Adopted 2025 Budget Transmittal Letter and Executive Summary

Honorable Mayor and Common Council:

I am pleased to present the Mayor's Recommended 2025 Budget for your review and consideration. This budget outlines the financial framework for the coming year, encompassing the General Fund, Special Revenue Funds, Capital Funds, Debt Service, Tax Incremental Financing District (TID) Funds, Sewer and Water Funds, and Internal Service Funds.

The creation of this budget was particularly challenging due to the delay in finalizing tax assessments. The City of Franklin is still awaiting the completion of some assessments, which has added uncertainty to our revenue projections. Despite this, we have crafted a fiscally responsible budget that maintains critical services, supports capital investments, and prepares for future challenges.

2025 BUDGET PRIORITIES, GUIDING ASSUMPTIONS, AND STRATEGIES

Maintaining Fiscal Responsibility

Our primary objective in this budget is to continue building on the City's tradition of prudent fiscal management. This means ensuring that Franklin's financial health remains strong despite increasing inflation, supply chain constraints, and wage pressures. The 2025 budget aligns with the City's commitment to delivering high-quality services while balancing expenditures and revenues.

Addressing Rising Costs and Inflation

The City is not immune to the effects of rising inflation, particularly concerning wages, operational costs, and capital projects. Inflationary pressures are carefully managed by reviewing each department's needs and prioritizing essential services. Investments in critical infrastructure, including the Johnson Controls energy efficiency project and the newly signed 40-year water deal with Oak Creek, help secure long-term sustainability for Franklin's operations.

Sustaining and Investing in Key City Services

Personnel costs comprise approximately 73% of the General Fund budget, with many of our staff serving the community in essential services such as public safety, public works, and city administration. While balancing the budget, we have worked to ensure no significant staffing reductions occur. Notable changes for 2025 include adding an Associate Planner and transitioning two part-time clerk positions to full-time to address workload demands.

To ensure that Franklin remains competitive in the labor market, we have budgeted wage increases and continued to offer a comprehensive benefits package, which is key to attracting and retaining high-quality staff. Additionally, the budget reflects the need to manage staffing shortages in departments like Fire, where critical service needs are being addressed with phased hiring.

Strategic Capital Investments

The 2025 budget continues to focus on much-needed investments in the City's infrastructure and technology. With capital expenditures totaling approximately \$7.06 million, this year's budget supports ongoing street improvements, water and sewer upgrades, municipal buildings, and public safety equipment. We have partnered with Johnson Controls to implement energy-efficient upgrades, including replacing a new boiler and chiller and installing solar panels at the Library. This will help mitigate long-term deferred maintenance risks while improving energy efficiency.

The City's Enterprise Fleet Management Agreement continues to be a significant tool in maintaining a newer and better-managed fleet for the City. The agreement allows us to replace vehicles sooner, reducing repair costs and providing more budget flexibility with manageable monthly payments.

Managing Debt Responsibly

Franklin maintains a strong Aa2 debt rating, reflecting sound financial management. We remain cautious with future borrowing as we manage a debt portfolio of approximately \$76.4 million by the end of 2023. In the 2025 budget, we plan no additional general borrowing, leveraging available funds from the closure of TID #4 to fund capital needs.

Tax Assessments and Budget Challenges

The delay in finalizing property tax assessments has made this year's budget process particularly challenging. As of preparing this budget, we have not yet received the complete assessment data for 2025. This uncertainty affects our ability to project the total tax levy and rate accurately. While we have built the budget using the best available data, we remain cautious about spending commitments until the final assessments are confirmed. Adjustments may be necessary once we receive the final figures, and we will keep the Mayor and Common Council updated throughout the process.

Strengths/Opportunities

- •Developable Land: Franklin's unique advantage is its availability of developable land. This allows for thoughtful growth planning and enables the City to expand amenities and spread costs among its growing population.
- •Capital Funding: The City is well-positioned to fund many capital needs through various revenue streams, including tax levies, impact fees, special assessments, and landfill siting fees. However, the finite nature of landfill-related income requires careful management to sustain funding for future projects.
- •Impact Fees and Infrastructure Improvements: The City's ability to leverage impact fees to support growth-related improvements has been critical in meeting community needs. These fees help fund necessary infrastructure upgrades that accompany Franklin's expansion.
- •Water Supply Security: The new 40-year water deal with Oak Creek ensures a longterm and cost-effective water supply, a significant strength for Franklin's future sustainability. This deal renews the partnership between Franklin and Oak Creek, ensuring high-quality water at an affordable rate for decades.

•**OPEB Trusts:** Diligent funding of the Other Post-Employment Benefits (OPEB) Trust continues to ensure future liabilities are met. Franklin's focus on maintaining contributions to these funds will avoid shortfalls in future resources.

Closing Remarks

This 2025 Mayor's Recommended Budget reflects Franklin's continued commitment to providing high-quality services while addressing rising costs and ensuring the City's long-term financial health. Despite challenges in budget preparation due to incomplete tax assessments, the City's leadership and departments have collaborated to craft a responsible and forward-thinking plan for the coming year.

We extend our gratitude to all City departments for their cooperation and a special thanks to Finance Director Danielle Brown and her team for their diligent work preparing this budget. Their efforts have helped guide the City in maintaining fiscal responsibility while supporting critical community services.

We look forward to continued dialogue with the Common Council as we work together to finalize the 2025 budget and ensure that Franklin remains a thriving and sustainable community for its residents and businesses.

Respectfully Submitted,

Kelly Hersh

Budget Process and Calendar

Section 13-2.A. of the Municipal Code of the City of Franklin designates the Mayor as the key figure in the budget process. Annually, with the support of the Director of Administration, Director of Finance, and Treasurer, all other department heads and other staff, as the Mayor deems appropriate, are responsible for preparing the Mayor's Recommended Annual Budget. This comprehensive financial plan for the City's affairs for the upcoming year is then submitted to the Finance Committee for review. The Mayor's presentation of the budget timetable to the Common Council no later than the first Tuesday in May marks the beginning of the review and approval process by the Common Council.

The annual budget is a comprehensive document that includes:

- Expenses of conducting each department and activity of the City for the ensuing fiscal year and corresponding items for the current year and last preceding fiscal year, with reasons for increase and decrease recommended compared with the current year's appropriations.
- An itemization of all anticipated income of the City from sources other than general property taxes and bond proceeds, with a comparative statement of the amounts received from each source for the last preceding and current fiscal year.
- An itemization of the amount of money to be raised from general property taxes, which, with income from other sources, will be necessary to meet the proposed expenditures.
- Any other information required by the Council and State law.

As law mandates, the Common Council conducts a public hearing on the proposed budget before final approval. This public hearing is a crucial part of our commitment to transparency, ensuring that all stakeholders are fully informed and have the opportunity to provide feedback on the proposed budget. Your input is highly valued in this process and is a key factor in the budget's final approval.

Once the Common Council has approved the annual budget, any changes to the tax amount, appropriations, or their purposes can only be made with a two-thirds vote of the entire Council membership. This underscores the significant role the Council plays in the budget approval process. Your decisions and votes directly influence the financial planning and operations of the City. Furthermore, any such amendments must be promptly published in the Official City Newspaper within ten days of approval. As per the law, the Common Council holds a public hearing on the proposed budget before final approval.

No money is to be drawn from the treasury of the City or any obligation for the expenditure of money be incurred except in pursuance of the annual appropriation in the adopted budget or when changed as authorized. At the close of each fiscal year, any unencumbered balance of an appropriation reverts to the general fund and is subject to re-appropriation. Appropriations may be made by the Common Council, to be paid out of the income of the current year, for improvements or other objects or works that will not be completed within such year, and any such appropriations continue until the purpose for which it was made have been accomplished or abandoned.

2025 Budget: Potential Opportunities and Threats Franklin's Current and Future Fiscal Plans

OPPORTUNITIES

- Strong Property Values and Development: Franklin's strong history of property value growth, strategic location, and proximity to major transportation corridors position the City to benefit from future development. Franklin could see significant growth as market-ready parcels become available, particularly in crucial development zones like Ryan Road and Loomis Road. However, the delay in completing tax assessments injects some uncertainty into revenue projections, though the long-term growth outlook remains robust.
- Deferred Maintenance Mitigation (Johnson Controls, Inc. Project): The City's partnership with Johnson Controls, Inc. (JCI) to mitigate deferred maintenance offers a systematic approach to managing municipal building needs. This initiative addresses long-standing infrastructure risks and improves energy efficiency, reducing utility costs. The project is expected to provide long-term savings by extending the lifespan of City assets and optimizing operational performance, potentially easing future budget pressures.
- Enterprise Fleet Management Agreement: The Enterprise Fleet agreement allows the City to manage its fleet more effectively and maintain a newer, more reliable set of vehicles while avoiding significant, one-time capital outlays. By adopting a monthly payment structure akin to a mortgage, the City gains a more predictable, manageable cash flow, which enhances long-term budgeting. The ability to sell vehicles earlier for a profit further strengthens the City's financial position.
- **Cost-saving Measures and Process Improvements**: The ongoing rewrite of the Unified Development Ordinance (UDO) and the anticipated update of the Comprehensive Master Plan in 2025 are vital opportunities to streamline City processes and enable further development. Updating fee schedules across departments is also expected to generate additional revenue while optimizing resource utilization. These measures, alongside ongoing efforts to improve service delivery, will likely result in long-term budget savings.
- **Public Fire Protection Charge Adjustment**: By shifting 100% of fire protection charges to water utility customers, the City can reduce the property tax levy, providing direct tax relief to residents. This move helps ensure that essential services are fully funded without further straining the general property tax base.
- **Technology Enhancements**: The City has made considerable investments in modernizing its IT infrastructure, including a fiber network, utility monitoring systems, upcoming migration to Microsoft 365, and the recent adoption of Ring Central for communications. These enhancements not only boost productivity but also reduce long-term operational costs. Two-factor authentication further strengthens data security, mitigating the risks of costly cyberattacks. These investments should free up future funds for other City priorities.

2025 Budget: Potential Opportunities and Threats Franklin's Current and Future Fiscal Plans

THREATS

- **Incomplete Tax Assessments**: The delay in completing the City's tax assessments has created uncertainty regarding the total tax levy and rate for 2025. Without these finalized figures, it remains difficult to accurately project revenues, impacting the City's ability to commit to spending and funding critical projects. Caution will be required in resource allocation until these assessments are finalized.
- Workforce Recruitment and Retention: Like many municipalities, Franklin faces ongoing challenges in recruiting and retaining a skilled workforce. With a significant portion of staff nearing retirement age, the risk of knowledge loss is high. In addition, the uncertainty surrounding final revenue figures may limit the City's ability to fill vacancies or provide necessary salary adjustments, increasing the risk of staff reductions or frozen positions.
- State Revenue Constraints: The ongoing constraints imposed by the State on municipal tax levies and reductions in state aid pose significant challenges to Franklin's ability to generate sufficient revenue for critical services in 2025. A key factor is eliminating personal property tax under Wisconsin's 2023 Act 12, effective January 1, 2024. As a result, municipalities, including Franklin, will no longer collect revenue from personal property taxes on business equipment, machinery, and other assets. Although the State has established a compensatory fund to offset these losses, there remains uncertainty about whether the fund—adjusted annually for inflation via the Consumer Price Index—will fully address the long-term revenue gap. Payments from the fund will begin in 2025, but should they fall short of prior collections, Franklin could face a budget shortfall. Additionally, delays in finalizing tax assessments compound these risks, making the City more vulnerable to financial constraints and potential service disruptions (Amundsen Davis, Avalara, Inc., SVA CPAs, NFIB).
- Infrastructure and Technology Investments: Franklin's critical investments in infrastructure and technology modernization, including long-overdue document management system (DMS) upgrades, will now face further delays due to the more pressing and immediate IT security needs and City-wide software upgrades. These projects remain significantly underfunded, and the finalization of the tax levy will play a crucial role in determining whether they can proceed. Continued deferral of these upgrades could negatively impact service delivery, primarily as the City increasingly relies on modernized systems to maintain efficiency and security.
- **Development Delays**: The City's strategic growth areas, particularly along Ryan Road and Loomis Road, are poised to generate future tax revenue once fully developed. However, the lack of finalized tax assessments for these areas means Franklin may not yet see the financial benefits in 2025, delaying anticipated revenues and potentially increasing pressure on other parts of the budget.

2025 Budget: Potential Opportunities and Threats Franklin's Current and Future Fiscal Plans

- **State-Related Concerns**: The State's continued efforts to reduce aid and revenue opportunities for municipalities constitute a significant risk. These include:
 - Eliminating personal property tax payments by businesses with uncertain plans for replacement revenue.
 - Potential removal of matching Exempt Computer Aids, reducing financial support for City IT infrastructure.
 - Erosion of legislative support for local control in property tax assessments, right-of-way management, and reduced state/county funding for public works projects.
 - Restrictions on tax levy increases and limitations on user fees impact Franklin's ability to manage its financial position autonomously.
 - State-mandated programs with limited or no funding further strain the City's budget significantly as costs for these programs increase without corresponding revenue.
- **Decline in Cable TV Revenue**: The City continues to experience a reduction in annual cable TV tax revenue, a trend compounded by mandated tax rate reductions. As this revenue source continues to decline, the City will need to find alternative funding sources or make cuts in other areas.
- **Inflationary Pressures**: Rising inflation affects Franklin's overall operating costs, including goods, services, and staffing. Budget constraints caused by inflation may limit the City's ability to address urgent needs, exacerbating fiscal pressure in 2025.
- **Outdated City Technology**: The City's outdated technology infrastructure remains a threat, as modernization is essential to maintaining service delivery and data security. While recent enhancements have been made, further investments are needed to upgrade systems across departments fully. The costs of continued underfunding may lead to inefficiencies and vulnerabilities that could further strain the City's budget.
- *Additional items may be added as Council, Staff, or other stakeholders suggest.

General Fund Revenues Fund 01

PROGRAM DESCRIPTION:

City general fund revenues are typically relatively predictable. Most general fund revenue is obtained from property taxes, state-shared revenue, and transportation aides, which are known by the time the budget year begins. Revenues have historically not been dependent on changes in economic factors. However, varying factors, including the local economy, can cause fluctuations yearly in certain revenue items.

Property Taxes

Property taxes are levied upon all real property and business personal property owners at a calculated rate per \$1,000 assessed value. As is typical for most Wisconsin municipalities, the property tax is the primary revenue for city government operations. The trend for property taxes, as a percentage of General Fund Revenue, is as follows:

| Budget Year | 2020 | 2021 | 2022 | 2023 | 2024 | 2025 |
|--------------------|--------------|--------------|--------------|--------------|--------------|--------------|
| Tax Levy | \$19,005,700 | \$19,184,900 | \$19,931,500 | \$20,455,400 | \$23,450,500 | \$23,883,300 |
| Revenue | \$27,129,330 | \$27,369,168 | \$28,213,729 | \$28,931,075 | \$31,494,313 | \$31,502,477 |
| Levy to Revenue | 70.1% | 70.1% | 70.6% | 70.7% | 74.5% | 75.8% |

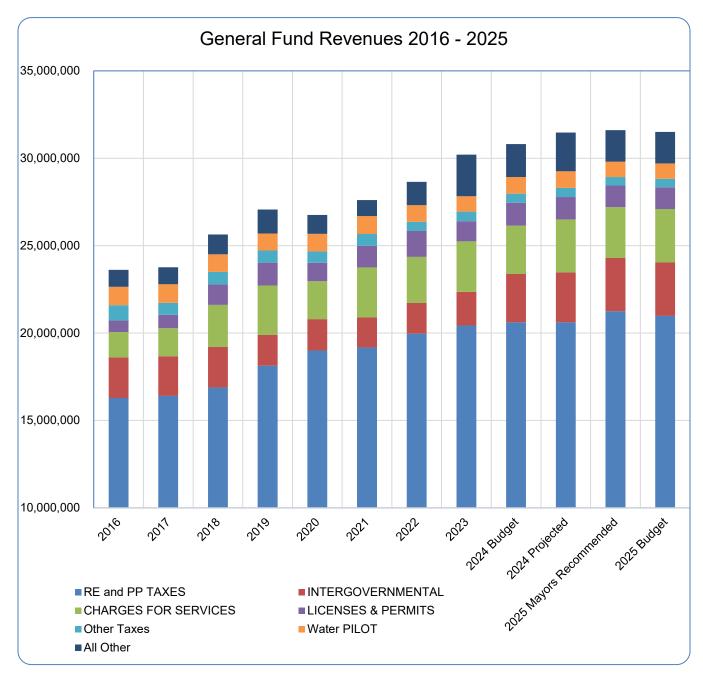

Property taxes as a percentage of general fund revenues will increase or decrease depending on fluctuations in other revenues, the amount of growth in net new construction, and whether increases in expenditures are needed to meet the city's service needs.

The Chart below shows the tax levy by purpose and the amount of levy per capita for each purpose.

Note that the population used in the chart is for the year before the budget year.

The chart above demonstrates the change in revenue mix from 2016 through the 2025 Budget. The Taxes, Intergovernmental Revenues, Charges for Services, Licenses & Permit Fees, and Miscellaneous Revenue have increased over this period, while the Water Utility Pilot, Other Taxes, and All Other Categories have declined.

In 2019, General Transportation Aids (GTAs) were mostly shifted to the Street Improvement Fund. GTAs have grown substantially related to street work done in the Tax Incremental Financing Districts in recent years. Landfill sitting revenues, included in Charges for Services, aid the General Fund in that up to 18% of these revenues go into the General Fund, with the majority, 82%, going to the Capital Funds.

Utility Tax Equivalent

The Franklin Water Utility makes a payment instead of property taxes, as the Public Service Commission requires, by applying the local municipal and school tax rates against the total value of the Utility plant in service and infrastructure. As the plant in service has grown due to the continued development in the City, this revenue has also increased. Much of the plant value added has been contributed by developers, Tax Incremental Financing Districts, and projects at least partially funded by special assessments. For 2025, that payment is estimated at \$877,200. The Water Utility is currently working on the new water tower project located on S. Lovers Lane, which will raise this payment to the City.

Hotel/Motel Room Tax

Hotels and motels charge a room tax that benefits the City of Franklin. The development of a hotel on South 27th Street resulted in the City receiving increased room taxes starting in 2009. A second hotel opened in July 2015 near S. 76th Street and W. Rawson Avenue. The 2015-16 state budget included a provision that directs a portion of this revenue to tourism beginning in 2017. In 2016, before the new restriction, this revenue provided \$327,191. In 2021, the City raised the tax rate from 6% to 8%, effectively increasing the rate by 33%. For 2025, the General Fund revenue is capped at \$153,180, with the balance directed to the Franklin Tourism Commission. The addition of hotels has allowed the General Fund portion of the Hotel/Motel Tax to increase slightly and could see further increases in the future.

