WHEREAS, on January 8, 2019, the Common Council of the City also adopted a resolution (the "Set Sale Resolution"), providing that the general obligation bond issue authorized by the Initial Resolution be issued and sold as bonds designated as "General Obligation Community Development Bonds, Series 2019B" (the "Bonds") for the purpose of paying the cost of the Project;

WHEREAS, pursuant to the Set Sale Resolution, the City has directed Ehlers & Associates, Inc. ("Ehlers") to take the steps necessary to sell the Bonds to pay the cost of the Project;

WHEREAS, the City Clerk (in consultation with Ehlers) caused a form of notice of the sale to be published and/or announced and caused the Notice of Sale to be distributed to potential bidders offering the Bonds for public sale on February 5, 2019;

* Preliminary, subject to change.

WHEREAS, the City has duly received bids for the Bonds as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation"); and

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Notice of Sale and is deemed to be the most advantageous to the City. Ehlers has recommended that the City accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City that:

Section 1. Ratification of the Notice of Sale and Offering Materials. The Common Council hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Notice of Sale and any other offering materials prepared and circulated by Ehlers are hereby ratified and approved in all respects. All actions taken by officers of the City and Ehlers in connection with the preparation and distribution of the Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1A. Award of the Bonds. Subject to the condition that no valid petition for referendum is timely filed, the Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal, plus accrued interest to the date of delivery, resulting in a true interest cost as set forth on the Proposal, is hereby accepted. The Mayor and City Clerk or other appropriate officers of the City are authorized and directed to execute an acceptance of the Proposal on behalf of the City. The good faith deposit of the Purchaser shall be retained by the City Treasurer and applied in accordance with the Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Community Development Bonds, Series 2019B"; shall be issued in the aggregate principal amount of \$6,570,000*; shall be dated February 20, 2019; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on March 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on March 1 and September 1 of each year commencing on September 1, 2019. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

* Preliminary, subject to change.

Section 3. Redemption Provisions. The Bonds maturing on March 1, 2027 and thereafter shall be subject to redemption prior to maturity, at the option of the City, on March 1, 2026 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the City, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

【If the Proposal specifies that any of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the City shall direct.】

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2019 through 2033 for payments due in the years 2019 through 2034 in the amounts set forth on the Schedule. The amount of tax levied in the year 2019 shall be the total amount of debt service due on the Bonds in the years 2019 and 2020; provided that the amount of such tax carried onto the tax rolls shall be abated by any amounts appropriated pursuant to subsection (D) below which are applied to payment of principal of or interest on the Bonds in the year 2019.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

(D) Appropriation. The City hereby appropriates from taxes levied in anticipation of the issuance of the Bonds, proceeds of the Bonds, or other funds of the City on hand a sum sufficient to be irrevocably deposited in the segregated Debt Service Fund Account

created below and used to pay debt service on the Bonds coming due in 2019 as set forth on the Schedule.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Community Development Bonds, Series 2019B" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Bonds; (ii) any premium which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose or purposes for which borrowed or for the payment of the principal of and the interest on the Bonds. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Bonds have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of

delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by the City Clerk or the City Treasurer (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the City Clerk or other authorized representative

of the City is authorized and directed to execute and deliver to DTC on behalf of the City to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the City Clerk's office.

Section 15. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of the proceeds of the Bonds allocable to the payment of issuance expenses to KleinBank, Chaska, Minnesota at Closing for further distribution as directed by Ehlers.

Section 16. Official Statement. The Common Council hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Mayor and City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 18. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Introduced at a regular meeting of the Common Council of the City of Franklin this 5th day of February, 2019.

FOR VALUE RECEIVED, the City of Franklin, Milwaukee County, Wisconsin (the "City"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on March 1 and September 1 of each year commencing on September 1, 2019 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by the City Clerk or City Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the City are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$6,570,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the City pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the public purpose of paying the cost of providing financial assistance to community development projects under Section 66.1105, Wisconsin Statutes, in the City's Tax Incremental

District No. 6; as authorized by resolutions adopted on January 8, 2019 and February 5, 2019. Said resolutions are recorded in the official minutes of the Common Council for said dates.

The Bonds maturing on March 1, 2027 and thereafter are subject to redemption prior to maturity, at the option of the City, on March 1, 2026 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the City, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____ are subject to mandatory redemption by lot as provided in the resolution awarding the Bonds, at the redemption price of par plus accrued interest to the date of redemption and without premium.]

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the City, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond is transferable only upon the books of the City kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the City appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the

City for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and City may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, the City of Franklin, Milwaukee County, Wisconsin, by its governing body, has caused this Bond to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Mayor and City Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.

INTRODUCTORY STATEMENT

This Preliminary Official Statement contains certain information regarding the City of Franklin, Wisconsin (the "City") and the issuance of its \$6,570,000* General Obligation Community Development Bonds, Series 2019B (the "Bonds"). Any descriptions or summaries of the Bonds, statutes, or documents included herein are not intended to be complete and are qualified in their entirety by reference to such statutes and documents and the form of the Bonds to be included in the resolution awarding the sale of the Bonds ("Award Resolution") to be adopted by the Common Council on February 5, 2019.

Inquiries may be directed to Ehlers and Associates, Inc. ("Ehlers" or the "Municipal Advisor"), Waukesha, Wisconsin, (262) 785-1520, the City's Municipal Advisor. A copy of this Preliminary Official Statement may be downloaded from Ehlers' web site at www.ehlers-inc.com by connecting to the link to the Bond Sales and following the directions at the top of the site.

THE BONDS

GENERAL

The Bonds will be issued in fully registered form as to both principal and interest in denominations of \$5,000 each or any integral multiple thereof, and will be dated, as originally issued, as of February 20, 2019. The Bonds will mature on March 1 in the years and amounts set forth on the cover of this Preliminary Official Statement. Interest will be payable on March 1 and September 1 of each year, commencing September 1, 2019, to the registered owners of the Bonds appearing of record in the bond register as of the close of business on the 15th day (whether or not a business day) of the immediately preceding month. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to rules of the Municipal Securities Rulemaking Board ("MSRB"). **The rate for any maturity may not be more than 1.00% less than the rate for any preceding maturity. (For example, if a rate of 4.50% is proposed for the 2022 maturity, then the lowest rate that may be proposed for any later maturity is 3.50%.)** All Bonds of the same maturity must bear interest from the date of issue until paid at a single, uniform rate. Each rate must be expressed in an integral multiple of 5/100 or 1/8 of 1%.

