W. Rawson Avenue.

B. Refer back to Staff with further direction.

# Fiscal Note

There is $145,000 of Contingency in the Capital Improvement Fund available to support this project.

# Council Action Requested

(Option A) Authorize staff to direct WE Energies and Pro-Electric, if needed, to relocate lighting to accommodate the County’s reconditioning project of W. Rawson Avenue for not to exceed $20,000 from the 2020 contingency funds.

Franklin, WI 53132

Subject: Work Request 4471295; Lighting at CTH BB/S. Lovers Lane Rd. and W. Rawson Ave./92nd St.

Dear Ronnie Asuncion:

This letter details a work request for We Energies Outdoor Lighting. The upfront charge for this work, which expires 90 days from the date of this letter, is $3,662.00, and does include site restoration. Net monthly charges will initially increase by $0.32, which is subject to future rate changes as approved by the Public Service Commission of Wisconsin.

Review the following prior to providing authorization and payment:

- Luminaires are controlled to provide dusk to dawn operation.
- Customer must contact We Energies for lighting maintenance.
- Fixtures are warranted until removed.
- Non-Standard poles and conductors are warranted for 15 years.
- Customer must locate private underground facilities and grant or obtain, without expense to We Energies, access to property, necessary permissions, easements, ordinance satisfaction and permits for installation, removal and maintenance of lighting facilities.
- Termination or change requests after installation and prior to conclusion of the initial term result in customer charges. Monthly rates for fixtures on the LED rate are reduced after the initial term.
- All applicable lighting tariff terms and conditions are available at we-energies.com.
- We Energies does not guarantee this installation meets AASHTO or the Illuminating Engineering Society's minimum recommended standards for lighting.

Please sign the enclosed documents and return them, along with payment for the upfront charge (payable to We Energies) in the envelope provided. Material will be ordered upon receipt of required authorizations and payment. Work request will be scheduled when all contingencies are met. If you have any questions, please call me at 414-944-5617. We look forward to working with you on your lighting project.

Sincerely,

Robin Maurer
Energy Services Representative
robin.maurer@we-energies.com

By signing this letter, you authorize us to do this work and acknowledge acceptance of the rates and conditions of the specified tariffs as approved by the Public Service Commission of Wisconsin.

Enclosures
As a recap from the January 21, 2020 meeting, the Mayor's Recommended 2020 Budget and the Adopted Budget included the following statement.

"The Mayor proposes that the City will undertake a much more comprehensive review of its facilities and facility needs and prepare, during 2020, a comprehensive Capital Improvement Plan. It will address roofs, parking lots, and HVAC systems. It will address park system needs and equipment. It is intended to be a comprehensive document with at least a 10-year perspective. This will enable a clear prioritization of needs to be addressed on an annual basis. A process recommendation will be developed during the remainder of 2019."

Proposals from Industrial Roofing Services, Inc. for roof, hardscape, and window and wall surveys were reviewed at the January 21, 2020 Council Meeting where the following motion was made pertaining to the "Data Collection for an Enhanced Capital Improvement Plan (CIP)" item:

"Alderman Barber moved to authorize staff to prepare any revisions to the proposals presented and to obtain a completed proposal for HVAC inspections with Industrial Roofing Services, Inc., and to return the same to the Common Council for approval, acknowledging that as much as $32,000 to $40,000 in the General Fund contingency appropriation would be required. Seconded by Alderman Nelson. All voted Aye; motion carried."