Cable Franchise Fees

The City charges a franchise fee on cable television services which has decreased recently. Declining trends in the number of cable subscribers have impacted this revenue. For 2025, that fee is estimated at \$300,000.

Video Service Provider Aid

In the 2019-20 State Budget, the legislature lowered the cable tax rate from 5% to 4%, beginning in January 2020. A new state aid was created to replace the impact of the tax rate reduction. The combined effect is zero, while the fees appear to decline and Intergovernmental Revenues increase. That revenue is expected to be \$98,515 in 2025, which is the same from previous years.

State Shared Revenue

State Shared Revenue is based on a formula that considers per capita and aidable revenue factors, including the City's relative property value and local revenue generated. During recent years the State has either not increased or has decreased the amount received. In 2023, the City received \$398,460; in 2024, shared revenue increased due to legislature implementing Act 12. Municipalities will now receive additional supplemental municipal aid as long as they maintain specific levels of service within the public safety departments. In 2024, the City

received an additional \$858,380 in shared revenue, totaling \$1,291,730. In 2025, shared revenue is estimated to be \$443,285 in municipal aid and \$878,125 in supplemental municipal aid, totaling \$1,321,410 (2.3% increase).

The State provides Expenditure Restraint payments to communities that limit their General Fund spending to a specified percentage increase over the prior year. The percentage limit considers inflation and growth in new construction in the City. Communities are only eligible for their equalized tax rate over 5 mils, at least \$5.00 per 1,000 assessed value. In 2015, the City of Franklin received more than \$284,000; however, it ceased receiving this aid beginning in 2022, when its equalized tax rate dipped below \$5.00 per thousand of value.

The State provides General Transportation Aids to local communities. These aids are based on a formula established by the State that considers the cost of maintaining the City's transportation system, including maintenance, traffic enforcement, and capital street construction costs. This formula uses Franklin's highway expenditures over a rolling 6-year period in determining the aid amount. In 2019, the City of Franklin received \$1,220,846. For 2024, transportation aids are set at \$2,020,966 – a 65% increase. GTA funding is released in mid-October each year (with final numbers released in December), with the final 2025 GTA being \$2,052,747. Street improvements in several of the City's Tax Incremental Financing Districts will impact transportation aids for several years. Beginning in 2019, only a portion of this Aid funds the General Fund operations, with the balance supporting the Street Improvement Fund.

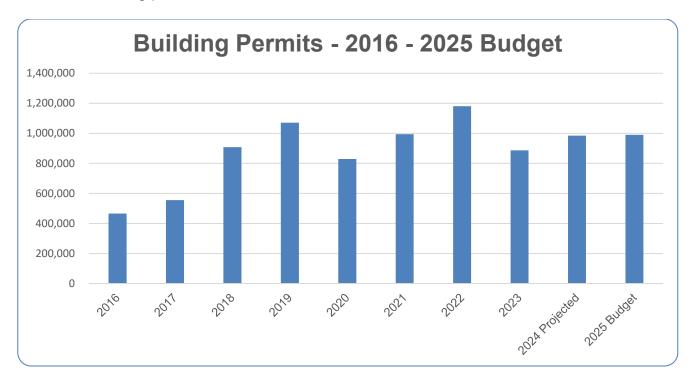

A 1997 legislative change exempted business computers from being subject to property tax. It also provided for a state aid payment to municipalities to offset the loss of this income. The Legislature froze the program in the 2017-18 budget, with a 1.47% increase in 2019 from 2018 levels. In the same budget, a new class of personal property was exempted, with a new Personal Property Aid payment. However, the new aid payment reduces the allowable levy increase dollar for dollar. For 2022, the exempt computer aids are \$4350,802, an increase of approximately \$4,130 due to the closure of TID #4 (which terminated in 2023), and the exempt personal property aid is approximately \$95,630. The 2023 Wisconsin Act 12 legislative change repealed the remaining personal property tax and created a state aid program designed to reimburse municipalities for the lost personal property tax revenue. This change increased the amount of Personal Property Aid by adding an additional aid payment annually, beginning in 2025. The 2025 payment is estimated to be \$210,947. This legislative change does include an aid payment to any Tax Incremental District that had personal property in it.

Overall, support from the Intergovernmental Revenues has remained fairly stable over the last few years, however, the City saw a generous increase in 2024 mainly coming from the increase in supplemental shared revenue, as noted above. Additionally, the City will now see an additional intergovernmental revenue supported through legislative change Act 12. Generally, Franklin's shared revenue per capita is near the very bottom for cities of a similar size in the State, which relates to the higher per capita income and lack of utility property in the City.

Licenses and Permits

The City issues numerous licenses and permits in performing its regulatory functions, such as building, electrical, plumbing, liquor, bartender, peddler, food, pet, contractor, and others. Most

such revenue items do not fluctuate greatly from year to year, and in some cases, change is limited by state statutes. The primary revenue in the permit category, making up approximately 80% of the category, is building, plumbing, and electrical permits. The 2025 budget anticipates \$990,000 in Building, Plumbing, and Electrical permit revenues. That compares to \$985,000 budgeted, as well as expected, in 2024. The Tax Increment Districts provide the prospect of increased building permit revenue.

Penalties and Forfeitures

This category represents the City's share of fines from violation of City ordinances, state statutes, and parking ticket revenue. The 2024 projection is \$460,000. The 2025 Budget reflects \$430,000 collection in penalties and forfeitures. The COVID-19 Pandemic adversely impacted 2021 Penalties and Forfeitures, as residents did not travel as much. Offsetting this reduction was the addition of the Tax Intercept collection process. That state-wide collection effort has advanced the time that fines and penalties have been receipted.

Charges for Services

This revenue includes charges for the use of City services. The primary revenue in this category is generated from ambulance services (55%); planning, engineering, and administrative fees; and charges to developers in connection with development agreements.

2025 ambulance fees are estimated at \$1,600,000; this is budgeted as an increase compared to the 2023 revenue based on the revenues booked to date in 2024. Additional senior housing projects, if built, are expected to impact future ambulance revenues. On December 3, 2024, ambulance fees were increased per Resolution 2024-2652 to be more comparable to surrounding municipalities.

In 2024, Landfill siting revenues dedicated to the General Fund increased slightly from the 2024 budgeted \$445,000 and will be estimated at \$477,000. This is a conservative estimate as actual landfill siting revenues have been favorable to the 2024 budgeted amount. The Common Council directed that up to 20% of expected Landfill Siting revenues be dedicated to operating activities. See below for further discussion of Landfill Siting revenues.

Landfill Siting Revenues

The granting of a landfill license to Waste Management, in 2010, by the Wisconsin Department of Natural Revenues saw the beginning of new revenue for the City and surrounding communities. A Landfill Siting Agreement was completed, requiring a payment for each ton of fill going into the site, which is shared as 75% to the City of Franklin, as the home City, and the remaining 25% to six other communities. The initial license was for 1.2 million tons. 2018 the first expansion license was obtained, expanding the landfill by 9 million tons. With that expansion, the fee increased by 25%. Waste Management controlled the material accepted until the expansion permit was obtained. Revenues in recent years are listed here:

2019 - \$2,593,804 2020 - \$2,321,287 2021 - \$2,515,603 2022 - \$2,580,935 2023 - \$2,547,823 2024 - \$2,550,000 - Budget 2025 - \$2,650,000 - Budget

This revenue will end when the landfill license is exhausted, so limiting the funding of current operations to 20% of revenue is a prudent way to ensure that City operations do not become too reliant on the revenues. As noted earlier, the City uses the other 80% of the funding for capital projects. The site has the potential for 19 million tons of waste, assuming one additional 9-million-ton license renewal, so it is expected that these revenues will be available for quite a number of years into the future.

Intergovernmental Charges for Services

In addition to the Emergency Medical Services revenue included in charges for services above, a Milwaukee County subsidy is received toward providing the service. In 2012, the County negotiated a three-year agreement that has Franklin receiving \$125,000 per year in Emergency Medical Service aids. For 2025, revenues are expected to be \$220,000. As noted, this revenue

is subject to adjustment and reductions, and should be monitored for its impact on the General Fund in the future.

In 2015, the Franklin School District resumed a program of a School Liaison Officer (SRO) and contributes the majority of the cost of an officer who primarily works at the School District (70%). This program is expected to continue in 2025, with an additional SRO FTE allocated to support the school systems crime prevention.

Interest Revenue

Investment earnings is one, of two, main revenues in this category. Short-term investment returns rose rapidly in 2018 and 2019. Economic pressures related to the COVID-19 pandemic pushed rates back toward zero; however, 2022 has brought increases to the interest rates. This revenue will follow market interest rate movements, which will decrease from 2024.

Another component of investment result is realized and unrealized gains/losses on fixed income investments. The City's investment policy limits the term of investments to a maximum of seven years. That provides downside protection from investment losses related to longer duration securities. Investments are reflected at market values generating unrealized gains and losses. However, as investments are anticipated to be held to maturity, unrealized losses are not expected to be realized, barring any premature forced sale for an emergency.

The last major component is interest charged at the statutory rate of 12% per annum on delinquent property taxes. The City retains any interest collected before it turns over uncollected Real Estate Tax Bills to Milwaukee County in August of each year. Personal Property Tax Bills are retained and pursued for collections by the City due to a 2011 State law change.

Miscellaneous Revenue

Water Tower rentals to cell phone companies and insurance dividends are the main components of miscellaneous revenue. This category is budgeted conservatively as the revenues collected vary more than other revenue categories.

General Fund Expenditures

PROGRAM DESCRIPTION:

City General Fund expenditures are divided into Activities and further reported by Category/Department. The Activities include General Government, Public Safety, Public Works, Health and Human Services, Culture and Recreation, and Conservation and Development.

A summary of the expenditures by Activity, in thousands, without the restricted contingency, as this is only able to be utilized with additional available revenues and a super-majority vote of the Common Council, is as follows:

General Government

General government comprises 12 departments that provide specific services for the City or internal services to or on behalf of the departments providing services. General Government Expenditures are approximately 14.5% of the General Fund Expenditure Budget. General government expenditures are a disproportionate component of contract services as several functions have been contracted out, including Assessing and Legal Services. Certain General Government Services provide services for other funds, such as financial services to the Utilities and TIDs; those funds then reimburse the General Fund for those services.

Public Safety

Public Safety includes Police, Fire, Public Fire Protection, Inspection Services, and Weights and Measures. Its expenditures comprise approximately 64.5% of the General Fund Expenditure Budget.

Public Works

Public Works include Engineering, Highway, Street Lighting, and Weed Control. Public Works Expenditures comprise approximately 14.4% of the General Fund Expenditure Budget. Substantial expenditures in these budgets include the cost of road salt and fuel and the labor cost to provide the services.

Health and Human Services

Health and Human Services is comprised of Health and Animal Control Expenditures, which equate to approximately 2.5% of the General Fund Expenditure Budget. The pandemic emergency in 2020 demonstrated the impact of these services on the community.

Culture and Recreation

Culture and Recreation expenses are comprised of the Parks and Recreation expenses. These include amounts paid for St. Martin's Fair and Civic Celebrations. Culture and Recreation Expenses amount to approximately 1.5% of the General Fund Expenditure Budget.

Note: The Parks Budget is included in the Annual Budget under Public Works due to reporting authority.

Conservation and Development

Conservation and Development are comprised of economic development and Planning functions. Conservation and Development expenditures comprise approximately 2.6% of the General Fund Expenditure Budget. In 2016, the City added a full-time economic development director to foster greater development.

Transfers and Contingency

Transfers relate to the General Fund's contributions to Recreation Departments and periodic one-time uses of excess General Fund monies for capital expenditures.

Contingency includes a provision for unexpected expenditures and to provide Restricted reserves for emergencies, such as the 2020 Pandemic.

General Fund Expenditures by Functional Category

The 2025 General Fund Expenditure Budget is presented by functional categories on the following page. Salaries, wages, and benefits comprise approximately 76.2% of the General Fund Budget.

Wages and benefits have grown from \$19.03 million in 2016 to \$24.79 million in 2025, or 30.2%, which equates to 3.01% per year on average. There are no additional FTE increases in the 2025 Budget.

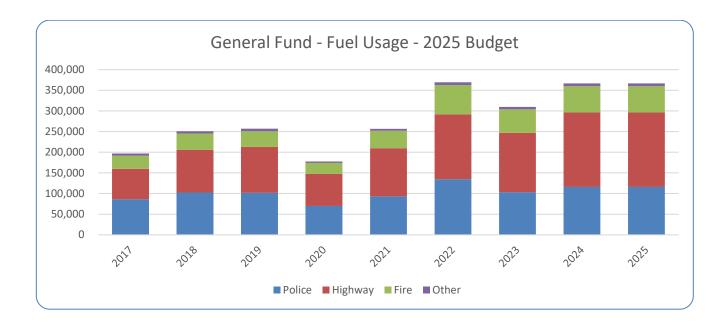

Employee benefits, which consist of Group Health and Dental, Retirement, Retiree Health, Life Insurance, and Employment Taxes, will increase slightly in 2025. This may decrease in future years based on claims and usage.

In 2019, the City elected the Wisconsin Retirement System pension plan for all new employees. Those employees in the old plans were provided the option of remaining in the old plans. In the short term, Public Works retirement costs will be elevated as the unpaid benefit costs of the old Public Works plan work through the system. In 2020, the City made a \$325,000 special contribution to the Retiree Health Plan. Also, in 2020, the City General Fund made a \$200,000 contribution to the Public Works Pension plan. In 2025, the plan will be funded enough to decrease contributions back down to the Actuarial Determined Contribution amount.

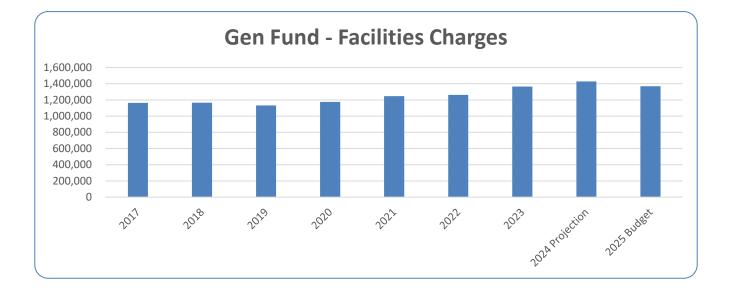

Non-personnel costs include Property Insurance, Contracted Services, Utilities, Operating Supplies, Services and Charges, Facility Charges, Other Costs, and Contingency.

In 2018, engineering contract services included inspection services for new development activities.

Fuel costs are another major expenditure and vary with the price of oil. In 2020, the City spent \$184,000 on fuel and will spend roughly \$356,800 in 2024. Fuel costs vary closely with the price of oil, demonstrating the impact of volatile fuel prices on the City's operating costs. The City engaged in a fleet program with Enterprise Fleet in 2024 and hope to see a decrease in fuel costs due to newer vehicles being used.

The steadily rising facility charges indicate that the City's aging municipal building inventory will require more maintenance costs.

DEPARTMENT: Mayor

PROGRAM MANAGER: Mayor

PROGRAM DESCRIPTION:

The Mayor serves as the City's Chief Executive Officer, ensuring all City ordinances and State laws are followed and enforced. The Mayor oversees the proper discharge of duties by all City officers, boards, and commissions. Responsibilities include nominating certain City employees, as well as board and commission members, for Council approval. The Mayor also chairs the Plan Commission and the Community Development Authority, presides over Common Council meetings, and votes in cases of a tie. The Mayor is elected for a three-year term, with the current term ending in April 2026.

City Ordinances assign the Mayor the authority to appoint seven cabinet officers and other unclassified positions within the City government, subject to confirmation by a majority of the Common Council. The Mayor's Office is administered by the Director of Administration, who provides operational support to ensure effective management of City functions.

SERVICES:

- Represent the residents of the City of Franklin.
- Administer City government per City Ordinances and State Statutes.
- Prepare and submit an annual budget proposal to the Common Council.

STAFFING:

One (1) elected part-time position

- 1) **Mayor Compensation:** The Mayor's annual salary is \$16,800, with an additional \$8,400 provided annually for mileage-related expenses. These compensation levels were set by Common Council action on December 15, 1998, under City Ordinance 98-1527, with mileage-related expenses increased in 2024 under Ordinance 2024-2598.
- 2) **Memberships and Supplies:** The 2025 budget includes increased office supplies, the Mayor's Office membership fees, and decreased funds allocated for volunteer recognition.

DEPARTMENT: Aldermen

PROGRAM MANAGER: Mayor

PROGRAM DESCRIPTION:

The Common Council is the legislative branch of City government, responsible for passing laws, ordinances, and policies, establishing pay ranges for City employees, and managing the City's finances, budget, and revenue generation. The Council consists of the Mayor and six members representing the six Aldermanic Districts, all serving three-year overlapping terms. One Alderman is elected as the Common Council President. The Common Council is administered by the Director of Clerk Services, who provides support to ensure effective management of City functions.

City Boards and Commissions primarily serve an advisory role to the Mayor and Common Council, contributing to policy development and City management. They provide additional citizen input beyond that of elected officials. Some boards and commissions, like the Board of Public Works and Plan Commission, are mandated by Wisconsin statutes. In contrast, others, such as the Civic Celebrations Commission, are established to oversee specific activities. The following Boards and Commissions serve the City:

- Architectural Board Board of Health Board of Review Board of Public Works Board of Water Commissioners Board of Zoning and Building Appeals Civic Celebrations Commission Community Development Authority Economic Development Commission Environmental Commission Fair Commission
- Finance Committee Library Board License Committee Parks Commission Personnel Committee Plan Commission Police and Fire Commission Quarry Monitoring Committee Technology Commission Tourism Commission

Specific boards and commissions oversee programs with dedicated budgets or funds, such as the Community Development Authority, Civic Celebrations Commission, Fair Commission, Library Board, and Board of Water Commissioners. The Common Council budget includes the costs associated with supporting all other boards and commissions.

SERVICES:

- Adopt ordinances and resolutions, levy taxes, and allocate funds for the City's operations.
- Develop and review policies to address the City's and its citizens' needs.