Unless otherwise specified by the purchaser, the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). (See "Book-Entry-Only System" herein.) As long as the Bonds are held under the book-entry system, beneficial ownership interests in the Bonds may be acquired in book-entry form only, and all payments of principal of, premium, if any, and interest on the Bonds shall be made through the facilities of DTC and its participants. If the book-entry system is terminated, principal of, premium, if any, and interest on the Bonds shall be payable as provided in the Award Resolution.

The City may designate a City officer or select a bank or trust company to act as paying agent (the "Paying Agent"). If a bank or trust company is selected as Paying Agent, the City will pay the charges for Paying Agent services. The City reserves the right to remove the Paying Agent and to appoint a successor.

OPTIONAL REDEMPTION

At the option of the City, the Bonds maturing on or after March 1, 2027 shall be subject to optional redemption prior to maturity on March 1, 2026 or any date thereafter, at a price of par plus accrued interest.

*Preliminary, subject to change.

Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be redeemed shall be at the discretion of the City. If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

AUTHORITY; PURPOSE

The Bonds are being issued pursuant to Section 67.04, Wisconsin Statutes, for the public purpose of paying the cost of providing financial assistance to community development projects under Section 66.1105 of the Wisconsin Statutes, in the City's Tax Incremental District No. 6.

SECURITY

For the prompt payment of the Bonds with interest thereon and for the levy of taxes sufficient for this purpose, the full faith, credit and resources of the City will be irrevocably pledged. The City will levy a direct, annual, irrevocable tax on all taxable property in the City sufficient to pay the interest on the Bonds when it becomes due and also to pay and discharge the principal on the Bonds at maturity, in compliance with Article XI, Section 3 of the Wisconsin Constitution. Such tax may, under current law, be levied without limitation as to rate or amount.

RATING

General obligation debt of the City, with the exception of any outstanding credit enhanced issues, is currently rated "Aa2" by Moody's Investors Service, Inc. ("Moody's").

The City has requested a rating on the Bonds from Moody's, and bidders will be notified as to the assigned rating prior to the sale. Such rating reflects only the views of such organization and explanations of the significance of such rating may be obtained from Moody's. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if in the judgment of such rating agency circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

Such rating is not to be construed as a recommendation of the rating agency to buy, sell or hold the Bonds, and the rating assigned by the rating agency should be evaluated independently. Except as may be required by the Disclosure Undertaking described under the heading "CONTINUING DISCLOSURE" neither the City nor the underwriter undertake responsibility to bring to the attention of the owner of the Bonds any proposed changes in or withdrawal of such rating or to oppose any such revision or withdrawal.

CONTINUING DISCLOSURE

In order to assist the underwriters in complying with Rule 15c2-12 promulgated by the Securities and Exchange Commission, pursuant to the Securities Exchange Act of 1934, as amended (the "Rule"), the City shall covenant to take certain actions pursuant to the Award Resolution adopted by the Common Council by entering into a Continuing Disclosure Certificate (the "Disclosure Undertaking") for the benefit of holders, including beneficial holders. The Disclosure Undertaking requires the City to provide electronically or in the manner otherwise prescribed certain financial information annually and to provide notices of the occurrence of certain events enumerated in the Rule. The details and terms of the Disclosure Undertaking for the Bonds are set forth in Appendix D to be executed and delivered by the City at the time of delivery of the Bonds. Such Disclosure Undertaking will be in substantially the form attached hereto.

The City did not timely file notice of certain bond insurer rating changes during the previous five years. Except to the extent the preceding is deemed to be material, in the previous five years the City believes it has not failed to comply in all material respects with its prior undertakings under the Rule. The City has reviewed its continuing disclosure responsibilities to help ensure compliance in the future.

A failure by the City to comply with the Disclosure Undertaking will not constitute an event of default on the Bonds. However, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

The City will file its continuing disclosure information using the Electronic Municipal Market Access ("EMMA") system or any system that may be prescribed in the future. Investors will be able to access continuing disclosure information filed with the MSRB at www.emma.msrb.org. Ehlers is currently engaged as disclosure dissemination agent for the City.

LEGAL MATTERS

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the City, and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding general obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding). (See "FORM OF LEGAL OPINION" found in Appendix B.)

Quarles & Brady LLP has also been retained by the City to serve as Disclosure Counsel to the City with respect to the Bonds. Although, as Disclosure Counsel to the City, Quarles & Brady LLP has assisted the City with certain disclosure matters, Quarles & Brady LLP has not undertaken to independently verify the accuracy, completeness or sufficiency of this Official Statement or other offering material relating to the Bonds and assumes no responsibility whatsoever nor shall have any liability to any other party for the statements or information contained or incorporated by reference in this Official Statement. Further, Quarles & Brady LLP makes no representation as to the suitability of the Bonds for any investor.

TAX EXEMPTION

Quarles & Brady LLP, Milwaukee, Wisconsin, Bond Counsel, will deliver a legal opinion with respect to the federal income tax exemption applicable to the interest on the Bonds under existing law substantially in the following form:

"The interest on the Bonds is excludable for federal income tax purposes from the gross income of the owners of the Bonds. The interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed by Section 55 of the Internal Revenue Code of 1986, as amended (the "Code") on individuals. The Code contains requirements that must be satisfied subsequent to the issuance of the Bonds in order for interest on the Bonds to be or continue to be excludable from gross income for federal income tax purposes. Failure to comply with certain of those requirements could cause the interest on the Bonds to be included in gross income retroactively to the date of issuance of the Bonds. The City has agreed to comply with all of those requirements. The opinion set forth in the first sentence of this paragraph is subject to the condition that the City comply with those requirements. We express no opinion regarding other federal tax consequences arising with respect to the Bonds."

The interest on the Bonds is not exempt from present Wisconsin income or franchise taxes.

Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers. Bond Counsel will not express any opinion as to such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors as to collateral federal income tax consequences.