Attached/listed below are final versions of proposals from Industrial Roofing Systems, Inc. (IRS) and their respective costs for the following surveys (including HVAC) to be done on the main City buildings: City Hall, Police Department, Library, DPW, three Fire Stations, some of the accessory buildings associated with them, as well as some park shelters:

- Visual Hardscape Surveys: $9,050.00
- Visual Roof Surveys: $9,050.00 (Excludes Ken Windl Park based on budgeted work that will already occur this year)
- Visual Window & Wall Surveys: $9,825.00
- Visual HVAC Mechanical Surveys: $9,850.00

The City has used Industrial Roofing Services, Inc. (IRS) for its roof inspections and design. They performed very well for the City Hall project in 2019 and the Fire Department project a couple years ago. Each of their attached proposals identifies the scope of the work involved. Their reports are detailed and will be very useful for a CIP. The proposals were modified to expand the "annual budget summary" information to a 10-year period, as opposed to 5-year.
As was stated in the last Council Action pertaining to this item, if these proposals are approved, it would be necessary to use General Fund contingency appropriations. The combined total cost of the attached four proposals is $37,775.

As was also previously indicated in the last Council Action for this item, in addition to an evaluation of existing buildings, the 2020 budget document indicated that $20,000 would be spent during 2019 on a Needs Analysis for a “Highway Building addition.” The budget book estimated the building itself would be a $2,000,000 addition with $100,000 in design work. The appropriation for the Needs Analysis was never established in 2019, so a contract was not executed in the midst of all of the other tasks. The funding, therefore, fell to the bottom line or fund balance of the Capital Improvement Fund. The Finance Director will be bringing forward at a future meeting a budget modification to carry this funding forward to 2020, and the City Engineer will bring a consultant and contract forward to prepare the Needs Analysis. Having such a needs analysis is useful because it will provide a much more accurate assessment of the building needs and potential costs. This will enable the building and its costs to be worked into the full CIP with the appropriate funding and timing considerations. [Note: This review would not eliminate the need for the above evaluation. The IRS review will be more detailed in certain aspects and they would coordinate with the needs assessment contractor, thereby aiding that review.]

Conclusion: The Director of Inspection Services Scott Satula and Superintendent of Building Maintenance Bob Tesch both met with IRS and discussed the contents of each proposal in detail and recommend to the Common Council that the City accept the proposals from IRS and move forward with this work.

COUNCIL ACTION REQUESTED

Motion to authorize the Director of Inspection Services to execute all four proposals with Industrial Roofing Services, Inc. for Visual Hardscape Surveys ($9,050), Visual Roof Surveys ($9,050), Visual Window & Wall Surveys ($9,825), and Visual HVAC Mechanical Surveys ($9,850) of the multiple City facilities as outlined in each proposal - all totaling $37,775 - using General Fund contingency appropriations.

January 27, 2020

Mr. Scott Satula, Director of Inspection Services
City of Franklin
9229 W Loomis Road
Franklin, WI 53132

SUBJECT: Proposal to Complete Visual Hardscape Surveys of Multiple Facilities per Attached Facility List.

Dear Mr. Satula,

Industrial Roofing Services, Inc. is pleased to submit the following proposal to perform Visual Hardscape Surveys of the facilities indicated on the attached listing. This survey and the accompanying summaries will provide you with the information necessary to plan for any required hardscape work during the next ten (10) years, creating a hardscape management program to facilitate proactive asset management practices that result in reduced life-cycle costs of new and existing hardscape assets.

The results of these surveys will be available for your review through a secure client login via our Web Based Asset Management System at www.irsroof.com. Secure, web-based access to the information gathered during these surveys along with our observations and recommendations provide easy access to all information necessary to effectively manage your facilities hardscape assets.

IRS shall supply all services necessary to provide the following information:

**Site Plan Drawings:** IRS will create a CAD-generated site plan drawing of each facility as part of this proposal to identify individual hardscape areas and determine total square footage for the purpose of establishing budgets. The site plan drawings shall be representative of critical lot dimensions and show your hardscapes in relationship to main and secondary buildings, drainage receptor locations, parking layout, including ADA parking stalls, light pole positions, curbing, islands, adjoining roads, etc., to provide you with a graphic representation of the site discussed within the survey report.

**Safety Concerns:** We will identify any areas needing immediate attention to correct deficiencies which may pose a safety concern.