MUNICIPAL COURT 121

DEPARTMENT: Municipal Court

PROGRAM MANAGER: Municipal Judge

PROGRAM DESCRIPTION:

The Municipal Court has jurisdiction over local ordinances and traffic citations issued within the City. It is presided over by a Municipal Judge, elected every four years, who is required by local ordinance to be a licensed attorney. The program also covers the cost of court clerks for weekly trial and plea sessions. The police department provides minimal administrative support, and the city attorney's office handles legal representation for the City, both of which are accounted for in separate programs.

SERVICES:

- Preside over Municipal Court sessions, adjudicating violations of municipal ordinances and traffic citations.
- Impose fines and forfeitures as provided by law.

STAFFING:

| Authorized Positions (FTE) | 2020 | 2021 | 2022 | 2023 | 2024 | 2025 |

|-----------------------|-------|-------|-------|-------|-------|------|
| Municipal court cases | 6,983 | 5,595 | 6,058 | 6,500 | 5,200 | TBD |

Note: 2020/2021/2022 cases are lower due to the COVID-19 pandemic. Note: 2024 estimates are based on data from previous years, adjusted for any anomalies.

- 1) The Court generally holds three daytime and one nighttime session monthly. Revenues from fines and forfeitures have continued to trend upward. Fine rates were reviewed and maintained in 2024, with another review planned for 2025.
- 2) Since 2018, the Court has used the State Debt Collection (SDC) program to divert individual state income tax refunds toward settling outstanding municipal fines and forfeitures. This program has increased revenue and effectively eliminated the need for boarding prisoners.

CITY CLERK and ELECTIONS 141, 142

DEPARTMENT: City Clerk

PROGRAM MANAGER: Director of Clerk Services

PROGRAM DESCRIPTION:

The City Clerk's office is the legal custodian of the City's official records and manages a wide range of responsibilities, including administering elections, handling public complaints, issuing licenses and permits, and preparing agendas and official minutes for the Common Council. The office provides administrative support to the Common Council, various boards, commissions, and committees and responds to public information requests.

The Clerk's office also manages the election budget, ensuring the smooth operation of local, school, state, and federal elections. This includes maintaining election records, managing voter files, and overseeing all aspects of election conduct.

SERVICES:

- Prepare and review agendas, packets, and minutes for the Common Council and other City meetings.
- Attend Council and necessary Board and Commission meetings.
- Maintain custody of the City's official records and respond to public records requests.
- Prepare, distribute, and process resolutions, ordinances, and other official documents.
- Handle complaints and manage the City's record management and retention programs.
- Issue permits and licenses as required by law.
- Administer park reservations, burn permits, and other licenses, including background checks.
- Oversee all aspects of election administration, including voter registration, absentee voting, and election inspector training.
- Coordinate and distribute the City directory, monthly calendar, and Federal Census projects.

- 1) **Memberships and Training:** The budget funds memberships and training/conferences for all employees in the Clerk Services office, including certification and statutory training requirements.
- Background Checks: Allocates funds for background checks on license applicants and Board/Commission appointees, with a \$7 charge per check conducted by the Clerk's office.
- 3) **Election Salaries:** A \$2 per hour increase is included for poll workers, raising regular poll worker pay to \$12 and Chief Inspectors' pay to \$14 per hour. The number of workers at each polling location will vary based on expected voter turnout.
- 4) **Election Equipment Maintenance:** This covers maintenance for voting systems and ensures electronic data backup and preservation, as Wisconsin law requires.
- 5) **Conferences and Schools:** Funds State-mandated training for Chief Election Inspectors and election-related training for Clerk's office staff.
- 6) **Equipment Rental:** Includes \$150 per election for The Polish Center and St. Martin of Tours Church as polling locations.

INFORMATION TECHNOLOGIES 144

DEPARTMENT: Information Technologies

PROGRAM MANAGER: Director of Information Technologies

PROGRAM DESCRIPTION:

The Information Technologies Department is pivotal in administering the City's computing and telecommunication needs across all municipal facilities, including City Hall, Fire Stations, Public Works Garage, Sewer/Water operations, the Police Department, and the Library. This includes maintaining and supporting the City's local and wide area networks (LAN/WAN) and the City's website, GIS Land Management, and Utility Billing software systems. The program also involves managing telecommunication services and providing training and software support to City personnel. The department supports these functions primarily through inhouse staff, supplemented by contracted services for specialized needs such as GIS and firewall security.

Despite facing challenges in the past, such as delayed capital and operational spending decisions, the Information Technologies Department has demonstrated unwavering commitment to its mission. This commitment is evident in the significant capital expenditures planned for 2025 and beyond, particularly as critical infrastructure like the SAN (Storage Area Network) reaches the end of its service life.

SERVICES:

- Maintain and grow the City's WAN and LAN infrastructure.
- Perform maintenance and repair on City-owned computing equipment.
- Provide IT training and software support to City personnel.
- Coordinate and monitor internet and email access for City employees.
- Oversee GIS Land Management and Utility Billing software systems.
- Manage and maintain the City's telecommunication services and equipment.
- Provide administrative support and staff coordination for the Technology Commission.

STAFFING:

The City's information technologies function is managed by the Director of Information Technologies, a professional in information technologies who reports to the Director of Administration. Two employees currently provide primary staff support; one at City Hall and the other at the Police Department. In addition, the Information Technologies budget provides for outside contracting for Geographic Information System (GIS) support services and maintenance of GIS software. The City's telecommunication services and equipment cost, excluding the Police Department, is also included in this budget.

Note: Database administration, firewall security, and specialized services are outsourced to third-party contractors

Note: A Server and Network Engineer position was requested in 2024. A current employee will be considered for this position.

ACTIVITY MEASURES:

| Activity | 2020 | 2021 | 2022 | 2023 | 2024 | 2025 |
|------------------------------|-------|-------|-------|-------|-------|------|
| Total City Computers | 353 | 358 | 339 | 339 | 351 | TBD |

| Estimated Help Desk Requests | 1,458 | 1,137 | 1,470 | 1,500 | 1,610 | TBD |

Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

- Operating Expenses (OPEX): For 2025, OPEX is projected to be at \$708,735, with anticipated increases in 2026 due to costs such as firewall support, Ring Central phone support, and Office 365 subscriptions.
 - The cost reduction is due to increased in-house support and the capitalization of TPx firewall support using CARES Act funds.
- Capital Expenditures (CAPEX): CAPEX for 2025 includes significant expenditures due to delayed replacement of aging infrastructure, such as PC replacements, Data Center switch replacements, and SAN storage expansion.
 - Consideration is given to reducing or eliminating support agreements for some equipment in 2025, depending on the risk tolerance for potential hardware failures.
 - Total CAPEX requests for 2025 amount to \$558,219, including unexpected IT expenses, warranty extensions, PC replacements, Data Center switches, 2FA tokens, and the Ryan Road Expansion project.
- 3) **Note:** The department anticipates significant CAPEX needs in 2026 as critical infrastructure reaches the end of its lifecycle.

ADMINISTRATION and HUMAN RESOURCES 147

DEPARTMENT: Administration and Human Resources

PROGRAM MANAGER: Director of Administration

PROGRAM DESCRIPTION:

Under the leadership of the Director of Administration, who serves as the Chief Administrative Officer for the City of Franklin, the Administration and Human Resources Department operates. The Director is entrusted with planning, organizing, and directing the City's central administration, aligning with the goals and policies set by the Mayor and Common Council. This includes coordinating day-to-day administrative activities (excluding those of the City Clerk), overseeing the City's insurance program, and serving as the Director of Human Resources. Additionally, the Director supervises the Finance Department. The Director of Administration collaborates with the Director of Finance and Treasurer to prepare and coordinate the annual Mayor's recommended budget and the Common Council's budget process.

The Human Resources function within the department is strategically focused on recruiting, developing, and maintaining a high-performing workforce through strategic and cost-effective human resources systems. Services provided include addressing compensation and benefits issues, consulting with management and policymakers, and delivering direct services to employees. Key areas of responsibility include staffing, labor relations, compensation, benefits, training and development, employee records, equal employment opportunity, and human resources information systems.

SERVICES:

- Attend Common Council meetings and provide staff support at Board and Commission meetings as needed.
- Develop and prepare the Mayor's Recommended Budget and Capital Improvement Plan; coordinate the Common Council's budget process.
- Negotiate and administer labor agreements for the Fire and Police Associations and oversee recruitment for non-sworn personnel in conjunction with the Personnel Committee and Human Resources Manager.
- Administer the City's Human Resources Systems, including workers' compensation and employee health insurance programs, and manage State-mandated changes.
- Develop and maintain Human Resources policies and procedures.
- Coordinate staff training and development initiatives requested by Department Heads.
- Administer the City's liability and property insurance.
- Coordinate the development and publication of the City's newsletter.
- Represent the City in intergovernmental and legislative functions.
- Maintain and update the City's website.
- Collaborate with the IT Director to maintain the City's information technologies and voice communications systems.
- Provide staff support for various committees, including the Personnel Committee, Finance Committee, Fire & Police Commission, Technology Commission, and Civil Service Sub-Committee.

- The department actively participates in the City's development activities, contributing to its growth and progress.
- Manage various special projects and initiatives.

- 1) **Operating Expenses (OPEX):** The 2025 operating budget is mainly consistent with the 2024 budget, incorporating only minor adjustments and necessary additions to maintain operational efficiency.
- 2) Public Relations Services: A focused communications initiative is proposed to continue into 2025 to elevate the City's visibility and highlight its ongoing growth and successes. This strategy includes proactive information dissemination, strategic message development, and targeted media relations. The requested budget for 2025 is \$25,000, structured as a monthly retainer of \$2,083. This allocation covers up to 20 hours of communication services per month, with developer-specific projects billed separately to the relevant project.

3) Capital Expenditures (CAPEX)

| Capital Experiatures (CAPEX) | Requested | Adopted |
|--|-----------|----------|
| ClearGov: An advanced budgeting and transparency platform designed to modernize the City's financial processes and improve transparency. The total cost over five years is \$196,975, with an initial investment of \$48,575 in 2025. | \$48,575 | \$48,575 |
| Website Refresh: The department urgently requests funding for a comprehensive website overhaul, estimated at \$20,000. This project is essential to improving user experience, ensuring ADA compliance, and reflecting the City's commitment to modern, accessible digital services. While this initiative has been considered for several years, it must be executed in 2025. | \$20,000 | \$0 |
| City-wide Strategic Plan: This project seeks to develop a comprehensive strategic plan for the City at an estimated cost of \$30,000. The plan will articulate the City's vision, mission, values, and long-term goals, providing a clear roadmap for future growth and development. | \$30,000 | \$0 |

4) **Allocated Payroll Cost:** This line item represents the portion of departmental expenses allocated to other funds for services rendered, ensuring accurate cost distribution and budgetary efficiency.

FINANCE and AUDIT 151, 152

DEPARTMENT: Finance

PROGRAM MANAGER: Director of Finance and Treasurer

PROGRAM DESCRIPTION:

The Finance Department manages the City's financial operations, including cash receipting, accounting, investments, budgeting, banking, borrowing, and financial reporting. This includes maintaining financial records for the City and its utilities, processing accounts payable, managing payroll for all City employees, and overseeing property tax billing and collections. The Director of Finance and Treasurer, who operates under the general direction of the Director of Administration, manages cash and investments with assistance from external investment managers.

The department's goals include increasing automation to improve efficiency, enhancing staff knowledge, and maintaining timely and accurate financial information for City officials and citizens. Recent software upgrades have improved utility billing, allowing for online payments and credit card processing.

The Audit Department (No. 152) handles the City's annual audit cost, currently performed by CliftonLarsonAllen, LLP, under a contract valid through 2025.

SERVICES:

- Serve as the City's Chief Financial Officer.
- Prepare monthly and annual financial statements.
- Coordinate the annual audit and complete the Annual Comprehensive Financial Report (ACFR).
- Supervise the preparation of the annual City budget.
- Prepare and submit required financial reports to the Wisconsin Department of Revenue.
- Collect and settle property taxes with other taxing jurisdictions.
- Implement and manage City borrowing strategies.
- Process payments to vendors and payroll for City employees.
- Provide billing and collection services for City services, including special assessments.
- Offer financial support to the Franklin Water Utility, TIF Districts, and the Community Development Authority.
- Manage cash and investments for the City.
- Handle cash receipting and manage City bank accounts, excluding Library accounts.
- Process dog and cat licensing.

CITY ASSESSOR 154

DEPARTMENT: Assessor

PROGRAM MANAGER: Director of Administration

PROGRAM DESCRIPTION:

The Assessor's Office is responsible for determining the value of all property within the City to establish the taxable value for municipal, county, and school property tax purposes. The City contracts with an external firm to provide assessment services, ensuring that all property valuations are accurate and up-to-date.

SERVICES:

- Input and maintain accurate property information in the City's database.
- Inspect and review properties with current year permits and any partial assessments from the previous year to determine appropriate valuations.
- Provide property assessment information to property owners, real estate professionals, and other interested parties.
- Maintain and update an annual list of businesses for personal property reporting.
- Prepare and submit Municipal Assessor's and TIF Valuation reports to the Department of Revenue.
- Attend and support the Board of Review as required by State Statutes.
- Conduct City-wide annual market revaluations.

STAFFING:

All assessment services are provided by contracted staff.

MUNICIPAL BUILDINGS 181

DEPARTMENT: Municipal Buildings

PROGRAM MANAGER: Building Operations Supervisor

PROGRAM DESCRIPTION:

The Municipal Buildings Department operates and maintains the City's buildings, including the City Hall Complex, Law Enforcement Building, and Library. To a lesser extent, the department may support or assist with other buildings such as Legend Park Buildings, Fire Stations 1, 2, and 3, the Public Works Garage, and accessory buildings. Custodial service employees are provided to City Hall, the Law Enforcement Building, and the Library.

The Director of Administration administers the department's overall operation. The Building Operations Supervisor oversees day-to-day building management duties and coordinates maintenance, repairs, and project execution across city facilities.

SERVICES:

- Provide custodial services for City Hall, the Law Enforcement Building, and the Library.
- Operate and maintain City buildings, including grounds maintenance not covered by the Department of Public Works.
- Coordinate repairs and major maintenance projects in City facilities, including ensuring ADA compliance.
- Procure maintenance materials and supplies for municipal buildings. The cost of these materials, supplies, and utilities is accounted for within the budgets of the Law Enforcement Building, Library, Fire Stations, and Public Works Garage.

DEPARTMENT: Insurance

PROGRAM MANAGER: Director of Administration

PROGRAM DESCRIPTION:

The City oversees all insurance program activities through a dedicated General Fund department, except employee health insurance. Third-party insurance companies provide coverage for general liability, property, auto, professional liability, cyber enterprise risk management, and workers' compensation.

Workers' Compensation costs are determined based on payroll amounts and standard rates established by the State. The City's Workers' Compensation insurance provider offers a dividend program, which allows the City to earn dividends if claim costs remain below specific thresholds. A favorable claims history can increase the dividend amount available to the City. Premium costs are fully budgeted as an expenditure, while estimated dividends are conservatively budgeted as revenue and are subject to change depending on claims experience. Through an ongoing administrative allocation process, insurance costs are allocated to various City departments, including the Library, Water Utility, and Sewer Fund.

- 1) Workers' Compensation Costs: This is the most considerable expense in the City's insurance budget. The State sets rates and determines the City's modification factor based on its claims history. Workers' Compensation expenses are charged to the respective operating department's budget. Rates are updated annually on October 1st, though an estimate is included in the budget. The modification factor for the City of Franklin is expected to increase from 0.68 in 2024 to 0.69 in 2025.
- 2) **Other Insurance Costs:** The portion of the insurance budget not allocated to specific departments primarily covers public officials' liability insurance.

UNCLASSIFIED, CONTINGENCY, and ANTICIPATED UNDERSPENDING 198, 199

DEPARTMENT: Unclassified, Contingency, and Anticipated Underspending

PROGRAM MANAGER: Director of Finance and Treasurer

PROGRAM DESCRIPTION: These programs manage accounts that are not associated with specific department budgets.

- **Department 198 Unclassified:** Covers expenses such as refunded taxes, special assessments on City-owned properties, and costs arising from claims or legal judgments.
- **Department 199 Contingency:** This includes the annual contingency fund, which is used to cover unforeseen general fund expenses or to provide the Common Council with the flexibility to control uncertain expenditures at the time of budget adoption. The Common Council can allocate funds directly from the contingency account or transfer them to operating budgets as needed. In 2023, this account also covered appropriations for the merit pay program. Contingency funds are split into:
 - **Unrestricted Contingency:** Available for spending with a simple majority vote of the Common Council.
 - **Restricted Contingency:** Requires a supermajority vote for spending and ensures the City qualifies for the State's Expenditure Restraint program.
- **Department 199 Anticipated Underspending:** The City regularly experiences underspending in its budget due to staffing vacancies from natural turnover. While predicting where vacancies will occur is difficult, this practice is expected yearly. Budgeting for a vacancy factor is a long-standing approach in Franklin to avoid taxing residents for expenses that won't be incurred.

DEPARTMENT: Police

PROGRAM MANAGER: Chief of Police

PROGRAM DESCRIPTION:

The Franklin Police Department provides police services twenty-four (24) hours per day, seven (7) days a week. These services include protecting life and property, preserving peace and good order in the community, and furnishing any other appropriate service that enhances the safe and orderly operation of the City.

The Chief of Police, as department manager, is responsible for the leadership, supervision, direction, staff development, training, evaluation, and discipline of department personnel. State statutes and local ordinances empower the Chief to exercise authority in police operations and establish rules/regulations and policies/procedures for the department.

As second in department command, the Assistant Chief serves as Operations Commander, overseeing patrol, investigation, communication, and special unit services. The Assistant Chief acts on behalf of the Chief of Police in the Chief's absence. The Assistant Chief assists in the department's management and is the immediate supervisor of the Captains.

Three (3) Police Captains oversee the Patrol Division, Investigative Services Bureau, Communication Services, and Special Unit Services. They also purchase, operate, and maintain department equipment, including squad cars, radio systems, telephone equipment, and 911 communications equipment. They also oversee daily administrative functions within the Police Department.