From time to time legislation is proposed, and there are or may be legislative proposals pending in the Congress of the United States that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether, or in what form, any proposal that could alter one or more of the federal tax matters referred to above or adversely affect the market value of the Bonds may be enacted. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

ORIGINAL ISSUE DISCOUNT

To the extent that the initial public offering price of certain of the Bonds is less than the principal amount payable at maturity, such Bonds ("Discounted Bonds") will be considered to be issued with original issue discount. The original issue discount is the excess of the stated redemption price at maturity of a Discounted Bond over the initial offering price to the public, excluding underwriters or other intermediaries, at which price a substantial amount of such Discounted Bonds were sold (issue price). With respect to a taxpayer who purchases a Discounted Bond in the initial public offering at the issue price and who holds such Discounted Bond to maturity, the full amount of original issue discount will constitute interest that is not includible in the gross income of the owner of such Discounted Bond for federal income tax purposes and such owner will not, subject to the caveats and provisions herein described, realize taxable capital gain upon payment of such Discounted Bond upon maturity.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discounted Bond, on days that are determined by reference to the maturity date of such Discounted Bond. The amount treated as original issue discount on a Discounted Bond for a particular semiannual accrual period is generally equal to (a) the product of (i) the yield to maturity for such Discounted Bond (determined by compounding at the close of each accrual period) and (ii) the amount that would have been the tax basis of such Discounted Bond at the beginning of the particular accrual period if held by the original purchaser; and less (b) the amount of any interest payable for such Discounted Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discounted Bond the sum of the amounts that have been treated as original issue discount for such purposes during all prior periods. If a Discounted Bond is sold or exchanged between semiannual compounding dates, original issue discount that would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

For federal income tax purposes, the amount of original issue discount that is treated as having accrued with respect to such Discounted Bond is added to the cost basis of the owner in determining gain or loss upon disposition of a Discounted Bond (including its sale, exchange, redemption, or payment at maturity). Amounts received upon disposition of a Discounted Bond that are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain.

The accrual or receipt of original issue discount on the Discounted Bonds may result in certain collateral federal income tax consequences for the owners of such Discounted Bonds. The extent of these collateral tax consequences will depend upon the owner's particular tax status and other items of income or deduction.

The Code contains additional provisions relating to the accrual of original issue discount. Owners who purchase Discounted Bonds at a price other than the issue price or who purchase such Discounted Bonds in the secondary market should consult their own tax advisors with respect to the tax consequences of owning the Discounted Bonds. Under the applicable provisions governing the determination of state and local taxes, accrued interest on the Discounted Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment until a later year. Owners of Discounted Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Discounted Bonds.

BOND PREMIUM

To the extent that the initial offering price of certain of the Bonds is more than the principal amount payable at maturity, such Bonds ("Premium Bonds") will be considered to have bond premium.

Any Premium Bond purchased in the initial offering at the issue price will have "amortizable bond premium" within the meaning of Section 171 of the Code. The amortizable bond premium of each Premium Bond is calculated on a daily basis from the issue date of such Premium Bond until its stated maturity date (or call date, if any) on the basis of a constant interest rate compounded at each accrual period (with straight line interpolation between the

compounding dates). An owner of a Premium Bond that has amortizable bond premium is not allowed any deduction for the amortizable bond premium; rather the amortizable bond premium attributable to a taxable year is applied against (and operates to reduce) the amount of tax-exempt interest payments on the Premium Bonds. During each taxable year, such an owner must reduce his or her tax basis in such Premium Bond by the amount of the amortizable bond premium that is allocable to the portion of such taxable year during which the holder held such Premium Bond. The adjusted tax basis in a Premium Bond will be used to determine taxable gain or loss upon a disposition (including the sale, exchange, redemption, or payment at maturity) of such Premium Bond.

Owners of Premium Bonds who did not purchase such Premium Bonds in the initial offering at the issue price should consult their own tax advisors with respect to the tax consequences of owning such Premium Bonds. Owners of Premium Bonds should consult their own tax advisors with respect to the state and local tax consequences of owning the Premium Bonds.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will NOT designate the Bonds as "qualified tax-exempt obligations" pursuant to Section 265 of the Internal Revenue Code of 1986, as amended, which permits financial institutions to deduct interest expenses allocable to the Bonds to the extent permitted under prior law.

MUNICIPAL ADVISOR

Ehlers has served as municipal advisor to the City in connection with the issuance of the Bonds. The Municipal Advisor cannot participate in the underwriting of the Bonds. The financial information included in this Official Statement has been compiled by the Municipal Advisor. Such information does not purport to be a review, audit or certified forecast of future events and may not conform with accounting principles applicable to compilations of financial information. Ehlers is not a firm of certified public accountants. Ehlers is registered with the Securities and Exchange Commission and the MSRB as a Municipal Advisor.

MUNICIPAL ADVISOR AFFILIATED COMPANIES

Bond Trust Services Corporation ("BTSC") and Ehlers Investment Partners, LLC ("EIP") are affiliate companies of Ehlers. BTSC is chartered by the State of Minnesota and authorized in Minnesota, Wisconsin, Colorado, and Illinois to transact the business of a limited purpose trust company. BTSC provides paying agent services to debt issuers. EIP is a Registered Investment Advisor with the Securities and Exchange Commission. EIP assists issuers with the investment of bond proceeds or investing other issuer funds. This includes escrow bidding agent services. Issuers, such as the City, have retained or may retain BTSC and/or EIP to provide these services. If hired, BTSC and/or EIP would be retained by the City under an agreement separate from Ehlers.

INDEPENDENT AUDITORS

The basic financial statements of the City for the fiscal year ended December 31, 2017 have been audited by Baker Tilly Virchow Krause, LLP, Milwaukee, Wisconsin, independent auditors (the "Auditor"). The report of the Auditor, together with the basic financial statements, component units financial statements, and notes to the financial statements are attached hereto as "APPENDIX A – FINANCIAL STATEMENTS". The Auditor has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. The Auditor also has not performed any procedures relating to this Official Statement.

RISK FACTORS

Following is a description of possible risks to holders of the Bonds without weighting as to probability. This description of risks is not intended to be all-inclusive, and there may be other risks not now perceived or listed here.

Taxes: The Bonds are general obligations of the City, the ultimate payment of which rests in the City's ability to levy and collect sufficient taxes to pay debt service. In the event of delayed billing, collection or distribution of property taxes, sufficient funds may not be available to the City in time to pay debt service when due.

State Actions: Many elements of local government finance, including the issuance of debt and the levy of property taxes, are controlled by state government. Future actions of the state may affect the overall financial condition of the City, the taxable value of property within the City, and the ability of the City to levy and collect property taxes.

Future Changes in Law: Various State and federal laws, regulations and constitutional provisions apply to the City and to the Bonds. The City can give no assurance that there will not be a change in or interpretation of any such applicable laws, regulations and provisions which would have a material effect on the City or the taxing authority of the City.

Ratings; Interest Rates: In the future, the City's credit rating may be reduced or withdrawn, or interest rates for this type of obligation may rise generally, either possibility resulting in a reduction in the value of the Bonds for resale prior to maturity.

Tax Exemption: If the federal government taxes all or a portion of the interest on municipal bonds or notes or if the State government increases its tax on interest on bonds and notes, directly or indirectly, or if there is a change in federal or state tax policy, then the value of these Bonds may fall for purposes of resale. Noncompliance by the City with the covenants in the Award Resolution relating to certain continuing requirements of the Code may result in inclusion of interest to be paid on the Bonds in gross income of the recipient for United States income tax purposes, retroactive to the date of issuance.