**Hardscape Conditions and Photographs:** IRS will examine the condition of each hardscape area, noting and documenting observed conditions, general drainage characteristics, excessive traffic patterns, etc. Conditions of each hardscape area will be confirmed and documented with photographs. The identification of current conditions and the status of one’s assets are important in developing a long-term hardscape asset management strategy. IRS will provide you with an overall assessment of appearance and conditions of each site. This may include observations of surrounding topography, which may adversely impact base or sub-base drainage of your hardscapes. Americans with Disabilities Act (ADA) compliance will also be noted.
Site Statistics: We will provide you with specific dimensions noting square footage, number of parking and handicap stalls, number of drainage components and light poles plus additional information as needed.

Paver Rating: We will evaluate the general condition of your hardscape areas using the Pavement Surface Evaluation and Rating System (1-10 – 10=best) Use of this standardized rating system provides the consistency and uniformity necessary for effective prioritization of spending in the most fiscally responsible manner possible for the protection and maintenance of your assets.

Recommendations and Estimated Costs: Based on the existing construction and conditions of each hardscape area, IRS will establish recommendations and accurate budget figures for both maintenance and/or capital expenditures which may be required over the next ten (10) years.

Annual Budget Summary: The recommendations and budgets will be compiled into a summary for any necessary maintenance and capital roofing expenditures over the next ten (10) years.
FEES

Industrial Roofing Services, Inc shall provide the above-described services for each of the facilities buildings on the attached "Facility List" for the lump sum fee of Nine Thousand Fifty Dollars ($9,050).

AUTHORIZATION

To acknowledge acceptance of this proposal, please return a signed copy of the Authorization page with any paperwork (e.g. a purchase order or signed contract) to our corporate headquarters:

Industrial Roofing Services, Inc
13000 West Silver Spring Drive
Butler, WI 53007
Fax (262) 432-0504

Upon receipt of a purchase order or signed contract we will enter the information in our system and schedule the work to be completed.

Should you have any questions regarding this proposal, please do not hesitate to call. We appreciate this opportunity and look forward to working with you on this project.

Sincerely yours,

W. Ryan Wilke, PE
Sr. Project Manager

Mr. Scott Satula, Director of Inspection Services  
City of Franklin  
9229 W Loomis Road  
Franklin, WI 53132

Subject  Proposal to complete Visual Roof Surveys of Multiple Facilities per Attached Facility List.

Dear Mr. Satula

Industrial Roofing Services, Inc. is pleased to submit the following proposal to perform Visual Roof Surveys of each roof area of the facilities indicated on the attached listing. These surveys and their accompanying summaries will provide you with the information necessary to plan required roofing work during the next ten (10) years, creating a roof management program to facilitate proactive asset management practices that result in reduced life-cycle costs of new and existing roof. The results of these surveys will be available for your review through a secure client login via our Web Based Asset Management Program at www.irsroof.com. Secure, web based access to the information gathered during this survey along with our observations and recommendations provide easy access to all information necessary to effectively manage your roof assets.

IRS shall supply all services necessary to provide the following information:

**Roof Plan Drawing:** IRS will create a scaled, CAD-generated roof plan of each facility to identify individual roof areas and determine total square footage for the purpose of establishing budgets. All perimeters will be shown on the plan.

**Roof Conditions and Photographs:** IRS will examine each roof system's general appearance to analyze flashing conditions, membrane surface conditions, general drainage characteristics, excessive traffic patterns, etc., and to identify the presence of any contaminants and/or previous repairs. The adjoining building walls will also be examined for conditions that could affect the performance of the roof system. Conditions of each roof area will be confirmed and documented with photographs.

**Recommendations and Estimated Costs:** Based on the existing construction and conditions of each roof area, IRS will establish recommendations and estimated costs for all roofing work that may be required over the next ten (10) years.

