EMERGENCY ORDER #12
SAFER AT HOME ORDER – SUMMARY

Earlier today, Governor Evers and the Department of Health Services outlined the details of the Safer at Home Order, effective at 8:00 a.m. Wednesday, March 25, through 8:00 a.m. Friday, April 24, 2020, or until another order supersedes it. Below is a summary of the key aspects outlined in this Order:

- **Gatherings are not allowed:** All public and private gatherings of any number of people that are not part of a single household or living unit are prohibited. Avoid social gatherings with people of all ages (including playdates and sleepovers, parties, large family dinners, visitors in your home, non-essential workers in your house).
- **The public should follow simple steps to prevent illness and avoid exposure to this virus including:**
 - ✓ Frequent and thorough hand washing with soap and water;
 - ✓ Covering coughs and sneezes;
 - ✓ Avoiding touching your face; and
 - ✓ Stay home as much as possible: #StayHomeSaveLives
- **Limit travel:** Trips outside of the home should only be to travel to and from for certain types of employment. To stores to obtain goods, including groceries, essential household items or supplies, medication and other services, such as medical appointments, for yourself or anyone you may be caring for. Traveling to exercise outdoors on trails or pathways is allowed and encouraged, as long as social distancing practices are maintained.
- **Residents should continue to practice social distancing whenever possible.** Residents are able to:
 - Perform tasks essential to maintain health and safety, such as obtaining medicine or seeing a doctor;
 - Get necessary services or supplies for themselves or their family or household members, such as getting groceries and essential household items, pet food and supplies necessary for staying at home;
 - Travel to, and care for, a family member in another household; and
 - Care for older adults, minors, dependents, people with disabilities or other vulnerable persons.

- **Businesses allowed to operate under the Safer at Home order include, but are not limited to:**
 - Health care operations, including home health workers;
 - Critical infrastructure;
 - Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise vulnerable individuals;