Continuing Disclosure: A failure by the City to comply with the Disclosure Undertaking for continuing disclosure (see "CONTINUING DISCLOSURE") will not constitute an event of default on the Bonds. Any such failure must be reported in accordance with the Rule and must be considered by any broker, dealer, or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

Book-Entry-Only System: The timely credit of payments for principal and interest on the Bonds to the accounts of the Beneficial Owners of the Bonds may be delayed due to the customary practices, standing instructions or for other unknown reasons by DTC participants or indirect participants. Since the notice of redemption or other notices to holders of these obligations will be delivered by the City to DTC only, there may be a delay or failure by DTC, DTC participants or indirect participants to notify the Beneficial Owners of the Bonds.

Depository Risk: Wisconsin Statutes direct the local treasurer to immediately deposit upon receipt thereof, the funds of the municipality in a public depository designated by the governing body. A public depository means a federal or state credit union, federal or state savings and loan association, state bank, savings and trust company, mutual savings bank or national bank in Wisconsin or the local government pooled investment fund operated by the State Investment Board. It is not uncommon for a municipality to have deposits exceeding limits of federal and state insurance programs. Failure of a depository could result in loss of public funds or a delay in obtaining them. Such a loss or delay could interrupt a timely payment of municipal debt.

Economy: A combination of economic, climatic, political or civil disruptions or terrorist actions outside of the control of the City, including loss of major taxpayers or major employers, could affect the local economy and result in reduced tax collections and/or increased demands upon local government. Real or perceived threats to the financial stability of the City may have an adverse effect on the value of the Bonds in the secondary market.

Secondary Market for the Bonds: No assurance can be given that a secondary market will develop for the purchase and sale of the Bonds or, if a secondary market exists, that such Bonds can be sold for any particular price. The underwriters are not obligated to engage in secondary market trading or to repurchase any of the Bonds at the request of the owners thereof. Prices of the Bonds as traded in the secondary market are subject to adjustment upward and downward in response to changes in the credit markets and other prevailing circumstances. No guarantee exists as to the future market value of the Bonds. Such market value could be substantially different from the original purchase price.

Bankruptcy: The rights and remedies of the holders may be limited by and are subject to the provisions of federal bankruptcy laws, to other laws, or equitable principles that may affect the enforcement of creditors' rights, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against local governments. The opinion of Bond Counsel to be delivered with respect to the Bonds will be similarly qualified. See "MUNICIPAL BANKRUPTCY" herein.

Cybersecurity: The City is dependent on electronic information technology systems to deliver services. These systems may contain sensitive information or support critical operational functions which may have value for unauthorized purposes. As a result, the electronic systems and networks may be targets of cyberattack. There can be no assurance that the City will not experience an information technology breach or attack with financial consequences that could have a material adverse impact.

VALUATIONS

WISCONSIN PROPERTY VALUATIONS; PROPERTY TAXES

Equalized Value

Section 70.57, Wisconsin Statutes, requires the Department of Revenue to annually determine the equalized value (also referred to as full equalized value or aggregate full value) of all taxable property in each county and taxation district. The equalized value is an independent estimate of value used to equate individual local assessment policies so that property taxes are uniform throughout the various subdivisions in the State. Equalized value is calculated based on the history of comparable sales and information about value changes or taxing status provided by the local assessor. A comparison of the State-determined equalized value and the local assessed value, expressed as a percentage, is known as the assessment ratio or level of assessment. The Department of Revenue notifies each county and taxing jurisdiction of its equalized value on August 15; school districts are notified on October 1. The equalized value of each county is the sum of the valuations of all cities, villages, and towns within its boundaries. Taxing jurisdictions lying in more than one municipality, such as counties, school districts, or special taxing districts, use the equalized value of the underlying units in calculating and levying their respective levies. Equalized values are also used to apportion state aids and calculate municipal general obligation debt limits.

Assessed Value

The "assessed value" of taxable property in a municipality is determined by the local assessor, except for manufacturing properties which are valued by the State. Each city, village or town retains its own local assessor, who must be certified by the State Department of Revenue. Assessed value is used by these municipalities to determine tax levy mill rates and to apportion levies among individual property owners. Each taxing district must assess property at full value at least once in every five-year period. The State requires that the assessed values must be within 10% of State equalized values at least once every four years. The local assessor values property as of January 1 each year and submits those values to each municipality by the second Monday in June. The assessor also reports any value changes taking place since the previous year, to the Department of Revenue, by the second Monday in June.

TAX LEVIES AND COLLECTIONS

2018/19	21,389,375	In process	5.45

Property tax statements are distributed to taxpayers by the town, village, and city treasurers in December of the levy year. Current state law requires counties to pay 100% of the real property taxes levied to cities, villages, towns, school districts and other taxing entities on or about August 20 of the collection year.

Personal property taxes, special assessments, special charges and special taxes must be paid to the town, city or village treasurer in full by January 31, unless the municipality, by ordinance, permits special assessments to be paid in installments. Real property taxes must be paid in full by January 31 or in two equal installments by January 31 and July 31. Alternatively, municipalities may adopt a payment plan which permits real property taxes to be paid in three or more equal installments, provided that the first installment is paid by January 31, one-half of the taxes are paid by April 30 and the remainder is paid by July 31. Amounts paid on or before January 31 are paid to the town, city or village treasurer. Amounts paid after January 31, are paid to the county treasurer unless the municipality has authorized payment in three or more installments in which case payment is made to the town, city or village treasurer. On or before January 15 and February 20 the town, city or village treasurer settles with other taxing jurisdictions for all collections through December and January, respectively. In municipalities which have authorized the payment of real property taxes in three or more installments, the town, city or village treasurer settles with the other taxing jurisdictions on January 15, February 20 and on the fifteenth day of each month following the month in which an installment payment is required. On or before August 20, the county treasurer must settle in full with the underlying taxing districts for all real property taxes and special taxes. Any county board may authorize its county treasurer to also settle in full with the underlying taxing districts for all special assessments and special charges. The county may then recover any tax delinquencies by enforcing the lien on the property and retain any penalties or interest on the delinquencies for which it has settled. Uncollected personal property taxes owed by an entity that has ceased operations or filed a petition for bankruptcy, or are due on personal property that has been removed from the next assessment roll are collected from each taxing entity in the year following the levy year.