At full staffing, the Patrol Division includes forty-one (41) Officers, one (1) School Resource Officer, and seven (7) Sergeants. The Patrol Division is divided into three (3) shifts - Days, Early, and Late. Members of the Patrol Division respond to calls for service, conduct initial criminal investigations, investigate traffic accidents, and are the primary source of routine squad car, motorcycle, bicycle, and foot patrol. Along with traditional patrol responsibilities, members of the Patrol Division are active in numerous special assignments/ responsibilities and community events such as Police Canine (K-9), S.W.A.T. Team, Unmanned Aircraft Systems (UAS), Motorcycle Unit, Bicycle Unit, Drug Recognition Unit, Honor Guard, crime prevention programs, work in the Evidence/Property Room, work as Adopt-A-School Officers, and provide staffing for special events such as St. Martins Fair and July 4th celebrations.

The Investigative Services Bureau includes six (6) Detectives directly supervised by one (1) Sergeant. The Investigative Services Bureau investigates criminal offenses in the City of Franklin and Milwaukee County. In addition to handling all criminal and juvenile-related investigations forwarded from the Patrol Division, they initiate investigations received directly from complainants/victims, are involved in various crime prevention, child safety, and community policing programs, and conduct employment background investigations for potential new City employees. They also participate in investigative meetings with other agencies related to their assignments.

The Communication Services is responsible for answering all 911 and non-emergency calls in the department. At full staffing, the Communication Services is comprised of one (1) civilian Communications Supervisor, two (2) civilian Lead Dispatchers, and twelve (12) civilian Emergency Services Dispatchers/Clerks. The Communication Services Division is divided into three (3) shifts and provides 24-hour emergency service communications for the City. The Emergency Services Dispatchers/Clerks answer emergency and non-emergency telephone calls, operate the computer-aided dispatch system (CAD), and dispatch appropriate police and fire units to call for service. The Emergency Services Dispatchers/Clerks are trained in State and National teletype system usage that permits access to the Department of Motor Vehicle records, Crime Information Bureau, National Crime Information Center records, warrants/commitments, and criminal history checks. In addition, they transcribe and file police reports and provide front-window service to citizens seeking information.

The Police Department has several special units to assist in specific assignments that require additional training or make patrol units' normal response difficult. These services include the Bicycle Patrol Unit, Drug Recognition Unit, Honor Guard Unit, Hostage Negotiators, K-9 Unit, Tactical Unit (S.W.A.T), Traffic Enforcement/Crash Investigation Unit, and Unmanned Aircraft Systems Unit (Drones).

The Police Department employs one (1) Community Service Officer. The Community Service Officer is a civilian, non-sworn, part-time employee of the Franklin Police Department. As such, the Community Service Officer enhances the services provided by the Franklin Police Department to allow sworn personnel to better serve and perform their duties in exchange for gaining hands-on practical experience while pursuing post-secondary education in law enforcement.

The Police Department's administrative staff consists of the Chief's Administrative Assistant and a 3/4-time Utility Person. The Chief's Administrative Assistant handles all related duties for the Chief, Assistant Chief, and Captains. Duties include preparing the budget, finance, purchasing, preparing, distributing, and filing confidential documents and correspondence, maintaining personnel, payroll, and other critical departmental files, transcribing official police reports, and handling confidential telephone calls. She also prepares documents for the District Attorney's Office, Clerk of Courts, Police and Fire Commission, and social service agencies.

The 3/4-time Utility Person assists with squad and equipment maintenance, squad and equipment replacement, and squad transports to appropriate service departments.

DEPARTMENT: Fire

PROGRAM MANAGER: Fire Chief

PROGRAM DESCRIPTION:

The Franklin Fire Department, as an "All Hazards" emergency response agency, is dedicated to its primary mission *of saving lives, preventing harm, and protecting property.* Our team provides a skillful, professional, and compassionate response to any emergency, ensuring the safety of our community and each other. We operate with *Courage, Honor, and Integrity*, and strive to provide these services as efficiently as possible within the limits of funding provided by the citizens of Franklin.

Department 221 employs full-time employees, and Department 223 accounts for these employees. Department No. 223 also accounts for the Franklin Water Utility fire protection charges for water mains and fire hydrants, as the Public Service Commission set.

SERVICES:

- Advanced (Paramedic) Level Emergency Medical Services, including patient stabilization, evaluation, care and transport, and special event stand-by. This also includes a significant number of non-transport medical assistance responses.
- Fire suppression and investigation, including structural, vehicle, and wildland fire response.
- Technical Rescue response capability, including vehicle crash extrication, water/ice rescue (Dive Rescue Team), and initial response to confined space and trench entrapments.
- First response to hazardous materials spills and leaks.
- Service calls for hazardous conditions such as downed power lines, strange odors, natural gas leaks, and other non-fire calls.
- Fire inspection and Community Risk Reduction (CRR) services are performed in all commercial, institutional, multi-family residences, places of employment, and buildings open to the general public.
- Public education services encompass a variety of fire safety and first aid classes, including CPR, defibrillator, "Stop the Bleed" training, fire extinguisher training, and Survive Alive House.
- Maintenance of three fire stations, four heavy fire apparatus, three front-line paramedic ambulances, and several specialized utility vehicles.
- Continually training personnel in firefighting, rescue, and EMS concepts and techniques.

*The Tracking of fire inspections in multi-tenant buildings was changed so that all tenants under a common roof are now counted as one inspection. Previously, each occupant or business in a multi-tenant building was counted as a single inspection.

Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

BUDGET SUMMARY:

 Personnel Services: The budgetary request reflects an anticipated year with all positions being filled (including the part-time Inspector position not filled in 2024), including annual increases, as per the collective bargaining agreement. An additional 2.0 Paramedic/Firefighter FTEs were requested for 2025 to assist in maintaining current service levels and response times for our growing community. Additionally, FFD applied for a federal FEMA "Staffing for Adequate Fire and Emergency Response" (SAFER) grant that would fully fund 6.0 additional Paramedic/Firefighter positions for a period of 36 months (FY 2025-2027).

- 2) Contractual Services: This account reflects funds needed to pay outside contractors for services FFD personnel cannot complete in-house. Examples of these services are billing for ambulance transports, vehicle and equipment repair and maintenance, which is beyond the capability of the DPW and FFD staff, technology software licenses, and fees for using the county OASIS public safety radio system. These budget lines are consistent with 2024 usage and expected cost increases. This account is also used to pay outside contractors for maintenance/repairs of FD vehicles.
- 2025 has three unique, single-year expenditures for vehicle and equipment maintenance: Required 5-year Hydrostatic Testing of all self-contained breathing apparatus (SCBA) air cylinders (\$6,000)

Body corrosion repair to our 2014 command unit, which will be in service as a reserve unit until 2030 (\$6,000)

We are replacing the radiator on our 2002 KME – Engine 204 (\$7,000).

This account is difficult to budget for because it varies significantly from year to year, and one major breakdown is all that is needed to overrun this budget line. FFD strives to service and maintain all vehicles proactively, maximizing the service life of the entire fleet while staying within budget.

- 4) Supplies: These lines are used to purchase supplies. Examples include office supplies, firefighting equipment, and emergency medical supplies for the ambulances. In 2023-2024, there was a significant increase in the supply budget due to the continuing rise in the cost of medical supplies and medications. Many medications now cost several times what they did only a few years ago, and there are often shortages and backorders. The trend toward substantially higher drug and supply costs will likely continue in 2025; however, these costs are partially recouped in ambulance transport fees. The cyclic replacement of firefighter protective "Turnout gear" has also been included in the operating budget since 2023, as opposed to an annual Capital Outlay request. Because of this equipment's mandated maximum 10-year service life, this format allows for better planning, management, and greater consistency in turnout gear acquisition.
- 5) Services and Charges: This category pays for telephone, cellular, and wireless fees, as well as school, conference, and rental fees for some equipment. The cost for wireless services has slightly increased from 2024, reflecting a greater continued dependence on wireless technology for communications, patient care records, computer-aided dispatch, GIS, and incident management software. An additional \$3,000 is requested in 2025 for FFD to begin participating in a regional firefighter recruit training academy hosted by the Wauwatosa Fire Department.
- 6) **Facility Charges:** These lines cover the costs of natural gas, electric, sewer, water, and janitorial supplies for three fire stations. The cost reflects annual usage, and FFD does not routinely deplete all Building Maintenance lines unless unforeseen repairs or replacement of major systems (e.g., HVAC) are required (as was the case in 2024).

- Employee Recognition: This small budget line remains unchanged from previous years and funds part of the cost of awards and recognition for retirees, such as years-of-service awards.
- 8) **Public Fire Protection:** The City incurs half of the cost of the Public Service Commission's requirement that Water Utilities charge for having the system capacity to fight fires within the service area supplied by the City of Milwaukee's water mains. The ratepayers pay the other half of this fee. The cost of the city's half is recovered by tax levy.

INSPECTION SERVICES 231

DEPARTMENT: Inspection

PROGRAM MANAGER: Director of Inspection Services

PROGRAM DESCRIPTION:

The Department of Inspection Services oversees the review, approval, and inspection of building construction-related permits, including building, HVAC, plumbing, electrical, occupancy, erosion control, driveway approach, and culverts. The Department also manages deferred maintenance enforcement, building code violations, and liquor license inspections, and assists with zoning administration. The Director of Inspection Services, who supports the Director of Administration in managing Municipal Buildings, also provides staff support to the Architectural Review Board.

SERVICES:

- Issue 3,000 to 4,000 construction permits annually.
- Respond to citizen inquiries about construction, permits, code interpretations, and erosion control.
- Manage Municipal Buildings and capital improvements to City facilities.

| Electrical Permits Issued | 979 | 936 | 978 | 900 | 1,000 | TBD |

Note: 2024 estimates are based on previous years' data, adjusted for anomalies, anticipating an increase in single-family over 2023 due to new single-family subdivisions.

NOTEWORTHY ACTIVITIES:

- Inspection totals do not account for "multiple-discipline" inspections performed by one inspector, enhancing operational efficiency.
- The Department uses cross-training practices to optimize inspector deployment.

BUDGET SUMMARY:

- 1) The 2025 activity measures are expected to rise moderately as the economy rebounds from the pandemic.
- 2) A departmental software change in BS&A now consolidates "Impact Fee Permits" with Building Permits, affecting permit totals.
- 3) In 2021, Sign Permits were transferred to City Planning, impacting permit activity.

SEALER OF WEIGHTS and MEASURES 239

DEPARTMENT: Sealer of Weights and Measures

PROGRAM MANAGER: Director of Clerk Services

PROGRAM DESCRIPTION:

The City contracts with the State of Wisconsin to inspect weight and measuring devices to ensure compliance with applicable regulations. The City receives reimbursement from businesses whose scales and weighing devices are inspected. State Statutes permit municipalities to recover costs by assessing fees on those receiving the services during the July-through-June contract period, up to the total cost of the fees incurred.

DEPARTMENT: Engineering

PROGRAM MANAGER: City Engineer

PROGRAM DESCRIPTION:

The Engineering Department partners with the Public Works and Water Utility Superintendents to plan, develop, and maintain public infrastructure, including city streets, sanitary sewers, water supply systems, storm sewers, drainage systems, street lighting, parks, and city-owned lands. The department also manages the necessary equipment to maintain this infrastructure.

The Engineering Department's functions are divided into seven areas: Engineering (321), Highway (331), Sanitary Sewer (Fund 61), Solid Waste Collection (Fund 19), Street Lighting (351), Parks (551), and Weed Control (361). Engineering activities include overseeing private development and issuing permits such as fill permits, driveway approach permits, and stormwater management reviews for new subdivisions and planned developments.

The department also develops plans and specifications for reconstructing city streets, storm sewers, and other public facilities, addresses drainage concerns, and provides both localized and regional design solutions.

SERVICES:

- Administrative and engineering services for divisions and departments.
- Support to the Common Council, Board of Public Works, Plan Commission, and Board of Water Commissioners.
- Project oversight and design review for public construction projects, private developments, and zoning submissions.
- Address citizen concerns about public/private construction and drainage.
- Maintain official maps and records for zoning, sanitary and storm sewers, stormwater management, and water systems.
- Establish and maintain GIS mapping and inventory, supporting other departments.
- Develop and manage a 5-year local road program in collaboration with Public Works.
- Maintain records of city-wide capital asset costs in partnership with the Finance Department.

HIGHWAYS and PARKS 331, 551

DEPARTMENT: Highways and Parks

PROGRAM MANAGER: Superintendent of Public Works

PROGRAM DESCRIPTION:

The Highways and Parks Department is responsible for constructing, operating, and maintaining the City's public infrastructure. This includes City streets, storm sewers, sidewalks, forestry, street signs, street lighting, public parks, bike trails, City-owned lands, and drainage ways.

Specifically, the department maintains:

- 182 miles of City streets
- 51 miles of sidewalk
- 16 parks
- Over 90 miles of storm sewers
- 3,400 catch basins and manholes
- 177 vehicles
- Public right-of-way land
- 5 Highway Department buildings
- 10,000+ curbside trees

The department also undertakes major special projects annually to reduce capital expenditures and save tax dollars.

SERVICES:

- Facility Maintenance: Maintain buildings and grounds at the Public Works facility.
- Materials Storage: Store materials for the Highway and other departments.
- Vehicle & Mechanical Maintenance: Provide maintenance services for vehicles and equipment across departments, including Public Works, Police, and Fire.
- Fuel System Management: Manage and maintain the fueling system for all City entities.
- **Pavement & Lot Maintenance**: Perform annual pavement marking and maintain City parking lots.
- **Signage**: Repair and replace street signs, install new signage and handle signage in new developments.
- **Road & Sidewalk Repairs**: Conduct spot paving, pothole patching, curb/gutter repairs, and sidewalk maintenance.
- **Storm Sewer Maintenance**: Maintain and repair storm sewers, catch basins, and retention ponds.
- **Winter Services**: Remove snow and ice from City streets, parking lots, cul-de-sacs, and sidewalks.
- **Groundskeeping**: Mow grass and weeds on rural roadsides and City-owned lands.
- **Recycling Center Operations**: Manage the City of Franklin Recycling Center and handle wood mulch production/distribution for residential use.
- Crack Sealing: Perform annual crack sealing to extend pavement lifespan.
- Street Lighting: Maintain City-owned street lighting systems.
- Street Sweeping: Sweep streets and parking lots in spring and fall.

- Litter & Animal Removal: Pick up litter and remove animal carcasses from roadways and public areas.
- **City Department Support**: Assist other departments with labor and equipment to reduce operating costs.
- **Event Support**: Provide workforce support for City-sponsored events like the 4th of July and St. Martin's Fair.
- Fire Station Maintenance: Maintain and landscape all City fire stations.

The department is responsible for various infrastructure projects, seasonal road maintenance, and assisting other City departments in reducing overall costs.

BUDGET SUMMARY:

- 1) **Operating Costs:** Some operating accounts will slightly increase in 2025 due to general inflation and supply chain issues affecting necessary materials.
- 2) **Vehicle Replacement:** Delays in vehicle replacement have led to increased maintenance costs. The department requires additional funds to maintain aging equipment.

DEPARTMENT: Street Lighting

PROGRAM MANAGER: Superintendent of Public Works

PROGRAM DESCRIPTION:

The Street Lighting division is responsible for providing and maintaining street lighting throughout the City, ensuring safety and visibility for residents and commuters, particularly at critical intersections and along significant streets. Enhanced street lighting is provided in the following areas:

| Street: | From: | То: |
|-------------------------|-------------------|-----------------------|
| S. 27th Street | W. College Avenue | W. Villa Drive |
| S. 60th Street | W. Ryan Road | W. Franklin Drive |

| W. Speedway Drive | S. Lovers Lane | W. Forest Home Avenue |
| W. Sycamore Street | S. 27th Street | West End |
| W. Wheaton Way | S. 27th Street | West |

SERVICES:

- Maintain City-owned street lights along major streets.
- Manage contracts with WE Energies for leased street lights at intersections.
- Plan and order additional street lights for new developments.

STAFFING:

The Highway Department handles maintenance and management for the Street Lighting division. The staff has initiated a cost-saving program using unspent lighting budgets to purchase and install LED lights, replacing existing High-Pressure Sodium (HPS) bulbs. This initiative has resulted in up to 20% energy savings, with payback periods ranging from 2 to 5 years. The focus is replacing lights at intersections that remain on all night, followed by other City-owned and WE Energies leased lights. Additionally, the division has begun a GPS-based inventory of street lights, identifying opportunities to remove unnecessary lights, further reducing costs.

WEED CONTROL 361

DEPARTMENT: Weed Control

PROGRAM MANAGERS: City Clerk and Weed Commissioner

PROGRAM DESCRIPTION:

City ordinances and state statutes prohibit noxious weeds from growing beyond certain heights. The weed commissioner is responsible for inspecting and responding to weed ordinance complaints. If weeds are not cut, the weed cutter is used to remove the vegetation, and the property owner is charged for the cost of the weed cutting.

STAFFING:

Actual cutting is done through a contracted service.

DEPARTMENT: Health

PROGRAM MANAGER: Director of Health Services

PROGRAM DESCRIPTION:

The Franklin Health Department (FHD) is committed to enhancing community health through services focused on disease prevention and health education. Guided by three core functions—**assessment**, **policy development**, and **assurance**—FHD improves residents' overall well-being.

Key Program Functions:

- **Assessment**: Collect and analyze health data to identify risks, trends, and unmet needs, collaborating with policymakers and healthcare providers to address community health concerns.
- **Policy Development**: Create policies driven by data and community feedback, as outlined in the Franklin Community Health Assessment and Improvement Plan, which engages regional partners and residents to strengthen public health initiatives.
- **Assurance**: Ensure quality health services and maintain Level II Health Department status. Core services include communicable disease control, emergency preparedness, health promotion, and environmental health services.

FHD performs annual public health reporting on infectious disease control, chronic disease prevention, and access to health services, guided by community assessments, public health engagement, and evidence-based practices.

SERVICES:

- Communicable disease surveillance and control
- Environmental health services (radon kits, lead hazard assessments, etc.)
- Health screenings and school health programs
- Restaurant and food establishment inspections
- Tobacco and alcohol retailer compliance checks
- Maternal and child health services
- Emergency preparedness and response
- Health promotion and education programs
- Social service referrals and case management

STAFFING:

The department comprises public health nurses, sanitarians, administrative staff, and grantfunded specialists. Staffing levels have remained consistent, with a Public Safety Social Worker position shared among Health, Fire, and Police departments under consideration for 2025.

ACTIVITY MEASURES:

*Numbers lower than average due to COVID-19 mitigation work

Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

Looking Forward:

FHD will continue strengthening its public health infrastructure, focusing on emergency preparedness, substance misuse prevention, and ensuring access to health services for all residents. With sustained grant support, FHD is committed to addressing future funding and sustainability challenges.

