

WI COVID-19 VACCINE PRIORITIZATION

THE FRANKLIN HEALTH DEPARTMENT WILL SERVE AS AN IMMUNIZATION CLINIC SITE

**Vaccine clinic dates and information during vaccine roll
out will be shared as they develop at:
www.franklinwi.gov**

The prioritization of vaccine is guided by the
Federal Advisory Committee on Immunization
Practices and the Wisconsin State Disaster
Medical Advisory Committee. Priority is
currently set as a phased approach:
Phase 1A. Phase 1B. Phase 1C.

www.dhs.wisconsin.gov/sdmac/index.htm

1A

Target Date:
January 2021

- Front line health care providers
- Skilled nursing facility residents and staff
- Long-term care facility residents and staff

1B

Target Date:
To be determined as
vaccine supply increases

- Persons aged 75 and older
- Non-health care frontline essential workers

1C

Target Date:
To be determined

- Persons aged 65-74
- Persons aged 16-64 with high-risk medical conditions
- Essential workers not included in Phase 1B

*This information is subject to change based on further
guidelines and vaccine supply.