PROPERTY TAX RATES

Full value rates for property taxes expressed in dollars per \$1,000 of equalized value (excluding tax increment valuation) that have been collected in recent years have been as follows:

LEVY LIMITS

Section 66.0602 of the Wisconsin Statutes, imposes a limit on property tax levies by cities, villages, towns and counties. No city, village, town or county is permitted to increase its tax levy by a percentage that exceeds its valuation factor (which is defined as a percentage equal to the greater of either the percentage change in the political subdivision's January 1 equalized value due to new construction less improvements removed between the previous year and the current or zero percent). The base amount in any year to which the levy limit applies is the actual levy for the immediately preceding year.

In 2018, and in each year thereafter, the base amount is the actual levy for the immediately preceding year plus the amount of the payment from the State under Section 79.096 of the Wisconsin Statutes (an amount equal to the property taxes formerly levied on certain items of personal property), and the levy limit is the base amount multiplied by the valuation factor, minus the amount of the payment from the State under Section 79.096 of the Wisconsin Statutes. This levy limitation is an overall limit, applying to levies for operations as well as for other purposes.

A political subdivision that did not levy its full allowable levy in the prior year can carry forward the difference between the allowable levy and the actual levy, up to a maximum of 1.5% of the prior year's actual levy. The use of the carry forward levy adjustment needs to be approved by a majority vote of the political subdivision's governing body (except in the case of towns) if the amount of carry forward levy adjustment is less than or equal to 0.5% and by a super majority vote of the political subdivision's governing body (three-quarters vote if the governing body is comprised of five or more members, two-thirds vote if the governing body is comprised of fewer than five members) (except in the case of towns) if the amount of the carry forward levy adjustment is greater than 0.5% up to the maximum increase of 1.5%.

¹ The Schools tax rate reflects the composite rate of all local school districts and technical college district.

² Includes the state reforestation tax which is apportioned to each county on the basis of its full value. Counties, in turn, apportion the tax to the tax districts within their borders on the basis of full value. It also includes taxes levied for special purpose districts such as metropolitan sewerage districts, sanitary districts, and public inland lake protection districts. Tax increment values are not included. State property taxes were eliminated in the State's 2017 - 2019 budget act.

Beginning with levies imposed in 2015, if a political subdivision does not make an adjustment in its levy as described in the above paragraph in the current year, the political subdivision may increase its levy by the aggregate amount of the differences between the political subdivision's valuation factor in the previous year and the actual percent increase in a political subdivision's levy attributable to the political subdivision's valuation factor in the previous year, for the five years before the current year, less any amount of such aggregate amount already claimed as an adjustment in any of the previous five years. The calculation of the aggregate amount available for such adjustment may not include any year before 2014, and the maximum adjustment allowed may not exceed 5%. The use of the adjustment described in this paragraph requires approval by a two-thirds vote of the political subdivision's governing body, and the adjustment may only be used if the political subdivision's level of outstanding general obligation debt in the current year is less than or equal to the political subdivision's level of outstanding general obligation debt in the previous year.

Special provisions are made with respect to property taxes levied to pay general obligation debt service. Those are described below. In addition, the statute provides for certain other exclusions from and adjustments to the tax levy limit. Among the items excluded from the limit are amounts levied for any revenue shortfall for debt service on a revenue bond issued under Section 66.0621. Among the adjustments permitted is an adjustment applicable when a tax increment district terminates, which allows an amount equal to the prior year's allowable levy multiplied by 50% of the political subdivision's percentage growth due to the district's termination.

With respect to general obligation debt service, the following provisions are made:

- (a) If a political subdivision's levy for the payment of general obligation debt service, including debt service on debt issued or reissued to fund or refund outstanding obligations of the political subdivision and interest on outstanding obligations of the political subdivision, on debt originally issued before July 1, 2005, is less in the current year than in the previous year, the political subdivision is required to reduce its levy limit in the current year by the amount of the difference between the previous year's levy and the current year's levy.
- (b) For obligations authorized before July 1, 2005, if the amount of debt service in the preceding year is less than the amount of debt service needed in the current year, the levy limit is increased by the difference between the two amounts. This adjustment is based on scheduled debt service rather than the amount actually levied for debt service (after taking into account offsetting revenues such as sales tax revenues, special assessments, utility revenues, tax increment revenues or surplus funds). Therefore, the levy limit could negatively impact political subdivisions that experience a reduction in offsetting revenues.
- (c) The levy limits do not apply to property taxes levied to pay debt service on general obligation debt authorized on or after July 1, 2005.

The Bonds were authorized after July 1, 2005 and therefore the levy limits do not apply to taxes levied to pay debt service on the Bonds.

THE ISSUER

CITY GOVERNMENT

The City was incorporated in 1956 and is governed by a Mayor and a six-member Common Council. The Mayor does not vote except in the case of a tie. All Council Members are elected to three-year terms. The appointed City Clerk is responsible for administrative details and financial records.

EMPLOYEES; PENSIONS

The City employs a staff of 195 full-time, 50 part-time, and 1 seasonal employees. All eligible public safety employees in the City are covered under the Wisconsin Retirement System ("WRS") established under Chapter 40 of the Wisconsin Statutes ("Chapter 40"). All employees hired after January 1, 2019 participate in the WRS in lieu of supplemental pension benefits. Existing employees made an irrevocable election to join WRS as of January 1, 2019 or to remain in the supplemental pension. The WRS is a cost-sharing multiple-employer defined benefit pension plan. The Department of Employee Trust Funds ("ETF") administers the WRS. Required contributions to the WRS are determined by the ETF Board pursuant to an annual actuarial valuation in accordance with Chapter 40 and the ETF's funding policies. The ETF Board has stated that its funding policy is to (i) ensure funds are adequate to pay benefits; (ii) maintain stable and predictable contribution rates for employers and employees; and (iii) maintain inter-generational equity to ensure the cost of the benefits is paid for by the generation that receives the benefits.

City employees are generally required to contribute half of the actuarially determined contributions, and the City generally may not pay the employees' required contribution. During the fiscal year ended December 31, 2015 ("Fiscal Year 2015"), the fiscal year ended December 31, 2016 ("Fiscal Year 2016") and the fiscal year ended December 31, 2017 ("Fiscal Year 2016"), the City's portion of contributions to WRS (not including any employee contributions) totaled \$815,219, \$803,686 and \$818,075 respectively.

The City implemented Governmental Accounting Standards Board Statement No. 68 ("GASB 68") for Fiscal Year 2015.