BUDGET SUMMARY

- 1) **Grant Funding**: FHD actively seeks grants to support local health efforts. As of 2025, the American Rescue Plan funding will sunset, but the CDC Workforce Grant and Capacity Building Grant will continue.
- Drug-Free Communities Grant: This \$125,000 annual grant, which supports the Volition Franklin Coalition, will end in 2026, requiring planning for program sustainability.
- 3) **Operating and Capital Budget**: A slight increase is requested for 2025, including \$200 for medical supplies and mileage. No capital budget requests were made.
- 4) **Clinical Services**: A \$100 increase in medical supplies has been requested due to continued demand for flu and non-flu immunizations.

ANIMAL CONTROL 431

DEPARTMENT: Animal Control

PROGRAM MANAGER: Director of Administration

PROGRAM DESCRIPTION:

This program covers the costs of contracted animal control services. The City collaborates with other Milwaukee County communities to operate an animal control facility managed by the Milwaukee Area Domestic Animal Control Commission (MADACC). Each community shares in the facility's operational costs.

| Activity | 2020 | 2021 | 2022 | 2023 | 2024 | 2025 |
|----------------------------|-------|-------|-------|-------|-------|------|
| Admissions: | | | | | | |

| Service Cost Per Admission | \$223 | \$250 | \$276 | \$259 | \$259 | TBD |

ACTIVITY MEASURES:

Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

BUDGET SUMMARY:

- 1) Capital costs are allocated according to each community's equalized value. Franklin's consistently higher growth rate in equalized value has increased its share of operational costs over recent years.
- 2) MADACC established a "Future Capital Building Fund" in 2013 to prepare for necessary improvements, considering the facility's initial 20-year lifespan. The shelter underwent significant remodeling, completed in 2016, addressing early wear in areas like the cat housing and dog kennels. The City pays annual operating, debt service, and capital project costs; however, MADACC has not collected capital project costs since 2023.

DEPARTMENT: Recreation

PROGRAM MANAGER: Director of Administration

PROGRAM DESCRIPTION:

This budget supports senior citizen activities within the City, including the Senior Travel Program and other community-sponsored programs for seniors. The budget also includes the City's contribution to the Civic Celebration Commission, specifically for the 4th of July Civic Celebration.

BUDGET SUMMARY:

- 1) **Senior Citizen Activities:** The 2025 budget allocates \$20,000 to support the Senior Travel Program and \$12,000 for other senior activities organized by Franklin Seniors, Inc., which was reorganized in June 2022.
- 2) Independence Day Civic Celebration: The 2024 budget was increased to provide \$30,000 in support of the Independence Day Civic Celebration, as requested by the Franklin Civic Celebrations Commission. The 2025 budget will maintain this \$30,000 allocation. The increase was necessary to cover the additional day added to the 2024 festival, a three-day event in 2023. These funds are primarily used to cover police and highway costs associated with the event, representing approximately 50% of the staff effort costs. Additional revenues and expenses for this event are recorded in a separate special revenue fund.

ST. MARTIN'S FAIR 529

DEPARTMENT: St. Martin's Fair

PROGRAM MANAGER: Director of Clerk Services

PROGRAM DESCRIPTION:

Since 2010, the St. Martin's Fair has been recorded under a special revenue fund, with any tax levy support reflected in this budget. The Clerk's Office is responsible for issuing sales permits and coordinating fair oversight among City departments. In 2019, the Common Council amended the Municipal Code to restrict the fair to only the Labor Day weekend (Sunday and Monday), discontinuing the monthly fairs held on the first Monday of each month. The Fair Commission oversees the fairs, monitors vendors, and ensures compliance.

• The Labor Day Fair was canceled in 2020 due to the COVID-19 pandemic but resumed in September 2021.

DEPARTMENT: Planning

PROGRAM MANAGER: Planning Manager

PROGRAM DESCRIPTION:

The Planning Department manages all planning, zoning, and land division activities for the City of Franklin. These include site plan reviews, zoning enforcement, land divisions, and the development and implementation of the Comprehensive Plan. The Department provides recommendations and development-related support to the Mayor, Common Council, Plan Commission, Board of Zoning and Building Appeals, and Quarry Monitoring Committee. It offers policy guidance to the Parks and Environmental Commissions. The department administers the Unified Development Ordinance (UDO) and oversees the implementation of the 2025 Comprehensive Master Plan. It also coordinates with other agencies and City departments to ensure that development proposals align with the City's goals. Funding for quarry monitoring is also included in this budget.

SERVICES:

- Serve as the primary point of contact for citizens, property owners, businesses, and developers regarding land use and development.
- Manage land development reviews, including pre-application meetings, and review various development applications (e.g., concept plans, site plans, subdivisions, rezoning, variances, and zoning compliance permits).
- Provide staff support to the Mayor, Common Council, Plan Commission, Board of Zoning and Building Appeals, Quarry Monitoring Committee, Parks Commission, and Environmental Commission.
- Assist the Community Development Authority with Franklin Business Park projects and the Economic Development Commission with Franklin Industrial Park projects.
- Administer the UDO, including amendments and enforcement.
- Oversee quarry monitoring activities, investigate complaints, and coordinate with the City's monitoring consultant.
- Develop and implement the Comprehensive Master Plan, Comprehensive Outdoor Recreation Plan, and other long-range plans adopted by the Common Council.
- Serve as the central hub for zoning, planning, and development inquiries from elected officials, boards, commissions, businesses, and the public.
- Coordinate activities with other government agencies to ensure high-quality development in the City of Franklin.

Note: Since September 2021, the City Development Department has reviewed and issued sign permits. Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

Note: Board and commission meetings refer to public meetings staffed by the Planning Department, including the Plan Commission, Quarry Monitoring Committee, Environmental Commission, Board of Zoning and Building Appeals, Parks Commission, Common Council, and Committee of the Whole.

BUDGET SUMMARY:

- 1) **Staffing:** The 2025 budget reflects a flexible approach, grouping Principal Planner, Associate Planner, and Assistant Planner roles under "urban planners." This change allows more flexibility in future hiring. The City Development Director position, vacant for several years, is not included in the staffing table.
- 2) **Development Review:** The 2025 budget anticipates a 5% increase in applications and total activities from 2024, particularly permits and enforcement actions. Notable changes include:
 - Planning assumed administration of the Sign Code in 2021.
 - Increases in specific applications, such as site plans and variances, are expected.
 - Decreases in zoning complaints.
 - New revenue is anticipated from an updated fee schedule adopted on August 6, 2024.
 - A web-based integration of the rewritten UDO (likely in FY 2026) with a proposed budget of \$4,500.
- 3) **Property Inquiries:** The Department anticipates similar inquiries for 2025, consistent with 2023 figures (85 pre-application meetings and 148 website inquiries).
- 4) **Support to boards and commissions:** In addition to the Plan Commission and Board of Zoning and Building Appeals, staff is tasked with providing support for the following:
 - Quarry monitoring and complaints.
 - Planning support for the Parks and Environmental Commissions.
 - Assistance to the Common Council, Community Development Authority, and Economic Development Commission on TIF Districts and related developments.

- 5) **Operating budget:** Notable changes for 2025 include:
 - \$1,000 requested for Computer Equipment for code enforcement inspections.
 - No funds for Planning Consultant Fees are needed due to a new fee schedule requiring developer deposits upfront.
 - An increase in Membership/Dues from \$2,000 to \$2,500 due to new planner positions.
- 6) **Long-Range Planning:** The Capital Improvement Program allocates \$100,000 for updating the Comprehensive Master Plan in FY 2025 and \$50,000 for the Comprehensive Outdoor Recreation Plan update in FY 2026.
- 7) **UDO Rewrite:** The UDO rewrite project started in FY 2021 with a budget of \$174,255; an additional \$64,875 was authorized in 2024. No further budget requests are expected for this project.

ECONOMIC DEVELOPMENT 641

DEPARTMENT: Economic Development

PROGRAM MANAGER: Director of Economic Development

PROGRAM DESCRIPTION:

The Department of Economic Development oversees business retention, attraction, and expansion efforts within the City of Franklin. This includes promoting job creation, coordinating tax incremental district (TID) activities, and supporting the Mayor, Common Council, Plan Commission, and Community Development Authority. The Director of Economic Development, who operates under the general direction of the Director of Administration, serves as the primary staff for the Economic Development Commission and acts as a liaison to the business community, offering recommendations and expertise on economic development issues.

SERVICES:

- Serve as the City's point of contact for citizens, businesses, and developers on economic development matters, including business expansion, recruitment, and retention.
- Provide economic development expertise and research to inform decisions made by various boards and commissions.
- Provide the Mayor and Common Council with economic development data and serve as the primary staff for the economic development and Tourism Commissions.
- Aid existing and prospective businesses by tracking real estate trends, vacancies, and developable lands.
- Help businesses and developers access City services and state economic development resources.
- Maintain relationships with local, regional, and state economic development agencies, including the Franklin Business Park Consortium and South Suburban Chamber of Commerce.
- Support the Planning Department in plan reviews and discussions regarding potential Unified Development Ordinance and Comprehensive Plan changes.
- Oversee the City's brand management and marketing outreach efforts.
- Participate in Development Review Team meetings and coordinate with other government units to achieve the City's economic goals.

STAFFING:

One (1) Full-Time Director of Economic Development

Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

Note: The Common Council has decided not to host social media sites beyond the City Website

BUDGET SUMMARY:

- 1) Under the continued leadership of the Director of Economic Development, activities are expected to remain consistent, with a budget similar to 2024.
- 2) Funds are included to host a business appreciation event, and staff will continue to promote development within all active and eligible TIDs.
- 3) Economic development activities will be charged to TIDs as appropriate.
- 4) The Economic Development Commission has initiated strategic planning for economic development, with a draft plan expected in early 2025. Budgeted activities are categorized as Marketing Services (for business attraction outreach) and Other Professional Services (consultancy assistance). The department will continue outreach through events like the Business Appreciation Celebration and Retention and Expansion visits.

TRANSFERS TO OTHER FUNDS 998

DEPARTMENT: Transfers to Other Funds

PROGRAM MANAGER: Director of Finance & Treasurer

PROGRAM DESCRIPTION:

This program provides for the General Fund support of programs located in Other City Funds.

The support takes the form of transfers from one fund to another. Annually, the General Fund contributes to the Civic Celebration and the St. Martin's Fair activity.

Impact fees are collected in the Development Fund and then transferred to either:

- The Debt Service Fund in support of debt service payments on the Police Department Building, the Library, Fire Station # 3, and the Drexel Ave reconstruction or
- The Capital Improvement Fund to support park, water, or sanitary sewer projects.

LIBRARY FUND 15

DEPARTMENT: Library

PROGRAM MANAGER: Library Director

PROGRAM DESCRIPTION:

The Franklin Public Library (FPL) provides essential services to meet the community's informational, educational, and leisure needs. As a member of the Milwaukee County Federated Library System (MCFLS), the Library offers free access to materials, programs, and services for Franklin and Milwaukee County residents.

FPL is governed by a nine-member Library Board, including one Franklin Public School District representative, one Alderperson, and seven Franklin citizens. The board is appointed by the Mayor and approved by the Common Council. The Board appointed the Library Director, who manages all library operations and personnel.

SERVICES:

- **Circulation and Collection**: Lending books, magazines, DVDs, music CDs, eBooks, and more.
- **Community Programming**: Hosting programs for children, teens, and adults, including educational workshops and events.
- **Technology Access**: Providing public computers, Wi-Fi, and access to digital resources like Libby, Hoopla, and Kanopy.

STAFFING:

Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

2024 Initiatives:

• Infrastructure Improvements (JCI Project): The Library will benefit from the City's Johnson Controls, Inc. (JCI) project, which includes the installation of a new boiler, chiller, and solar array panels. These upgrades aim to improve energy efficiency, reduce operational costs, and align with the City's sustainability goals.

• **Technology Enhancements**: Expanding digital services and improving access to electronic media, further integrating the Library's offerings with modern digital platforms.

ACTIVITY MEASURES:

Note: Due to the March-April closure in 2020, many categories, except electronic resources, saw a significant decrease and decreased hours for the remainder of 2020. Due to physical distancing requirements, limited computers were available for use during most of 2020 and the first six months of 2021. Note: 2024 estimates are based on previous years' data, adjusted for anomalies.

BUDGET SUMMARY:

- The Library's requested budget for 2025 is \$1,485,981, however the City levied \$1,467,700 to provide Library Services to constituents. It aims to improve service levels while addressing operational and infrastructure needs. Despite being a vital community resource, FPL operates with a per capita tax levy below the state and county averages. The Library faces ongoing funding challenges, particularly in addressing maintenance for its 20-year-old building and expanding its digital services.
- The new Johnson Controls, Inc. infrastructure upgrades will save long-term costs. However, further funding is needed to maintain service levels and address the growing demand for programs and materials.

TOURISM COMMISSION Fund 17

DEPARTMENT: Tourism Commission

PROGRAM MANAGER: Director of Economic Development

PROGRAM DESCRIPTION:

The Franklin Tourism Commission was established by ordinance on December 6, 2016, under Wis. Stat. § 66.0615. It coordinates tourism promotion and development within the City of Franklin. The Commission has five members, including at least one Wisconsin hotel and motel industry representative. The Director of Economic Development staffs the Commission.

SERVICES:

- Use room tax appropriated to the Commission for Tourism Promotion and Tourism Development in the City.
- Contract with Engage Franklin to promote the City and its tourism businesses.
- Oversee marketing projects through Engage Franklin, including media buys, creation and distribution of promotional materials, and efforts to recruit conventions, sporting events, and motor-coach groups.
- Provide transient tourist informational services through Engage Franklin.
- Undertake tangible municipal development, such as convention centers and specific promotional initiatives.
- By November 1, submit an annual report to the Common Council detailing expenditures and proposing the budget for the following year.

SOLID WASTE COLLECTION FUND 19

DEPARTMENT: Solid Waste Collection

PROGRAM MANAGER: City Engineer

PROGRAM DESCRIPTION:

The Solid Waste Department is operated through a Special Revenue Fund. Revenue comes from direct charges to single and two-family residential properties that are provided the service. It provides weekly refuse and recycling pickups and four times a year leaf and brush collection to all single-family, two-family, and condominium ownership multi-family units. Beginning in 2020, the City increased service to weekly recycling and automated garbage collection with private contractor-provided bins. A contract has been negotiated for a 5-year contract extension through 2027 with Johns Disposal Service. The budget is based on the contract with Johns Disposal Service. In addition, the City provides a recycling center adjacent to the Public Works Garage that is manned by Highway Division personnel and is open during normal work hours. The overtime and contracted pickup fees for the drop-off site are included in this budget. The tipping fees paid by John's are rebated back by the landfill located in the City and become an added resource to this fund. The efficiency of the recycling program, which was instituted in 1995, continues to be maintained at over the 33 percent level (see table below).

SERVICES:

- Weekly curbside automated pickup of rubbish.
- Weekly curbside pickup of commingled recyclables in carts.
- Four times yearly curbside pickup of brush.
- Drop-off site for mixed recyclables maintained at Public Works Garage.

STAFFING:

The Highway staff provides solid waste services for the drop-off site at the Highway Building and disposal services for tree removal. This labor cost is included in the Solid Waste Fund costs.

SANITARY SEWER Fund 61

PROGRAM MANAGER(S): Superintendent of Water Utility

PROGRAM DESCRIPTION:

The Sanitary Sewer Division operates as an Enterprise Fund, with revenue generated from direct charges to customers based on their sewer usage, either metered or calculated from water usage. The City of Franklin is part of the Milwaukee Metropolitan Sewerage District (MMSD), which provides interceptor sewers and handles sanitary sewage treatment for the City. The division is responsible for maintaining and monitoring the City's sewer infrastructure, including collection sewers, lift stations, and utility holes.

Employee costs are shared between the Water Utility and Sanitary Sewer Division, with allocations based on activities performed. The Sanitary Sewer Fund does not receive any support from the property tax levy.

SERVICES:

- Clean and inspect City sewers, including high-risk areas.
- Locate sewer lines for construction and Digger's Hotline requests.
- Respond to sewer backups and customer service requests.
- Maintain four sanitary lift stations, including emergency equipment.
- Televise and repair mainline sewers, laterals, and utility holes.

WATER UTILITY Fund 65

PROGRAM: Water Utility

PROGRAM MANAGER: Superintendent of Water Utility

PROGRAM DESCRIPTION:

The City of Franklin Water Utility, overseen by the Franklin Board of Water Commissioners, is accounted for as an Enterprise Fund. It generates revenue from direct charges to customers based on water usage and ensures high-quality water services to Franklin residents. The Water Utility purchases its water from the City of Oak Creek and maintains and operates Franklin's water system infrastructure.

Renewed Partnership with Oak Creek: In September of 2024, Franklin secured a landmark 40-year water supply agreement with the City of Oak Creek, with an option for renewal. This agreement guarantees Franklin a stable and high-quality water supply for decades at favorable rates while solidifying a renewed partnership in which Franklin is treated as a partner. This deal ensures long-term water security and financial predictability for the City.

Services:

- Operate and maintain city booster pumping stations and water towers.
- Install, maintain, and read water meters, including upgrades and replacements.
- Maintain and repair water valves, hydrants, and mains and perform inspections for new utility construction.
- Respond to and resolve customer concerns and water-related emergencies.
- Manage billing and collections for water services.

Puetz Road Sinkhole Repair (2024): A significant sinkhole that developed on Puetz Road in 2024 caused substantial damage to the water system and required extensive and costly repair. The Water Utility undertook emergency repairs, which involved replacing sections of damaged piping and reinforcing the surrounding infrastructure to prevent future issues. This incident incurred a considerable expense for the department, highlighting the ongoing need for infrastructure maintenance and monitoring.

SPECIAL REVENUE FUNDS

Civic Celebrations - Fund 29

Annually, the City at City Hall and Lion's Legend Park host the Fourth of July celebration. The celebration has resources in the form of beverage and game ticket sales, donations, and a contribution from the General Fund. The City of Franklin has generously increased its contribution from the General Fund to help provide further resources for the celebration. The Celebration has various events, including a parade, fireworks, music, games, etc. Various volunteers provide services for the Celebration along with Public Safety personnel.

The Celebration lasted four days in 2024, with some extended time on Sunday.

St Martin's Fair - Fund 24

On Labor Day, St. Martin's Fair becomes a popular two-day fair, attracting many street vendors, music performers, food vendors, and local produce growers. Upwards of 100,000 visitors attend this annual event.