**Annual Budget Summary:** The recommendations and budgets will be compiled into a summary for any necessary maintenance and capital roofing expenditures over the next ten (10) years.
FEES

Industrial Roofing Services, Inc shall provide the above-described services for each of the facilities buildings on the attached "Facility List" for the lump sum fee of Nine Thousand Fifty Dollars ($9,050)

VISUAL WINDOW AND WALL SURVEY

of

MULTIPLE FACILITIES PER
ATTACHED FACILITY LIST

Submitted by

W RYAN WILKE, PE

Prepared for

Mr. Scott Satula
Director of Inspection Services
City of Franklin
9229 W Loomis Road
Franklin, WI 53132

January 27, 2020
January 27, 2020

Mr. Scott Satula, Director of Inspection Services
City of Franklin
9229 W Loomis Road
Franklin, WI 53132

SUBJECT: Proposal for a Visual Window and Wall Surveys of Multiple Facilities per Attached Facility List.

Dear Mr. Satula,

Industrial Roofing Services, Inc. is pleased to submit the following proposal to perform a visual survey of the exterior windows and walls of the facilities indicated on the attached listing. This survey and the accompanying summary will provide you with the information necessary to plan for necessary repair work during the next ten (10) years, creating a window and wall management program to facilitate proactive asset management practices that result in reduced life-cycle costs of new and existing wall systems.

The results of this survey will be available for your review through a secure client login via our Web Based Asset Management Program at www.irsroof.com. Secure, web based access to the information gathered during this survey along with our observations and recommendations provide easy access to all information necessary to effectively manage your window and wall assets.

IRS shall supply all services necessary to provide the following information:

**Building Elevation Drawings:** IRS will create CAD-generated drawings of building elevations. The elevation drawings will also be used to determine square footage and linear footage for the purpose of establishing budgets and locate deficiencies on individual elevations.

**Wall Conditions and Photographs:** IRS will examine each building elevation’s general appearance and locate identified problem areas on the elevation drawings, if applicable. Photographs of deficiencies will be taken and included as part of the survey.

**Window Conditions and Photographs:** IRS will examine the windows installed on each building elevation to identify their general appearance, condition, and construction. Problem windows will be located on the elevation drawings, if applicable. Photographs of observed deficiencies will be taken and included as part of the survey.

**Written Report:** IRS will compile the data gathered during the survey into a written report relating to the window and wall conditions in general and on individual building elevations, identifying the types and locations of any observed deficiencies.

**Recommendations and Estimated Costs:** Based on the existing construction and conditions, IRS will establish recommendations and an opinion of probable cost for all work that may be required over the next ten (10) years.
FEES

Industrial Roofing Services, Inc shall provide the above-described services for each of the facilities buildings on the attached "Facility List" for the lump sum fee of Nine Thousand Eight Hundred Twenty-Five Dollars ($9,825)

AUTHORIZATION

To acknowledge acceptance of this proposal, please return a signed copy of the Authorization page with any paperwork (i.e., a purchase order or signed contract) to our corporate headquarters

Industrial Roofing Services, Inc
13000 West Silver Spring Drive
Butler, WI 53007
Fax (262) 432-0504

Upon receipt of a purchase order or signed contract we will enter the information in our system and schedule the work to be completed.

Should you have any questions regarding this proposal, please do not hesitate to call. We appreciate this opportunity and look forward to working with you on this project.

Sincerely yours,
INDUSTRIAL ROOFING SERVICES, INC

Proposal for

VISUAL HVAC MECHANICAL SURVEY

Of

MULTIPLE FACILITIES PER ATTACHED FACILITY LIST

Submitted by

W RYAN WILKE, PE

Prepared for

Mr Scott Satula
Director of Inspection Services
City of Franklin
9229 W Loomis Road
Franklin, WI 53132

January 27, 2020
January 27, 2020

Mr. Scott Satula, Director of Inspection Services  
City of Franklin  
9229 W. Loomis Road  
Franklin, WI 53132

SUBJECT: Proposal to Complete a Visual HVAC Mechanical Survey for Multiple Facilities per Attached Facility List.