GASB 68 requires calculation of a net pension liability for the pension plan. The net pension liability is calculated as the difference between the pension plan's total pension liability and the pension plan's fiduciary net position. The pension plan's total pension liability is the present value of the amounts needed to pay pension benefits earned by each participant in the pension plan based on the service provided as of the date of the actuarial valuation. In other words, it is a measure of the present value of benefits owed as of a particular date based on what has been earned only up to that date, without taking into account any benefits earned after that date. The pension plan's fiduciary net position is the market value of plan assets formally set aside in a trust and restricted to paying pension plan benefits. If the pension plan's total pension liability exceeds the pension plan's fiduciary net position, then a net pension liability results. If the pension plan's fiduciary net position exceeds the pension plan's total pension liability, then a net pension asset results.

As of December 31, 2016, the total pension liability of the WRS was calculated as \$93.4 billion and the fiduciary net position of the WRS was calculated as \$92.6 billion, resulting in a net pension liability of \$0.8 billion.

Under GASB 68, each participating employer in a cost-sharing pension plan must report the employer's proportionate share of the net pension liability or net pension asset of the pension plan. Accordingly, for Fiscal Year 2017, the City reported a liability of \$692,662, for its proportionate share of the net pension liability of the WRS. The net pension liability was measured as of December 31, 2016, based on the City's share of contributions to the pension plan relative to the contributions of all participating employers. The City's proportion was 0.08403662% of the aggregate WRS net pension liability, as of December 31, 2016.

The calculation of the total pension liability and fiduciary net position are subject to a number of actuarial assumptions, which may change in future actuarial valuations. Such changes may have a significant impact on the calculation of net pension liability of the WRS, which may also cause the ETF Board to change the contribution requirements for employers and employees. For more detailed information regarding the WRS and such actuarial assumptions, see Note 4.A. in "APPENDIX A - FINANCIAL STATEMENTS" attached hereto.

Recognized and Certified Bargaining Units

All eligible City personnel are covered by the Municipal Employment Relations Act ("MERA") of the Wisconsin Statutes. Pursuant to that law, employees have rights to organize and collectively bargain with municipal employers. MERA was amended by 2011 Wisconsin Act 10 (the "Act") and by 2011 Wisconsin Act 32, which altered the collective bargaining rights of public employees in Wisconsin.

As a result of the 2011 amendments to MERA, the City is prohibited from bargaining collectively with municipal employees, other than public safety and transit employees, with respect to any factor or condition of employment except total base wages. Even then, the City is limited to increasing total base wages beyond any increase in the consumer price index since 180 days before the expiration of the previous collective bargaining agreement (unless City were to seek approval for a higher increase through a referendum). Ultimately, the City can unilaterally implement the wages for a collective bargaining unit.

Under the changes to MERA, impasse resolution procedures were removed from the law for municipal employees of the type employed by the City, including binding interest arbitration. Strikes by any municipal employee or labor organization are expressly prohibited. As a practical matter, it is anticipated that strikes will be rare. Furthermore, if strikes do occur, they may be enjoined by the courts. Additionally, because the only legal subject of bargaining is the base wage rates, all bargaining over items such as just cause, benefits, and terms of conditions of employment are prohibited and cannot be included in a collective bargaining agreement. Impasse resolution for public safety employees and transit employees is subject to final and binding arbitration procedures, which do not include a right to strike. Interest arbitration is available for transit employees if certain conditions are met.

The following bargaining units represent employees of the City:

Bargaining Unit	Expiration Date of Current Contract
Police	December 31, 2018 (Negotiations in process)
Fire	December 31, 2018 (Negotiations in process)

Supplemental Pension Benefits

The City provides other pension benefits to public works employees who have satisfied specified eligibility standards through a single-employer defined benefit plan. The amount of such benefits are based on years of service and average compensation. Membership of the plan consisted of 25 retirees receiving benefits, 7 terminated vested retirees and 30 active plan members as of December 31, 2017, the date of the latest actuarial valuation.

Pension benefit calculations are required to be updated every two years and prepared in accordance with Governmental Accounting Standards Board Statement No. 68 ("GASB 68"). An actuarial study for the plan was most recently completed by The Principal Financial Group in October 2018 with an actuarial valuation date of December 31, 2017 (the "Pension Actuarial Report").

Under GASB 68, an actuarially determined contribution ("ADC") is calculated as a target or recommended contribution to the plan for the reporting period, determined in conformity with actuarial standards based on the most recent measurement available. The City's ADC for Fiscal Year 2017 was \$233,559. For Fiscal Year 2017, contributions to the plan totaled \$1,133,559, which was 485% of the ADC. The City's current funding practice is to at least fully fund ADC.

As shown in the Pension Actuarial Report, as of December 31, 2017, the total pension liability was \$10,069,831 and the fiduciary net position was \$9,692,099, resulting in net pension liability of \$377,732.

For more information, see Note 4.A. in "Appendix A - Financial Statements" attached hereto. The Pension Actuarial Report is available from the City upon request.

The City also provides a defined contribution pension plan benefit to eligible non-protective employees (other than public works employees). Eligibility begins after six months of employment with the City. Employees are required to make contributions of 5% of wages. For Fiscal Year 2017, the City contributed \$202,272 and employees contributed \$202,272 to the plan. For more information, see Note 4.B. in "Appendix A - Financial Statements."

OTHER POST EMPLOYMENT BENEFITS

The City provides "other post-employment benefits" ("OPEB") (i.e., post-employment benefits, other than pension benefits, owed to its employees and former employees) to former employees and their dependents through a single employer defined benefit plan. Membership of the plan consisted of 24 retirees receiving benefits and 179 active plan members as of December 31, 2017. Eligible retirees may continue to participate in the City's group health plan. The City contributes a fixed portion of the premiums determined at retirement based on the employment category of retiree, and the retiree is responsible for paying the balance of the premiums.

OPEB calculations are required to be updated every two years. Prior to June 15, 2017, OPEB calculations were required to be prepared in accordance with Statement No. 45 of the Governmental Accounting Standards Board ("GASB 45") regarding retiree health and life insurance benefits, and related standards. For fiscal years beginning after June 15, 2017, OPEB calculations will be required to be prepared in accordance with Statement No. 75 of the Governmental Accounting Standards Board ("GASB 75"). An actuarial study for the plan prepared in accordance with GASB 75 was most recently completed by Actuarial & Health Care Solutions, LLC in October 2017, with an actuarial valuation date of January 1, 2018 (the "OPEB Report").

Under GASB 75, a net OPEB liability is calculated as the difference between the plan's total OPEB liability and the plan's fiduciary net position, which terms have similar meanings as under GASB 68 for pension plans.