Vendor licenses, donations, and contributions from the general fund provide resources to the fund—expenditures center on Public Safety issues.

Donations - Fund 28

The City receives donations from various community businesses, organizations, and individuals designated for various purposes. The Common Council accepts donations on behalf of the City. These funds are held for the designated purpose so that when programs or projects meet the donors' intentions, the funds can be utilized.

Two thousand seventeen donations helped fund a third K-9 unit in the Police Department. In the fall of 2015, Kayla's Playground was constructed with a program to generate resources to maintain and improve the playground located at Franklin Woods. Kayla's Krew, an organization leading the playground development, turned over excess funds to the City after the playground construction. The City is holding the funds until needed.

Grants - Funds 13, 14, 20, 21, & 25

The City receives grants for Health, Public Safety, and Community Development. The grants range from a few thousand dollars to hundreds of thousands of dollars. Grants fund various programs or specialized equipment that meet the terms of the grants. Grants are generally from Federal Government sources administered through the State. These grants are subject to periodic audits to ensure compliance with federal grant regulations.

In 2021, the American Rescue Plan provided the City with a \$3.748 million grant, payable over two years. This federal grant was to aid local governments with adverse impacts of the coronavirus-19 pandemic. The City demonstrated revenue shortfalls due to the Pandemic and thus has more latitude in how these resources may be used.

The 2022 Capital Improvement Program designated \$1,556,200 for two projects for City business operations: a fiber infrastructure network and a new phone system. These funds were carried forward to the 2023 Capital Improvement Program. In 2023, additional funds of \$275,000 were allocated to purchase WAN Equipment and Firewalls.

The 2023 through 2026 Capital Improvement Plan will supply funding for the remainder of the American Rescue Plan funds allocated to the Fiber Optic Infrastructure Project, Department of Public Works Utilities Project, Water Tower Project on Lovers Lane, and potential use for the Energy Efficiency Project.

CAPITAL PROJECTS FUNDS

The capital budgets were requested from the departments in mid-July, with a due date at the end of July. Amounts are assumed to be purchased during the year budgeted. In recent years, capital project funds have increasingly relied upon the landfill siting resource. This resource has a finite life, and a new resource will be required at some point.

Capital Outlay Fund – This fund is the primary fund used to account for new departmental capital outlays. These expenditures are funded by the tax levy and landfill siting resources and are under the direction of the department supervisor.

Equipment Replacement Fund - This fund accounts for the rolling stock replacement program, accumulating annual funding for replacing vehicles and similar equipment instead of using borrowed monies. Funding is provided by landfill siting resources and proceeds from sales of retired equipment.

Street Improvement Fund - This fund is used to account for the activities of the local road improvement program. Funding is provided by the State General Transportation Aids and landfill siting revenues and every other year local road improvement grant from the State.

Capital Improvement Fund - This fund accounts for land acquisitions, building projects, and all public works projects. The Fund is funded with borrowed money or from some source other than the tax levy.

Development Fund – This fund tracks Impact fees imposed on new land developed. These fees help finance infrastructure improvements required to service the new development in the City.

Utility Development Fund captures the utility connection fees and Special Assessments. The resources are then used to fund infrastructure projects as they occur.

The Debt Service Fund supports the Capital Project Funds.

Debt Service Fund - This fund accounts for general obligation debt issued by the City to support the capital construction projects undertaken. Funding comes from tax levies and Special assessments.

CAPITAL OUTLAY FUND 41

PROGRAM DESCRIPTION:

The Capital Outlay Fund finances the City's general capital asset purchases. It covers various capital-intensive items, such as vehicles, infrastructure improvements, and building-related expenses. Several other Capital Funds track specific asset categories, including equipment replacement and street improvements.

The resources for the Capital Outlay Fund come from a variety of sources, including:

• Tax levy

Investment earnings

• Landfill siting resources

Retired equipment sales

Grants

For 2025, no tax levy is being used to fund the Capital Outlay. Instead, the total projected resources of \$1,012,000 will come from:

- Landfill siting resources: \$954,000
- Grants, donations, and property sales: \$32,000
- Investment earnings: \$26,000

No new debt resources are planned for 2025.

2025 Budgeted Expenditures: While departments requested \$4,263,854 for new projects in 2025, the budgeted expenditures total \$1,165,449. Key projects include:

- Administration Department: \$48,575 for a auditing/budgeting software upgrade.
- Finance Department: \$1,000 for a check-printing printer.
- Elections: \$8,000 for two new Badger Books (electronic poll books).
- **Department of Public Works (DPW)** and **Police**: \$40,000 for vehicles under the fleet management program.
- **DPW**: \$300,000 for a sidewalk snow machine and \$80,200 for vehicles under the fleet management program.
- Information Technologies (IT): \$344,004 for servers and other IT equipment.
- **Fire Department**: \$36,000 for two advanced cardiac monitors and \$50,000 for building improvements.
- **Planning Department**: \$100,000 to update the Comprehensive Master Plan.

These expenditures address the priorities identified by the City's department heads.

Future Considerations: The yearly funding for Capital Outlay is based on department requests and available resources, which are expected to remain relatively consistent. However, levy limits imposed by the State, particularly those related to net new construction, have not kept pace with growing equipment and infrastructure needs. Expanding the landfill in 2019 provided additional landfill siting resources to meet some of these needs, but this funding source will eventually end. As a result, new revenue streams or enhanced capital efficiency will be required to continue funding essential projects.

Capital Outlay vs. Equipment Replacement Fund: New equipment purchases are handled through the Capital Outlay Fund. They are not eligible for the Equipment Replacement Fund, reserved for replacing major equipment that has reached the end of its useful life.

EQUIPMENT REPLACEMENT FUND 42

PROGRAM DESCRIPTION:

The Equipment Replacement Fund, established in 1996, provides resources for replacing rolling stock and similar equipment essential to City operations. Funding sources for this program include landfill siting fees, proceeds from the sale of retired equipment, and investment earnings. To qualify for replacement through this fund, assets must meet two critical criteria: a minimum purchase value of \$20,000 and a minimum useful life of seven years.

Annual expenditures for vehicle and equipment replacements vary based on the condition and need for replacements. The Equipment Replacement Fund helps ensure that essential City equipment remains reliable and up-to-date.

Key Funding Sources:

- Landfill siting fees are the primary resource, particularly since 2020, when additional fees were allocated following the landfill expansion.
- · Proceeds from retired equipment sales
- Investment earnings

2025 Budget and Funding: The 2025 budgeted expenditures total \$1,848,600, primarily funded through additional resources from the closure of Tax Increment District (TID) #4, landfill siting revenue, and using the fund balance.

The 2025 replacements include the Department of Public Works (DPW): A skid steer, two dump trucks, a street sweeper, and an aerial bucket truck.

Planned Equipment Replacements (2025-2030): The following replacements are scheduled over the next six years:

- **2025**: \$1,277,900
- **2026**: \$1,234,800
- **2027**: \$1,803,000

- **2028**: \$308,225
- **2029**: \$378,000
- **2030**: \$1,492,400

Department Heads use the equipment replacement schedule as a guide for their requests. Notably, the 2025 replacements include items scheduled for replacement in 2022, 2023, and 2024 but were delayed.

Funding Challenges and Future Considerations:

While landfill siting resources have risen significantly since 2015, increasing from \$100,000 to \$530,000 for 2025, caution must be exercised when adding new equipment to the fund. Additional equipment will significantly strain future resources since this fund has been underfunded recently. To address the growing backlog of un-replaced equipment, the City must explore additional funding sources to supplement landfill siting fees.

CAPITAL IMPROVEMENT FUND 46

PROGRAM DESCRIPTION:

Maintaining a capital improvement plan (CIP) is an essential financial planning tool for structuring the review and funding of capital improvement projects competing for limited resources. A CIP helps schedule the availability of resources to meet needs when they occur. Annually, the Council adopts a capital budget that details the projects to be accomplished in the coming year. Similar to other funds with adopted budgets, the council must approve changes to project amounts or additions to the budget.

As a general guideline, capital improvement expenditures are those expended for infrastructure with long, useful lives requiring significant funding. Resurfacing City streets is funded through the Street Improvement Fund. Equipment replacement costs less than \$20,000, and new equipment is funded as part of each department's Capital Outlay Fund budget. Rolling stock and similar equipment replacements are funded via the City's Equipment Replacement Fund.

Resources and Funding: Capital Improvement Fund resources include long-term debt, landfill siting, impact fees, one-time resources, grants, transfers from other funds, and investment earnings. Typically, the City has used long-term debt to fund its capital expenditures. An indirect resource for infrastructure improvements is special assessments. Property owners are assessed their pro-rata share of the cost when the City makes improvements such as sewer or water infrastructure. Construction costs for these projects are paid with borrowed funds, and assessment collections are applied to future debt service.

Status of 2023 Projects:

Public Works:

- DPW Cold Storage Building and Other Prep \$2,964,000 ongoing.
- Water Tower on Hwy 100 construction \$8,118,000 ongoing.

Status of 2024 Projects:

Municipal Buildings:

• Facility improvements—\$350,000—moved to the Energy Efficiency Project with Johnson Controls. Set for bidding in the fall.

Public Works:

- Industrial Park Lighting \$130,000 ongoing annually
- City Street Lighting \$75,000 ongoing annually
- The School Traffic Light Project—\$250,000—is ongoing, with an MOU for cost-sharing with Franklin School District.

Parks & Trail Projects:

- Cascade Trail Design \$110,000 ongoing
- Kayla's Playground Flooring \$300,000 completed in 2024
- STH 36 from STH 100 to W. Rawson Ave. \$466,000 ongoing
- St. Martin's Land Purchase \$101,500 delayed
- 116th Street Trail \$75,434 ongoing from 2023
- STH 100 LL, 60th St. to St. Martins Land Purchase \$101,500 completed in 2024

Library:

• Air Chiller—\$375,000—moved to the Energy Efficiency Project with Johnson Controls. Set for bidding in the fall.

Water & Sanitary Sewer Projects: These projects are processed through the fund for operational control. To be included, a water or sanitary sewer project must have a funding source outside this fund. This ensures that contract processing is centralized and funding is determined before a project is approved.

- Unrestricted Water Projects \$400,000
- General Sanitary Sewer Main Projects \$500,000

2025 Major Projects

Parks & Trails Projects:

- WisDOT—S. LL/W. Ryan Rd. from S. 60th Street to W. St. Martins Rd—\$1,434,400 partially funded through Impact Fees. It will be constructed in 2025, with an SMA signed by the Common Council.
- WisDOT Puetz Pathway \$340,000 partially funded through Impact Fees. SMA was signed by the Common Council for design in 2025.

Future Projects: Future capital projects are included in the capital improvement plan after the Council makes a policy decision. Several potential future projects are awaiting policy decisions. Borrowing or other funding will be needed to fund these projects.

STREET IMPROVEMENT FUND 47

PROGRAM DESCRIPTION:

The Street Improvement Fund draws resources from General Property Taxes, State Transportation Aids, a portion of landfill siting fees, and a biennial state grant for Local Road Improvements. In 2019, General Transportation Aids replaced much of the tax levy to preserve 'expenditure restraint aids' in the General Fund. However, in 2024, the State of Wisconsin's Shared Revenues increased significantly, allowing a portion of the General Tax Levy to shift back to the Street Improvement Fund. The goal is to align total resources with the City's growth. The 2025 total resources of \$2,343,900 represent a 4.6% increase from 2024.

This pavement resurfacing program funds major maintenance (resurfacing) of the City's approximately 180 miles of local streets. The City's street maintenance needs have increased as urban subdivision streets from the late 1980s and 1990s end their useful life and require resurfacing. While a 30-year pavement life is ideal, the 2023 Local Street Improvement Program saw an average of 41.5 years between resurfacing.

As Franklin continues to grow with the development of new subdivisions, the local road improvement program will need to expand 30 years from now to accommodate the maintenance needs of additional roads. The City accepted maintenance responsibilities for S North Cape Road and W St. Martin's Road in 2017 and 2018, and Crystal Ridge Drive (Ballpark Commons Dr) in 2020, adding approximately six miles of road to be serviced annually.

Funding Needs: The City's Engineering department estimates that \$3 million annually is required to maintain a 25-year pavement life cycle for City streets. Variations in street type, width, and condition may cause this amount to fluctuate yearly. Additionally, the growth bubbles of the 1990s and 2000s will put further pressure on street improvement costs in the near term.

Historical Expenditures (Last 5 Years):

| Year | Expenditure |
|------|--------------------|
| 2020 | \$1,130,167 |
| 2021 | \$1,059,274 |
| 2022 | \$1,154,054 |
| 2023 | \$1,841,391 |
| 2024 | \$2,267,000 (Est.) |

Despite the Engineering department's estimates, adequate funding is currently unavailable to meet the City's 5-Year Road Improvement Plan. The 2023 5-Year Budget Plan Scenario projected that \$3.5 million per year is now required to eliminate the backlog of road improvements over the next five years.

UTILITY DEVELOPMENT FUND 22

The Utility Development Fund provides resources for financing new sanitary sewer and water facilities to support the ongoing development within the City of Franklin. City Officials have recognized the need to recover new infrastructure costs by imposing Impact Fees on new developments, which are collected when plumbing permits are issued. Properties that pay the Impact Fee are exempt from paying a connection fee.

For 2025, a single-family home's water connection/impact fee is \$3,219, while the sanitary sewer connection fee is \$600.

This fund also captures Sanitary Sewer and Water Special Assessments, which recover a portion of the sanitary sewer or water main construction costs benefiting properties based on their frontage. The collection of prior Special Assessments provides funding for future projects.

In 2013, the Common Council created the Southwest Sanitary Sewer District, served by the Ryan Creek Sanitary Sewer Interceptor. A Sanitary Sewer Impact Fee was established to support the construction of sanitary sewer mains in this district, and those fees are held in the Utility Development Fund. For 2025, the Sanitary Sewer Impact Fee is \$4,327.

The City adopted Ordinance No. 2024-2580, which established the new Water Impact Fee and Southwest Sanitary Sewer Impact Fee, effective February 1, 2024.

In 2025, this fund is expected to contribute to unrestricted water and sewer projects.

DEVELOPMENT IMPACT FEES FUND 27

PROGRAM DESCRIPTION:

The Development Impact Fee Fund helps finance essential public facilities such as roads, water systems, sanitary sewers, public safety infrastructure, and recreational amenities for undeveloped land. The City of Franklin, once one of the fastest-growing communities in Southeastern Wisconsin until the 2008 Recession, recognized the need to recover the costs of providing infrastructure and public services for new developments through impact fees. These fees adjust as development progresses and growth rates fluctuate. A revised Impact Fee study was adopted on April 6, 2020.

In 2025, the Impact Fee for a single-family residence is \$8,168. This fee supports Parks/Recreation, Water Systems, Transportation Facilities, Public Safety, Library Services, and Administration and is collected when building permits are issued. The City also imposes a Sanitary Sewer Impact Fee for properties in the Southwest Sanitary Sewer Service Area, established by Ordinance 2013-2105. The 2025 Sanitary Sewer Impact Fee is \$4,327.

Key infrastructure projects supported by impact fees include:

- Library Impact Fees: Originally set at \$1,722,000, these fees are dedicated to debt service for the library, which was built in 2002 to accommodate future growth. Current fee receipts are insufficient to cover the debt service, but deferred amounts will be recovered as development resumes.
- Law Enforcement Impact Fees: These fees are tied to a portion of the 2001 Law Enforcement building project, valued at \$2,530,380. Current receipts are insufficient to meet debt service, but deferred amounts will be recovered as growth continues.
- **Fire Protection Impact Fees**: The Fire Department anticipates the need for additional fire station space in the southwestern portion of the city. Impact fees will assist in funding this future infrastructure.
- **Transportation Impact Fees**: These fees are allocated to debt service for the reconstruction of Drexel Avenue from Loomis Road to Highway 100, with a total project cost of \$1,086,715. Current receipts are insufficient, but deferred amounts will be recovered as growth resumes.
- Water Impact Fees: These fees support water infrastructure, including oversizing needs. Future projects include constructing elevated water storage near Highway 100 and St. Martin's Road in 2023-2025. In February 2024, new Water Impact Fee rates were set at \$3,219 per single-family or two-family dwelling unit.
- **Park/Recreation Impact Fees**: These fees support the Comprehensive Outdoor Recreation Plan (CORP), initially adopted in 1994 and most recently updated in April 2020. The fees contribute to the city's need for expanded recreational facilities.

The Common Council has directed Impact Fee revenues to purchase land in the city's southwest area, utilizing \$542,754.45 of existing fee revenue from a total purchase price of \$1,500,000.

Staff is currently revising the Impact Fee Spending Plan to ensure compliance with statutory deadlines for using fee revenue.

DEBT SERVICE FUND 31

The City's Debt Service Fund manages the payment of debt service on all general obligation debt issued for City purposes. Debt service for Tax Increment Financing Districts (TID) and Utility funds is accounted for separately.

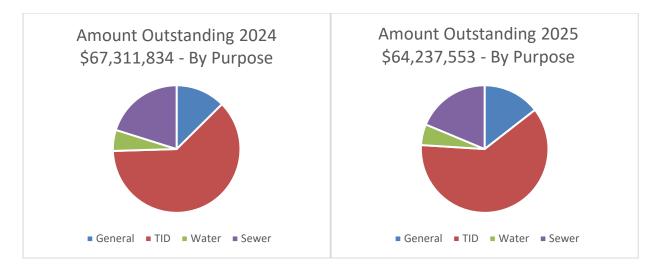

Although TID debt is tracked separately, it remains a general obligation borrowing, meaning the City is ultimately responsible for repayment if a TID's revenues, such as TID increment or other related sources, are insufficient. While a TID is active, overlapping taxing authorities forgo their share of taxes to support TID projects. However, if a TID's statutory life expires with outstanding debt and insufficient revenue, the City's debt service tax levy becomes responsible for covering the remaining obligations.

The primary funding sources for general obligation debt issued for government purposes include:

- Property Tax Levy
- Special Assessments: Collections for public improvements, excluding water and sewer, where property owners are assessed a pro-rata share of the project cost financed through general obligation debt.
- Impact Fees

The City's net general debt can fluctuate significantly. The net general debt supported by the Debt Service Levy, excluding TID and Utility debt, is expected to decline to \$8.475 million by December 31, 2024, from a high of \$13.1 million in 2017. However, the City borrowed \$1.88 million in General Obligation Debt in 2024 and anticipates borrowing an additional \$2 million for capital projects in 2025.