Dear Mr. Satula,

Industrial Roofing Services, Inc. is pleased to submit the following proposal to perform Visual HVAC Mechanical Surveys on your facilities. The surveys and the accompanying Survey Reports will provide you with the information required to plan for any replacement of HVAC mechanical equipment and improve budget forecasting for capital expenditures, and facilitate proactive asset management practices which result in reduced life-cycle costs of new and existing HVAC mechanical equipment.

IRS shall supply all services necessary to provide the following information:

- **HVAC Mechanical Plan Drawings:** IRS will create a scaled, CAD-generated roof plan of each facility to identify individual HVAC units and determine the quantity and capacity of the units for the purpose of establishing budgets.

- **HVAC Unit Conditions and Photographs:** IRS will examine each HVAC unit to analyze condenser and evaporator coil conditions, blower, compressor, and electrical compartment and overall general condition. Conditions of each HVAC unit will be confirmed and documented with photographs.

- **Equipment Function:** IRS will review the units for function, efficiency, and safety. Each of the system’s components will be checked and the units as a whole will be reviewed.

- **Recommendations and Estimated Costs:** IRS will establish recommendations and accurate budget figures based on the existing HVAC equipment’s age and condition. Probable costs and schedules will be provided for any HVAC equipment requiring replacement.

- **Annual Budget Summary:** The recommendations and budgets will be compiled into a summary for any necessary maintenance and capital roofing expenditures over the next ten (10) years.

"Asset Management Consultants"
FEES

Industrial Roofing Services, Inc shall provide the above-described services for each of the facilities buildings on the attached "Facility List" for the lump sum fee of Nine Thousand Eight Hundred and Fifty Dollars ($9,850.00).

AUTHORIZATION

To acknowledge acceptance of this proposal, please return a signed copy of the Authorization page with any paperwork (i.e., a purchase order or signed contract) to our corporate headquarters:

Industrial Roofing Services, Inc
13000 West Silver Spring Drive
Butler, WI 53007
Fax (262) 432-0504

Upon receipt of a purchase order or signed contract, we will enter the information in our system and schedule the work to be completed.

Should you have any questions regarding this proposal, please do not hesitate to call. We appreciate this opportunity and look forward to working with you on this project.

Sincerely yours,

IRS Proposal# 17351 Franklin Multi-Site Visual HVAC Mechanical Survey
BLANK PAGE
Background
Each year generally accepted accounting principles require a search for encumbrances. An encumbrance is a contract or written purchase order that was entered into or ordered during the 2019 fiscal year with the intent that the contract or purchase order would be completed in 2019 or the understanding that the project would take more than one fiscal year to complete. Projects meeting the definition of an encumbrance must have a portion of the fund balance reserved for the costs necessary to complete the project.

Analysis
For the year 2019 there are projects in General Fund, Development Fund, Capital Outlay Fund, Equipment Replacement, Street Improvement, Capital Improvement, TID 4, TID 5, TID 6, TID 7 and Sanitary Sewer Funds which should be encumbered.

Fiscal Impact
The fiscal impact of encumbrances to each of the funds is a 2020 use of the Jan 1 fund balance. The 2019 year-end financial reports and the year-end fund balances will include the impact of the encumbrances. Revenue was provided in 2019 but was unused. These actions allow those resources to be used without impacting respective 2020 budgets or the projects in process.

Recommendation
The Director of Finance & Treasurer recommends adoption of the attached Budget Amendment Ordinance.

COUNCIL ACTION REQUESTED
Motion adopting an Ordinance to amend Ordinance 2019-2398, an Ordinance adopting the 2020 annual budgets for the General Fund, Development Fund, Capital Outlay Fund, Equipment Replacement Fund, Street Improvement Fund, Capital Improvement Fund, TID 4, TID 5, TID 6, TID 7 Fund, and Sanitary Sewer Funds for the City of Franklin for fiscal year 2020 to approve budget encumbrances from the 2019 budget as amendments to the 2020 budget