As shown in the City's audited financial statements for Fiscal Year 2017, the ADC for Fiscal Year 2017 was \$422,684. For Fiscal Year 2017, contributions to the plan totaled \$422,684, which was 100% of the ADC. The City's current funding practice is to fully fund the ADC.

As shown in the OPEB Report, as of January 1, 2018 the total OPEB liability of the plan was \$7,607,515 and the plan fiduciary net position was \$5,297,421, resulting in a net OPEB liability of \$2,310,094.

For more information, see Note 4.C. in "Appendix A - Financial Statements."

LITIGATION

There is no litigation threatened or pending questioning the organization or boundaries of the City or the right of any of its officers to their respective offices or in any manner questioning their rights and power to execute and deliver the Bonds or otherwise questioning the validity of the Bonds. At any given time, the City may be involved in potential lawsuits; however, at this time, the City does not expect any pending litigation to result in final judgments which would materially affect the City's ability to pay principal and interest on the Bonds.

MUNICIPAL BANKRUPTCY

Municipalities are prohibited from filing for bankruptcy under Chapter 11 (reorganization) or Chapter 7 (liquidation) of the U.S. Bankruptcy Code (11 U.S.C. §§ 101-1532) (the "Bankruptcy Code"). Instead, the Bankruptcy Code permits municipalities to file a petition under Chapter 9 of the Bankruptcy Code, but only if certain requirements are met. These requirements include that the municipality must be "specifically authorized" under State law to file for relief under Chapter 9. For these purposes, "State law" may include, without limitation, statutes of general applicability enacted by the State legislature, special legislation applicable to a particular municipality, and/or executive orders issued by an appropriate officer of the State's executive branch.

As of the date hereof, Wisconsin law contains no express authority for municipalities to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code.

Nevertheless, there can be no assurance (a) that State law will not change in the future, while the Bonds are outstanding, in a way that would allow the City to file for bankruptcy relief under Chapter 9 of the Bankruptcy Code; or (b) even absent such a change in State law, that an executive order or other executive action could not effectively authorize the City to file for relief under Chapter 9. If, in the future, the City were to file a bankruptcy case under Chapter 9, the relevant bankruptcy court would need to consider whether the City could properly do so, which would involve questions regarding State law authority as well as other questions such as whether the City is a municipality for bankruptcy purposes. If the relevant bankruptcy court concluded that the City could properly file a bankruptcy case, and that determination was not reversed, vacated, or otherwise substantially altered on appeal, then the rights of holders of the Bonds could be modified in bankruptcy proceedings. Such modifications could be adverse to holders of the Bonds, and there could ultimately be no assurance that holders of the Bonds would be paid in full or in part on the Bonds. Further, under such circumstances, there could be no assurance that the Bonds would not be treated as general, unsecured debt by a bankruptcy court, meaning that claims of holders of the Bonds could be viewed as having no priority (a) over claims of other creditors of the City; (b) to any particular assets of the City, or (c) to revenues otherwise designated for payment to holders of the Bonds.

Moreover, if the City were determined not to be a "municipality" for the purposes of the Bankruptcy Code, no representations can be made regarding whether it would still be eligible for voluntary or involuntary relief under Chapters of the Bankruptcy Code other than Chapter 9 or under similar federal or state law or equitable proceeding regarding insolvency or providing for protection from creditors. In any such case, there can be no assurance that the consequences described above for the holders of the Bonds would not occur.

FORM OF LEGAL OPINION

(See following pages.)

Draft

Quarles & Brady LLP
411 East Wisconsin Avenue
Milwaukee, WI 53202

February 20, 2019

Re: City of Franklin, Wisconsin ("Issuer")
\$6,570,000* General Obligation Community Development Bonds, Series 2019B,
dated February 20, 2019 ("Bonds")

We have acted as bond counsel to the Issuer in connection with the issuance of the Bonds. In such capacity, we have examined such law and such certified proceedings, certifications, and other documents as we have deemed necessary to render this opinion.

Regarding questions of fact material to our opinion, we have relied on the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

The Bonds are numbered from R-1 and upward; bear interest at the rates set forth below; and mature on March 1 of each year, in the years and principal amounts as follows:

<u>Year</u>	<u>Principal Amount*</u>	<u>Interest Rate</u>
2022	\$200,000	____%
2023	250,000	____
2024	300,000	____
2025	400,000	____
2026	535,000	____
2027	550,000	____
2028	565,000	____
2029	580,000	____
2030	600,000	____
2031	620,000	____
2032	635,000	____
2033	655,000	____
2034	680,000	____

Interest is payable semi-annually on March 1 and September 1 of each year commencing on September 1, 2019.

The Bonds maturing on March 1, 2027 and thereafter are subject to redemption prior to maturity, at the option of the Issuer, on March 1, 2026 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the Issuer, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

* Preliminary, subject to change.

[The Bonds maturing in the years _____ are subject to mandatory redemption by lot as provided in the resolution awarding the Bonds, at the redemption price of par plus accrued interest to the date of redemption and without premium.]

We further certify that we have examined a sample of the Bonds and find the same to be in proper form.

Based upon and subject to the foregoing, it is our opinion under existing law that:

1. The Bonds have been duly authorized and executed by the Issuer and are valid and binding general obligations of the Issuer.
2. All the taxable property in the territory of the Issuer is subject to the levy of ad valorem taxes to pay principal of, and interest on, the Bonds, without limitation as to rate or amount. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Bonds except to the extent that necessary funds have been irrevocably deposited into the debt service fund account established for the payment of the principal of and interest on the Bonds.
3. The interest on the Bonds is excludable for federal income tax purposes from the gross income of the owners of the Bonds. The interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed by Section 55 of the Internal Revenue Code of 1986, as amended (the "Code") on individuals. The Code contains requirements that must be satisfied subsequent to the issuance of the Bonds in order for interest on the Bonds to be or continue to be excludable from gross income for federal income tax purposes. Failure to comply with certain of those requirements could cause the interest on the Bonds to be included in gross income retroactively to the date of issuance of the Bonds. The Issuer has agreed to comply with all of those requirements. The opinion set forth in the first sentence of this paragraph is subject to the condition that the Issuer comply with those requirements. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

We express no opinion regarding the accuracy, adequacy, or completeness of the Official Statement or any other offering material relating to the Bonds. Further, we express no opinion regarding tax consequences arising with respect to the Bonds other than as expressly set forth herein.

The rights of the owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights and may be subject to the exercise of judicial discretion in accordance with general principles of equity, whether considered at law or in equity.

This opinion is given as of the date hereof, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law that may hereafter occur.