Outstanding General Obligation Debt (as of December 2024 and December 2025):

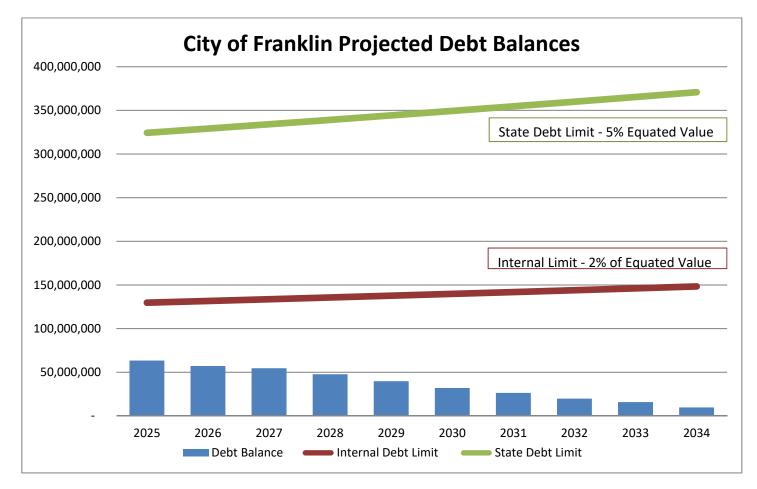

As noted, TID debt represents the most significant component of the City's general obligation debt capacity. Over the past five years, TID debt has increased significantly due to several new TID projects, including Ballpark Commons (TID #5), Velo Village (TID #7), Bear Development (TID #6), the new Corporate Park (TID #8), and the development surrounding

Carma Labs (TID #9). By December 31, 2025, the total TID general obligation debt is expected to reach \$39.5 million.

Based on the schedule of debt maturities, the total general obligation debt for City purposes as of December 31, 2024, stands at \$67.3 million, which includes TID and Utility debt. The breakdowns are as follows:

- \$41.695 million in TID debt
- \$13.5 million in Sewer Utility debt
- \$8.475 million in general government debt
- \$3.579 million in Water Utility debt

As of December 31, 2024, the City's total outstanding debt represents 22.03% of its legal debt limit, defined by Wisconsin Statutes, which set the legal debt capacity at 5% of its equalized property value. At the end of 2024, the total debt-to-equalized-value ratio is projected to be 1.08%.

The City amended its debt policy through Resolution 2019-7532 in August 2019, establishing a self-imposed limit on the amount of outstanding debt the City can carry at any given time. This policy restricts outstanding debt to 40% of the legal debt limit defined by Wisconsin Statutes. As of December 31, 2024, this self-imposed limit was \$122.8 million, projected to rise to \$125.0 million by the end of 2025.

City of Franklin, WI 2025 Debt Service

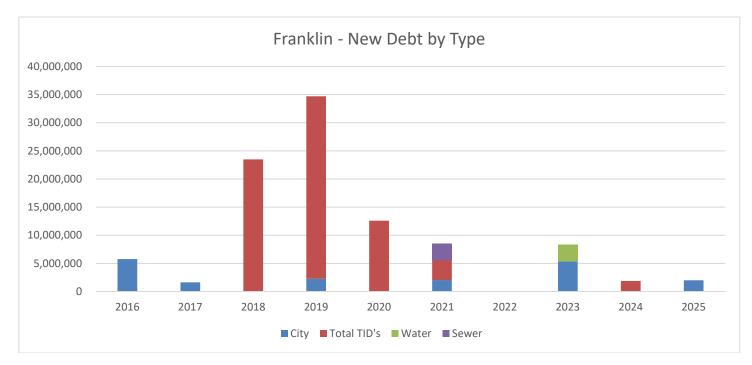

The City's debt policy also outlines key financial targets related to its outstanding debt. As of December 31, 2024, the City's performance against these targets is as follows:

- At least 70% of the outstanding debt due within ten years: The City exceeded this target, with 76% due within ten years.
- **Maintain an Aa2 credit rating:** The City maintained its Aa2 credit rating, reflecting its strong creditworthiness.
- No more than 20% of the total tax levy for debt service: The City kept debt service to 5.13%, well within the policy limit.

Recent Debt Issues (by year of issuance): The City has issued several debt instruments in recent years to finance capital projects and support the City's infrastructure and development needs. Each issuance is described below:

- **2016**: Refinanced a 2007 debt issue with a \$5.77 million obligation, realizing \$389,894 in future savings.
- **2017**: Issued \$1.63 million in new debt (Issue 2017B) to fund 2018 Capital Improvement Fund projects.
- **2018**: Issued \$23.48 million in Taxable Anticipation Notes (Issue 2018A) to support TID #5 projects.
- **2019-2020**: Issued various bonds to refinance debt and fund infrastructure for multiple TIDs.
- **2021**: Issued \$6.51 million to finance capital projects and sewer lift station replacements.
- **2023**: Issued \$5.33 million in tax-exempt notes for capital and water tower projects.
- **2024**: Issued \$1.88 million for public utility and infrastructure in TID #9.

Recent debt issues by year of issuance are illustrated described below:

City of Franklin, WI 2025 Debt Service

In 2016, the City refinanced a 2007 debt issue with a new \$5.77 million obligation (Issue 2016A), resulting in future savings of \$389,894. The final due date for this refinancing was March 1, 2021.

In 2017, the City issued \$1.63 million in new debt (Issue 2017B) to fund 2018 Capital Improvement Fund projects.

In May 2018, the City issued \$23.48 million in taxable Anticipation Notes (Issue 2018A) to support TID #5 projects, with the entire note due by March 2023. In February 2019, \$10 million was refinanced, followed by an additional \$4 million in March 2020, with the final piece of permanent financing for TID #5 completed in 2020.

In February 2019, the City issued \$13.685 million in taxable bonds (Issue 2019A), which refunded \$10 million of the 2018 Anticipation Note with a new 13-year bond for TID #5. Additionally, \$3.005 million was allocated for a developer's grant in TID #3, payable over four years.

Also, in February 2019, the City issued \$6.35 million in tax-exempt 15-year bonds (Issue 2019B) to finance infrastructure in TID #6, a new industrial park established in October 2018. An additional \$3 million was financed to cover the remaining infrastructure costs in TID #6.

In December 2019, the City issued \$12.47 million in Taxable General Obligation Bonds (Issue 2019C), which included \$3.225 million for infrastructure in TID #5, \$4.045 million to refinance a portion of the 2018 Anticipation Notes, \$2.06 million for infrastructure in TID #7, and \$3 million to provide a ten-year mortgage in TID #7.

In December 2019, the City also issued \$2.285 million in tax-exempt General Obligation Notes (Issue 2019D) to finance 2019 Capital Improvement Fund projects.

In December 2020, the City issued \$9.5 million in taxable bonds (Issue 2020A) to refinance the balance of the 2018 Anticipation Notes and \$3 million in tax-exempt bonds (Issue 2020B) to finance the remaining infrastructure commitment in TID #6.

In 2021, the City issued \$2.045 million in tax-exempt notes (Issue 2021A) for capital projects and a \$6.51 million bond (Issue 2021B) to finance a replacement sewer lift station in the industrial park, along with \$3.505 million for infrastructure in TID #8.

In 2023, the City issued \$5.33 million in tax-exempt notes (Issues 2023A & 2023B) to finance capital projects and a \$2.995 million bond (Issue 2023A) for a water tower project.

In August 2024, the City issued \$1.88 million in tax-exempt notes (Issue 2024A) to finance public utilities and infrastructure in TID #9.

The City traditionally issues debt every other year, a practice that will continue. However, starting in 2025, additional borrowing is recommended to address capital needs, including existing deficiencies and growth. Future debt will be partially offset by repayment of outstanding debt scheduled during this period. The increased level of development, especially involving the Water Utility and TIDs, may cause debt levels to rise and necessitate reconsidering the internal debt limit. The City may also consider utilizing revenue bonds instead of general obligation debt for significant utility improvements.

TAX INCREMENTAL FINANCING DISTRICTS (TIDs)

PROGRAM DESCRIPTION:

The City of Franklin operates several Tax Incremental Financing Districts (TIDs) designed to promote development in specific areas. TIDs generate increased tax revenue from the new development within their boundaries. This incremental tax revenue is the primary funding source for TID projects, allowing the City to support infrastructure improvements and other expenditures outlined in the approved Project Plans.

The City may request its Community Development Authority (CDA) to act as an agent in planning and executing community development programs within a TID, subject to approval by the Mayor and Common Council. However, the CDA is not currently involved with any operating TIDs.

Each TID operates within a legally defined timeframe governed by State Statutes, which determines the duration of expenses incurred. TIDs #5, #6, #8, and #9 have a 20-year maximum life and a 15-year spending period. TID #7, designated as a Blighted District in 2019, has a 22-year spending period and a 27-year maximum life.

City of Franklin, WI 2025 TIF Districts

TIF District # 5 Ballpark Commons - (Fund 43) & District #7 – Velo Village – (Fund 45) Established by Resolution 2016-7222 in September 2016, TID #5 centers on the Rock Sports Complex at the former landfill site, including parcels south of W. Rawson Avenue and west of W. Loomis Road. The District's primary objective is to support infrastructure improvements, including roads, sanitary sewer, water systems, and methane gas remediation, in connection with the Ballpark Commons Development. The project anticipates \$160 million in new development, with \$22.5 million in project costs. TID #5 is a mixed-use district with a 20-year lifespan, set to expire in 2036.

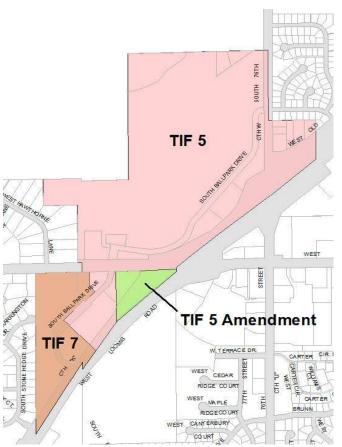

The City issued \$23.5 million in Note Anticipation Notes (NANs) in May 2018 to finance project costs, followed by \$3.5 million in pay-as-you-go obligations as an incentive for the Developer.

In February 2019, the City refunded \$10 million of the NANs with \$10.6 million in 14year General Obligation Bonds. In December 2019, the City issued bonds (Issue 2019C) to refund \$4 million of the NAN in March 2020. The remaining \$9.8 million in NANs was refunded with General Obligation Bonds in December 2020.

Per the Developer's Agreement, the City will issue an additional \$1.5 million in pay-as-yougo financing in 2031 to assist with methane gas remediation, contingent on sufficient tax increment to cover the payments.

In December 2019, the City also issued \$5.285 million in General Obligation Notes (Issue 2019C) to finance additional infrastructure costs in TID #5 and TID #7.

Development within Ballpark Commons has progressed slower than expected, which may impact future debt service coverage. As of January 1, 2024, the district had a tax increment of \$76.5 million.

TID #7 was created as a Blighted District under Resolution 2019-7503 to support the development of Velo Village, a 265-unit market-rate apartment complex. The City provided financial assistance through a \$14.95 million pay-as-you-go grant over 20 years and a \$4.5 million second mortgage. The City issued \$3.03 million in General Obligation Notes and executed a \$1.5 million inter-fund advance to support the project.

As of January 1, 2024, TID #7 had a tax increment of \$43.4 million.

TIF District #6 (Fund 44)

TID #6 was created in October 2018 by Resolution 2018-7441, encompassing the area at W. Ryan Road and W. Loomis Road for the development of a mixed-use park. The project anticipates \$66 million in new development. The City is committed to providing \$9 million in Tax Increment Financing (TIF) assistance for infrastructure costs and \$3.1 million in pay-as-you-go (PAYGO) obligations for the original area. A developer's agreement was executed in

November 2018.

In February 2019, the City issued \$6.365 million in General Obligation Bonds to cover part of its \$9 million infrastructure commitment and an additional \$3.045 million to complete the funding for infrastructure costs. The \$3.1 million pay-as-you-go grant will be executed once the infrastructure is accepted.

In May 2020, the City amended the district boundary to include additional parcels to the south and west through Resolution 2020-7619.

While the anchor tenant, Verizon (Cellco), has delayed its development, the district's residential component has continued progressing. As of January 1, 2024, the district had a tax increment of \$24.8 million.

The point at which the district can

close will depend on continued development progress within the TID.

TIF District #8 (Fund 40)

On May 5, 2020, the Common Council adopted Resolution 2020-7620 to create TID #8, a mixed-use district overlaid on TID #4. This district supports the infrastructure required to develop the new Corporate Park, located west of S. 27th Street, between Ryan Road and S. County Line Road.

The district began with a base value of \$49.3 million and envisioned approximately \$125 million in new development, with estimated project costs of \$39 million. In December 2021, the City issued \$3.505 million in General Obligation Bonds to support road and stormwater infrastructure projects within the district.

Several significant developments are anticipated in the district that may require TIF assistance for infrastructure. A key priority remains the construction of Elm Road, which is critical to facilitating future use and development.

As of January 1, 2024, the district had a tax increment of \$89.1 million.

City of Franklin, WI 2025 TIF Districts

TIF District #9 (Fund 60)

On October 17, 2023, the Common Council adopted Resolution No. 2023-8054, creating TID #9, a mixed-use district near 76th Street and Ryan Road. The initial development leading to the district's creation was Carma Laboratories' plans to construct a new headquarters facility. The district also includes additional land with the potential for future development.

The City projects that this development will result in new land and improvements valued at approximately \$102.2 million. Current estimates indicate the district will generate sufficient tax increment to cover all project costs within 13 years. However, the district can remain open for a maximum of 20 years for tax increment collection.

In July 2024, the City issued \$1.880 million in General Obligation Debt to support public infrastructure needs within the district.

City of Franklin, WI 2025 TIF Districts

TIF District's Outstanding Debt

General obligation debt proceeds are provided to the TIF Districts directly or through inter-fund advances from other City funds. The schedule of outstanding debt maturities details the amounts borrowed, the outstanding balance, and annual debt service payment obligations over the next several years. Pay-as-you-go (Municipal Revenue Obligations) are not included in the schedule, as the principal and interest payments for those obligations depend on the tax increments generated by the TIDs.

As outlined in the Debt Section of the 2025 Mayor's Recommended Budget, TID general obligation debt accounted for \$43.4 million of the City's total \$74.0 million general obligation debt in 2024, representing approximately 58.6%. By 2025, TID debt is projected to be \$43.3 million, comprising 62.8% of the City's expected total debt of \$69.0 million.

SELF-INSURANCE INTERNAL SERVICE FUND FUND 75

PROGRAM DESCRIPTION

2025 Self-Insurance Fund Summary:

The Self-Insurance Fund (Fund 75) supports the City of Franklin's medical, dental, and other employee insurance-related costs. For 2025, the total estimated revenues are projected at \$4,233,945, maintaining the level from 2024 and driven by group health charges, stop-loss premium rebates, and investment earnings.

Key Revenue Sources:

- **Medical High-Deductible Plans**: These are expected to generate \$2.95 million, including city and employee contributions charges.
- **Dental Insurance**: Estimated at \$218,000, reflecting dental charges from active employees and retirees.
- Investment Earnings: Consistently projected at \$148,000.

Appropriations:

Total appropriations for 2025 are budgeted at \$4,862,777, reflecting a significant portion allocated to medical insurance claims. The key areas of expenditure include:

- **Medical Insurance Claims:** Budgeted at \$3.63 million, most of which is for highdeductible medical plans. Prescription drug claims and stop-loss premiums account for substantial portions of this.
- **Dental Insurance Claims:** Total appropriations are budgeted at \$196,462, with ongoing claims from active employees and retirees.

Challenges:

The Self-Insurance Fund's ongoing challenge is the rising costs of medical claims and insurance premiums, especially prescription drug claims. The 2025 budget addresses these costs while maintaining sufficient reserves to manage future claim uncertainties. The net change in fund balance is projected to be a deficit of \$628,832, signaling the need for careful resource management to sustain long-term fund health.

RESOLUTION NO. 2016-7216

A RESOLUTION TO REVISE THE FUND BALANCE POLICY FOR THE CITY OF FRANKLIN

WHEREAS, the Common Council adopted a fund balance policy primarily for the General fund in resolution 2001-5299 to deal with working capital need and other needs;

WHEREAS, the Common Council amended that policy on September 4, 2012;

WHEREAS, the Common Council further amended the Fund Balance Policy on October 7, 2014 with Resolution No. 2014-7025 to expand the Funds included in the policy;

WHEREAS, the Equipment Replacement fund was established to provide resources for future known equipment purchases;

WHEREAS, the Equipment Replacement Fund balance will periodically exceed the recommended fund balance as defined by the policy such that the Equipment Replacement fund should be specifically excluded from the policy; and

WHEREAS, the policy provides guidance for fund balance levels, how to adjust them and when to adjust them.

NOW, THEREFORE, BE IT RESOLVED, that the ratio of year end Fund Balance to current year Expenditures shall target a range between 20 and 30%. The amount of Fund Balance will be taken into consideration when establishing the following year's budget as follows:

- 1. When the ratio falls below 20%, provision will be made through the budget process to increase the year end fund balance;
- 2. When the ratio is in the range of 20 30% no provision need be necessary through the budget process to affect the year end fund balance;
- 3. When the ratio is above 30%, provision will be made through the budget process to decrease the year end Fund Balance.