Roll call vote needed

Finance Dept - Paul
AN ORDINANCE TO AMEND ORDINANCE 2019-2398, AN ORDINANCE ADOPTING THE 2020 ANNUAL BUDGETS FOR THE GENERAL FUND, DEVELOPMENT FUND, CAPITAL OUTLAY FUND, EQUIPMENT REPLACEMENT FUND, STREET IMPROVEMENT FUND, CAPITAL IMPROVEMENT FUND, TID 4, TID 5, TID 6, TID 7 FUNDS AND THE SANITARY SEWER FUND FOR THE CITY OF FRANKLIN FOR FISCAL YEAR 2020 TO APPROVE BUDGET ENCUMBRANCES FROM THE 2019 BUDGET AS AMENDMENTS TO THE 2020 BUDGET

WHEREAS, the Common Council of the City of Franklin adopted the 2020 Annual Budgets for the General Fund, Development Fund, Capital Outlay Fund, Equipment Replacement Fund, Street Improvement Fund, Capital Improvement, TID 4, TID 5, TID 6, TID 7 Funds, and Sanitary Sewer Fund; and

WHEREAS, certain monies included in the 2019 Annual Budgets of the respective funds were intended to be expended in 2019 and were committed for expenditure prior to December 31, 2019; and

WHEREAS, these amounts will be expended in 2020, and as a result, the related appropriations should be made available and appropriated in the 2020 budget; and

WHEREAS, Common Council has determined that it would be in the best interest of the City to approve such encumbrance in the 2020 budgets of the respective funds; and

WHEREAS, the Budget Appropriation Units will be adjusted for the items listed below.

NOW, THEREFORE, the Common Council of the City of Franklin does hereby ordain as follows:

Section 1 That certain encumbered funds of the 2019 budgeted amounts be transferred forward to the 2020 Annual Budget for the respective funds of the City of Franklin to pay for 2019 encumbrances as follows:

General Fund

BLANK PAGE
Per Section 13-2.A. of Chapter 13, "Budget", of the Franklin Municipal Code, it states that "Each year the Mayor shall present a budget timetable to the Common Council no later than March 1, for the review and approval of the Common Council."

Consistent with the budget practice that was approved by Common Council in July of 2012, the attached budget calendar establishes the timeline for annual Aldermanic consideration of the Mayor’s proposed 2021 budget. Recent budgets have had more expenditure growth than revenue opportunities, which is again expected. As such staff intends to provide a big picture overview at a July Committee of the Whole meeting to provide that preview and give Council an opportunity to provide direction in balancing the budget. It continues with the initial distribution of the Mayor’s proposed budget and concludes with the Common Council meeting for the public hearing and adoption of the annual budget. As with recent years, the calendar provides time for Aldermen to contact Department Heads directly with questions and for Aldermen to work together in Committee to review the proposed budget and/or meet with staff.

This year’s proposed schedule generally reflects the schedule used in recent years with the regular Common Council meeting for Tuesday, September 15, for presentation and overview of the Mayor’s recommended budget and major budget initiatives. The remainder of the budget timetable coincides with regularly scheduled Committee of the Whole and Common Council meetings and provides time for additional special meetings if determined necessary at the discretion of the Council at that time. A special Common Council meeting for the budget hearing and adoption is not necessary since the second meeting of November is on the 17th and is not during the same week as Thanksgiving. This time frame still allows sufficient time needed to prepare and distribute property tax bills. [Note that if, in the future, the Common Council alters its regular summer meeting schedule or alters the October/November meeting schedule, the budget calendar dates would be adjusted accordingly.]

As noted in prior years, the November 17th public hearing date does not provide an opportunity to delay adoption of the budget to a future regular Common Council meeting due to the work necessary to prepare and distribute property tax bills. As such, if not adopted on November 17th, then a Special Common Council meeting for shortly thereafter would be necessary. The expectation is that this would not be necessary as the Common Council would already have had the budget to consider for 9 weeks.

**COUNCIL ACTION REQUESTED**

Motion to adopt the 2021 Annual Budget - Budget Preparation Timetable, dated February 17, 2020, as presented, subject to any future regular meeting schedule changes if so made by the Common Council.
CITY OF FRANKLIN