QUARLES & BRADY LLP

BOOK-ENTRY-ONLY SYSTEM

1. The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]
2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.
3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.
4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]
6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.
7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.
9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.
10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.
11. The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.
12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

PAYING AGENT

The City may designate a City officer or select a bank or trust company to act as paying agent (the "Paying Agent"). If a bank or trust company is selected as Paying Agent, the City will pay the charges for Paying Agent services. The City reserves the right to remove the Paying Agent and to appoint a successor.

At the option of the City, the Bonds maturing on or after March 1, 2027 shall be subject to optional redemption prior to maturity on March 1, 2026 or any date thereafter, at a price of par plus accrued interest.

If only part of the Bonds having a common maturity date are called for redemption, then the City or Paying Agent, if any, will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed.

Notice of such call shall be given by sending a notice by registered or certified mail, facsimile or electronic transmission, overnight delivery service or in any other manner required by DTC, not less than 30 days nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books.

Payment for the Bonds must be received by the City at its designated depository on the date of closing in immediately available funds.

LEGAL MATTERS

An opinion as to the validity of the Bonds and the exemption from federal taxation of the interest thereon will be furnished by Quarles & Brady LLP, Bond Counsel to the City, and will be available at the time of delivery of the Bonds. The legal opinion will be issued on the basis of existing law and will state that the Bonds are valid and binding general obligations of the City; provided that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or equitable proceeding). (See "FORM OF LEGAL OPINION" found in Appendix B to the Preliminary Official Statement.)

Quarles & Brady LLP has also been retained by the City to serve as Disclosure Counsel to the City with respect to the Bonds. For further information about **PARITY**, potential bidders may contact Ehlers or i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Telephone (212) 849-5021.

A good faith deposit ("Deposit") in the amount of \$131,400 shall be made by the winning bidder by wire transfer of funds to **KleinBank, 1550 Audubon Road, Chaska, Minnesota, ABA No. 091915654 for credit: Ehlers and Associates Good Faith Account No. 3208138**. Such Deposit shall be received by Ehlers no later than two hours after the bid opening time. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's federal wire reference number has been received by such time. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. The Deposit will be retained by the City as liquidated damages if the bid is accepted and the Purchaser fails to comply therewith.

The City and the winning bidder who chooses to so wire the Deposit hereby agree irrevocably that Ehlers shall be the escrow holder of the Deposit wired to such account subject only to these conditions and duties: 1) All income earned thereon shall be retained by the escrow holder as payment for its expenses; 2) If the bid is not accepted, Ehlers shall, at its expense, promptly return the Deposit amount to the winning bidder; 3) If the bid is accepted, the Deposit shall be returned to the winning bidder at the closing; 4) Ehlers shall bear all costs of maintaining the escrow account and returning the funds to the winning bidder; 5) Ehlers shall not be an insurer of the Deposit amount and shall have no liability hereunder except if it willfully fails to perform or recklessly disregards, its duties specified herein; and 6) FDIC insurance on deposits within the escrow account shall be limited to \$250,000 per bidder.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a True Interest Cost (TIC) basis. The City's computation of the interest rate of each bid, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The City reserves the right to reject any and all bids and to waive any informality in any bid.

The award of the Bonds will be made subject to expiration of the petition period provided for under Section 67.05, Wisconsin Statutes, without the filing of a sufficient petition for a referendum with respect to the initial resolution authorizing the Bonds.

BOND INSURANCE

If the Bonds are qualified for any bond insurance policy, the purchase of such policy shall be at the sole option and expense of the winning bidder. Any cost for such insurance policy is to be paid by the winning bidder, except that, if the City requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any rating agency fees not requested by the City are the responsibility of the winning bidder.

Failure of the municipal bond insurer to issue the policy after the Bonds are awarded to the winning bidder shall not constitute cause for failure or refusal by the winning bidder to accept delivery of the Bonds.

CUSIP NUMBERS

The City will assume no obligation for the assignment or printing of CUSIP numbers on the Bonds or for the correctness of any numbers printed thereon, but will permit such numbers to be printed at the expense of the winning bidder, if the winning bidder waives any delay in delivery occasioned thereby.

NOT QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will NOT designate the Bonds as "qualified tax-exempt obligations" pursuant to Section 265 of the Internal Revenue Code of 1986, as amended, which permits financial institutions to deduct interest expenses allocable to the Bonds to the extent permitted under prior law.

CONTINUING DISCLOSURE

In order to assist the underwriters in complying with the provisions of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, the City will enter into an undertaking for the benefit of the holders of the Bonds. A description of the details and terms of the undertaking is set forth in Appendix D of the Preliminary Official Statement.

NEW ISSUE PRICING

The winning bidder will be required to provide, in a timely manner, certain information necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and to provide a certificate which will be provided by Bond Counsel upon request.

(a) The winning bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate satisfactory to Bond Counsel setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) The City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential investors;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in this bid.

(c) If all of the requirements of a "competitive sale" are not satisfied, the City shall advise the winning bidder of such fact prior to the time of award of the sale of the Bonds to the bidder. In such event, any bid submitted will not be subject to cancellation or withdrawal and the City agrees to use the rule selected by the bidder on its bid form to determine the issue price for the Bonds. On its bid form, each bidder must select one of the following two rules for determining the issue price of the Bonds: (1) the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity or (2) the initial offering price to the public as of the sale date as the issue price of each maturity of the Bonds (the "hold-the-offering-price rule").

(d) If all of the requirements of a "competitive sale" are not satisfied and the bidder selects the hold-the-offering-price rule, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the City promptly after the close of the fifth (5th) business day after the sale whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The City acknowledges that in making the representation set forth above, the winning bidder will rely on:

(i) the agreement of each underwriter to comply with requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-price rule, if applicable to the Bonds, as set forth in an agreement among underwriters and the related pricing wires,

(ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and

(iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price rule of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule as applicable to the Bonds.

(e) If all of the requirements of a "competitive sale" are not satisfied and the bidder selects the 10% test, the bidder agrees to promptly report to the City, Bond Counsel and Ehlers the prices at which the Bonds have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until either (i) all Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to each maturity of the Bonds, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

(f) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is party to such third-party distribution agreement, as applicable, to:

Such Deposit shall be received by Ehlers and Associates no later than two hours after the bid opening time. The City reserves the right to award the Bonds to a winning bidder whose wire transfer is initiated but not received by such time provided that such winning bidder's Federal wire reference number has been received. In the event the Deposit is not received as provided above, the City may award the Bonds to the bidder submitting the next best bid provided such bidder agrees to such award. If our bid is not accepted, said deposit shall be promptly returned to us.