BE IT FURTHER RESOLVED that Fund Balance will be used to support expenditures that are of a one time nature and do not require a repeated resource to maintain the expenditures; and

That Unassigned Fund Balance equal to at least 15% of the succeeding year expenditure budget be maintained for working capital to enable the City to meet the cash flow requirements of the coming year; and

Resolution No. 2016-7216 Page 2

The following tax levy supported funds will be included in the calculation of the ratio: General Fund, Library Fund, Solid Waste Fund, Capital Outlay Fund, Street Improvement Fund, Debt Service Fund and Special Assessment Fund; and

Non-spendable fund balance of the General Fund shall be excluded from the fund balance total; and

Responsibility for determining Fund Balance types (Nonspendable, Restricted, Committed, Assigned and Unassigned) as defined by Governmental Accounting Standards shall rest with the Director of Finance & Treasurer (or successor position).

| | | | | |
| The City of Franklin Investment Policy requires a periodic review. The last time this policy was reviewed was in May, 2016. The policy provides the framework in which the Director of Finance & Treasurer invests City funds. Safety and liquidity are the primary principals enshrined in this policy and State Statutes surrounding investment of Public funds. | | | | |
| The Finance Committee reviews the policy and when changes are recommended, bring those changes forward to the Common Council for consideration. | | | | |
| The Finance Committee reviewed the changes recommended by the Director of Finance & Treasurer to this investment policy statement. | | | | |
| The updated policy will affect funds under management either with our fixed income investment manager or managed by the Finance Department. | | | | |
| Changes to the policy are highlighted in the attached draft of the policy. The changes include: 1. Removal of the temporary extended average life of the reserve portfolio (Clause 4 C) 2. The addition of a statement on allocation of cash balances to the liquidity and/or reserve portfolios. | | | | |
| The addition of a statement directing that investment earnings are allocated between funds based upon each fund's participation in the reserve or liquidity portfolios. An extension of the period between policy reviews to a maximum of three years. | | | | |
| The monthly financial report to Common Council provides a summary of City Investment portfolios, including a maturity schedule for each portfolio. This provides some transparency on compliance with the Investment policy. | | | | |

CITY OF FRANKLIN INVESTMENT POLICY STATEMENT

All City of Franklin investible funds excluding those under management by Principal Financial Advisors for the DPW Pension program or the Principal Defined Contribution Plan and those OPEB Funds managed by held in a trust set up for that purpose are subject to this investment policy statement. The portfolio of investments for this policy are the reserve and liquidity investments except for those associated with fiduciary and water utility funds.

RESERVE INVESTMENTS

1. SCOPE

This investment policy applies to funds not needed during an annual operating cycle. The determination as to the funds applicable to this category will be made by the Director of Finance & Treasurer based upon the projected cash flow needs of the City of Franklin from time to time. The Director of Finance & Treasurer will authorize transfers between the various investment types. Investment decisions for funds under management will be made for the City by the Investment Manager under the terms of this policy on a non-discretionary basis. A non-discretionary basis allows the investment manager to make investment decisions on behalf of the City after specific investment approval in advance of each investment transaction. City input and approval on investment decisions will be through overall investment strategy and input and approval provided by the Director of Finance & Treasurer or the Deputy Treasurer. In the event they are not available the Accounting Supervisor may provide the investment decision.

2. INVESTMENT OBJECTIVE

The investment objective is to generate current income, consistent with safety and reasonable risk as defined under the "Prudent Person Rule". Because these funds represent operating reserves, quality of the issues, liquidity, and maturity structure of the portfolio are most important.

3. DIVERSIFICATION REQUIREMENTS

Total holdings of any one <u>issuer</u> may not exceed 10% of the market value of the portfolio under management. Total holdings of any one asset class may not exceed 50% of the market value of the portfolio under management at time of purchase. However not more than 30% of the market value of that asset class can have maturities of eighteen months or more to their stated maturities. Exception to the diversification requirements are made for:

U.S. Government Treasury issues

U.S. Government Agency issues (excluding mortgage backed securities) Issues that are rated AAA and have the full faith guarantee of the U.S. Government.

4. MATURITIES

Maturities of portfolio additions are to be selected consistent with the City's anticipated cash flow needs. For purposes of this Policy Statement, "maturity" is defined as final payment in the case of conventional debt securities, or "average life" in the case of securities that have periodic principal pay downs throughout the life of the security.

- A. The maximum cash reserve shall not exceed \$500,000 without specific approval of the Director of Finance & Treasurer.
- B. The portfolio, at all times, shall have a minimum of \$500,000 inclusive of cash reserves, maturities within 60 days and securities that can be sold at 99.5% of par.
- C. The average maturity of the portfolio shall not exceed 2 1/2 years with no individual issue maturity exceeding 5 years (7 years for treasury and agency issues) from date of purchase. From 2013 to 2018, the average maturity of the portfolio can extend to six years.
- D. Floating rate securities, the coupons of which adjust to market interest rates with a minimum frequency of four times annually, shall not be subject to the maturity constraint outlined above.
- E. The portfolio shall strive to maintain a laddered maturity structure in line with the City's cash flow needs.

5. LIQUIDITY

Liquidity and marketability should be prime considerations in the selection of individual securities.

6. ACCEPTABLE INVESTMENTS (Subject to WI Statutes Sec 66.0603 and Diversification Requirements)

A. Securities of the U.S. Government or agencies thereof.

- B. Fixed income securities that carry a minimum rating of AA by either Moody's or Standard & Poor's at date of purchase.
- C. Investments in commercial paper and variable rate demand notes are restricted to corporations rated A-I or P-I, or if unrated, restricted to those issuers whose long-term debt is rated AA or higher by one of the major rating agencies.
- D. Investments in Certificates of Deposit and Bankers Acceptances are restricted to Banks with a short-term debt rating of A-I or P-I and long-term debt ratings of AA or Aa by one of the major rating agencies.
- E. Government repurchase agreements with a minimum of 100% or more collateralization with respect to its estimated market value plus accrued interest in direct U.S. Government securities and guaranteed Small Business Administration securities (pools and loans).
- F. Money market funds adhering to the quality guidelines described above are acceptable.
- G. Mortgage backed and asset backed securities that carry a final maturity not more than seven (7) years

H. Securities with a rating of AA+, AA or AA- (Aa1, Aa2, Aa3) are considered to have the same rating for purposes of this policy.

7. RESTRICTIONS

- A. No security restricted in WI Statutes Sec 66.0603 will be purchased. For any security that has a rating decline to A by both Moody's and Standard and Poor's the investment manager on a case by case basis must either sell the investment or recommend to the Finance Committee at their next meeting the rationale for retention of the investment.
 - 1. Securities which fall to Baa or lower (by Moody's) shall be sold within 60 days of the downgrade.
- B. No derivative type investments such as collateralized mortgage obligations, strips, mortgage backed, asset backed, etc. that carry a final maturity greater than seven (7) years
- C. No foreign-denominated securities will be purchased.
- D. No Certificate of Deposits, Bankers Acceptances or other securities issued by corporations affiliated with the Investment Manager are to be purchased.
- E. No investment will be purchased outside of the range of 98% to102% of par value without approval of the Director of Finance & Treasurer or the Deputy Treasurer.

8. POLICY AND PERFORMANCE REVIEW AND PERFORMANCE MEASUREMENT

This investment policy and the performance of the funds under management shall be reviewed each year during the first quarter. The management benchmark for comparing portfolio performance shall be the Merrill Lynch 1-5 year Government index with the understanding that priority will be given to matching portfolio maturities to anticipated cash flow needs.

LIQUIDITY INVESTMENTS

9. SCOPE

This investment policy applies to funds needed during an annual operating cycle and other funds invested on a short term basis. The determination as to the funds applicable to this category will be made by the Director of Finance & Treasurer based upon the projected cash flow needs of the City of Franklin. The Director of Finance & Treasurer will authorize any transfers between the reserve and liquidity investment types. Investment decisions for liquidity funds for the City will be made by the Director of Finance & Treasurer or the Deputy Treasurer.

10. INVESTMENT OBJECTIVE

The investment objective is to generate current income. Because these funds represent liquidity reserves, quality of the issues and liquidity of the portfolio are most important.

11. DIVERSIFICATION REQUIREMENTS

Investments with greater than daily availability are subject to a diversification requirement of not exceeding 10% per institution and 20% per investment type of the portfolio under management. Exception to the diversification requirements are made for:

U.S. Government Treasury issues

U.S. Government Agency issues (excluding mortgage backed securities) Issues that are rated AAA and have the full faith guarantee of the U.S. Government.

12. MATURITIES

Maturities of investments shall be selected to match the need for funding during the annual operating cycle. Maturities in the Reserve Investments within the current annual operating cycle can be considered part of the Liquidity investments.

13. LIQUIDITY

Liquidity and marketability should be prime considerations in the selection of individual securities.

14. ACCEPTABLE INVESTMENTS

A. Money Market funds of authorized depositories

B. Money Market funds from authorized depositories, not exceeding \$250,000 per institution, assembled by an agent of the City where the City provides the funds to the agent and the agent invests the funds in various money market funds on behalf of the City.

- C. Funds invested in the State of Wisconsin Local Government Investment Program
- D. Certificates of Deposit of local financial institutions that are authorized depositories with preference, when possible, to financial institutions located in the City of Franklin.
- E. Government repurchase agreements with a minimum of 100% or more collateralization with respect to its estimated market value plus accrued interest where the underlined securities are U.S. Government Treasury issues, U.S. Government Agency issues (excluding mortgage backed securities), and Issues that are rated AAA and have the full faith guarantee of the U.S. Government including guaranteed Small Business Administration security issues (pools and loans).

15. RESTRICTIONS

A. No security restricted in WI Statutes Sec 66.0603 will be purchased.

- B. No securities other than money market, government repurchase agreements, certificates of deposit, savings accounts or checking accounts are acceptable.
- C. All investment maturities shall be in less than 365 days.

D. Investments that do not have either FDIC coverage or the full faith guarantee of the U.S. Government shall require a written credit analysis of the offering institution prior to making the investment.

- Subject: Debt Policy
- Issue Date: August 6, 2019
- **Source:** Director of Finance & Treasurer

Affected

- Departments: All
- **Purpose:** Issue debt and manage debt portfolio to ensure that the City maintains a sound debt position and that its credit quality is protected. Recognizing that access to capital markets over the long term is dependent upon the City's unwavering commitment to full and timely repayment of debt.
- **Policy:** The City may issue bonds and notes for purposes of financing its capital improvements program, to refund existing debt and to provide financing for its Tax Incremental Financing Districts. The capital improvements program includes projects to acquire, plan, design, construct, improve and equip all or any part of its facilities or systems, promote economic development or to secure quality of life issues. Tax Incremental Financing Districts are limited areas that have been created to provide infrastructure to promote economic development.

The City will strive to continue to maintain a balanced relationship for financing its capital improvements through using pay as you go financing for its local street repaving program and for major equipment replacement purchases.

The Finance Committee will review each debt offering for compliance with this policy.

Debt Limitations:

Section 67.03 of Wisconsin Statutes requires that general obligation debt outstanding shall not exceed 5% of the equalized valuation of the taxable property within the City. Revenue bonds and notes are not considered debt for purposes of determining compliance with constitutional debt limitations. The City intends to keep outstanding general obligation debt within 40% of the limit prescribed by law and at levels consistent with its credit objectives and long-term financial plan. 2019 projections indicate that exceedance of the 40% limit is likely – which should cause Common Council to review the situation or modify the policy.

Types of Debt and Structural Features:

The City has statutory authority to finance capital improvements through the issuance of debt instruments, including:

- General Obligation Notes
- General Obligation Bonds
- Bond Anticipation Notes
- Revenue Bonds
- State of Wisconsin Capital Financing Programs
- Leases and Land Contracts

The City shall issue General Obligation Notes (maximum ten year maturity) for general capital improvements and shall use General Obligation or Revenue Bonds (maximum twenty year maturity) for Major capital projects, Buildings, Water, Wastewater and Stormwater utility capital financing unless staff demonstrates other authorized debt instruments provide a financial advantage. Staff will consider the useful life of the project assets being financed and the long-range financial and credit objectives when determining the final maturity structure of any debt issue. The City will issue debt on a fixed rate basis and intends to maintain 70% of the debt due within ten years.

The City may also issue debt on behalf of for-profit or non-profit corporations when doing so would promote economic development or secure quality of life issues. Prior to issuing such debt, the corporation shall provide substantive proof acceptable to the City that no budget appropriation shall be required to repay the debt. The City shall not issue debt on behalf of a non-profit corporation if doing so would prevent the City from issuing "bank qualified" debt for its own purposes without compensation from the non-profit corporation to cover the additional debt service cost.

Capital lease financing shall be considered only if verifiable operating savings when properly discounted outweigh the lease financing costs. Written justification detailing the explanation of factors considered including a cash flow analysis reviewed by Staff and submitted to the Finance Committee for consideration and approval before any lease is entered into.

Credit Objectives:

The City will seek to maintain or improve its current credit rating with Moody's: General (Aa2). The City will strive to maintain good relations with the rating agency and keep them informed of significant developments that could affect the City's credit rating.

In order to achieve its credit rating objective, the City recognizes the need to integrate the debt policy with its capital improvement program and long-range financial plans. The following objectives will be used to maintain debt service requirements at an affordable level and enhance the credit quality of the City:

- Levy for debt service no greater than 20% of the total tax levy with an effort to maintain the levy at a proportionate even level for tax rate stabilization. (Excluding TID Debt Service Levy).
- Responsible defeasance of general debt or reduction of current year borrowing package in conjunction with the General Fund Balance Policy.
- Flexibility to fund future expenditures necessary to provide essential City services and economic viability.

Method of Sale

The City will normally issue general obligation debt through a competitive bidding process with the exception of Council authorized negotiated sales or State of Wisconsin Capital Financing Programs. Bids will be awarded on a true interest cost (TIC), providing other bidding requirements are satisfied. In the instances in which staff believes competitive bidding produced unsatisfactory bids, the Council may authorize staff to negotiate the sale of the securities.

Negotiated sales of general obligation debt will be considered in circumstances when the complexity of the issue requires specialized expertise (such as advanced refunding to restructure debt service), when time to complete a sale is critical or when a negotiated sale would result in substantial cost savings. Negotiated sales of debt will also be considered for revenue bonds, bond anticipation notes, leases and land contracts when the complexity of the project, revenue source for debt service, or security for the debt makes it likely that a negotiated sale would result in a financial advantage to the City.

Debt sold directly to the State of Wisconsin will be used when the City undertakes capital projects to maintain permit compliance, pollution control, or stormwater control or other issues that are eligible to receive below market rate loans.

Refundings

Periodic reviews of outstanding debt will be undertaken to determine any refunding opportunities. Refunding will be considered (within federal tax law constraints) if and when there is a net economic benefit of the refunding.

In general, advance refundings for economic savings will be considered when net present value savings of at least 2% of the refunded debt can be achieved. Current refundings that produce net present value savings of less than 2% savings may be considered when there is a compelling public policy or long-range financing policy objective.

Disclosure

The City is committed to full and complete financial disclosure, and to cooperating fully with rating agencies, institutional investors, bond insurers, other units of government, and the general public to share clear, comprehensible, and accurate financial information.

The Finance Department will provide continuing disclosure in compliance with continuing disclosure certifications made at the time of each debt issuance.

Financial Advisor and Bond Counsel

Selection of bond counsel and financial advisor will undergo periodic review.

STATE OF WISCONSIN: CITY OF FRANKLIN: MILWAUKEE COUNTY

RESOLUTION NO. 2015-7096

A RESOLUTION TO ADOPT PURCHASING CARD POLICIES AND PROCEDURES FOR THE CITY OF FRANKLIN

WHEREAS, Department Heads use personal funds for incidental City purchases; and

WHEREAS, vendor relationships are created for incidental purchases that require expensive infrastructure to process payments, and

WHEREAS, Purchasing card programs have been established by several vendors that offer means to consolidate these incidental purchases onto one monthly billings, and

WHEREAS, these Purchasing card programs offer participating Wisconsin municipalities additional savings by directing payments thru the Purchasing card programs, and

WHEREAS, it is in the interest of the City of Franklin to participate in a Purchasing card program.

NOW, THEREFORE, BE IT RESOLVED, that a Purchasing Card program be adopted by the City of Franklin with the following Policies

- 1. City Purchasing cards will be issued to Department Heads and other department staff as requested by department heads with the approval of the Director of Finance & Treasurer and the Mayor.
- 2. Purchasing cards will be subject to appropriate limits based upon the employee's position and job responsibilities. Maximum limits as follows:
 - a. Per transaction as determined by the Director of Finance & Treasurer.
 - b. Daily as determined by the Director of Finance & Treasurer.
 - c. Monthly \$10,000 per cardholder.
 - d. Finance Department would have available card with \$150,000 limit for payment of certain products/services included in the state contract vendor list. Invoices are still subject to all budgetary controls on transactions.
- 3. Splitting transactions to avoid transaction or daily limits are expressly prohibited.
- 4. Purchasing cards to be used only for City purposes. Personal purchases of any type are never allowed.
- 5. Each card holder is personally responsible for all use of that card except for fraud protection provided by issuer until reported lost/stolen to the card issuer. Card holder agrees to strive to obtain the best value for the City when using the card.
- 6. The following purchases are never permitted except with written permission by the Mayor, subject to re-imbursement by the card holder where appropriate:

- a. Alcoholic beverages [exceptions as may be granted in the event of a special circumstance or an event where alcohol may be included as a component of an event or ticket price].
- b. Tobacco products.
- c. Gift cards.
- d. Controlled substances.

- k. Telephones, related equipment or services (unless otherwise permitted by card issuer program).
- 1. Any other items deemed inconsistent with City services or activities
- m. Cash advances.
- 7. Cardholders should avoid transactions that include transactions fees for use of the card.
- 8. Cardholders are required to sign an agreement indicating they accept these terms. Individuals who do not adhere to these policies and procedures risk revocation of their card privileges and/or disciplinary action. An individual perpetrating fraud or theft committed through use of a card will be subject to disciplinary action and/or a criminal complaint.
- Required receipts/documentation provided for each purchase with monthly statements. Repeated failure to provide this information would result in revocation of the card privilege
- 10. Department heads remain responsible for budgetary controls on expenditures.

BE IT FURTHER RESOLVED that procedures for handling card transactions shall include:

- 1. Cards may be requested for prospective cardholders by written request to the Director of Finance & Treasurer.
- 2. Statements will be rendered by the issuer to the Finance Department, who will circulate individual statements to card holders. Cardholders are to provide itemized receipts for approval to Department Head (or in the case of the Department Head to their supervisor) for approval. The approved statement is then forwarded to Finance for timely payment. The bank program requires quick payment terms to afford maximum City advantage of program benefits, as such timely processing of approvals is requested to be in Finance within ten days.

- 3. In the case of meals, each receipt must include the name of the person(s) involved, and a brief description of the business purpose of the purchase.
- 4. Card holders should immediately notify the Director of Finance & Treasurer of any transactions they do not recognize.
- 5. Finance department will review each report for appropriate or questionable charges and consult with department head and or Mayor on issues.
- 6. All monthly statements submitted for payment must include the dated approval of the cardholder and Department Head (manual or electronic).
- 7. All monthly statements submitted for payment must have the appropriate account number(s) and the associated amounts.
- 8. Cardholders should use reasonable effort to ensure that purchases do not include sales tax. Tax exempt certificates are available through the Finance Dept.
