CERTIFICATION FORM
FINAL GRADE CERTIFICATION
FOR NEW ONE & TWO-FAMILY DWELLING UNITS

CITY OF FRANKLIN 9229 W. Loomis Road, Franklin, WI 53132
Inspection Services (414) 425-0084 Engineering Dept. (414) 425-7510

In compliance with Franklin Municipal Code Section 92-1 "Building site improvements" the undersigned certifies that the referenced location is in general compliance with the approved Plat of Survey Grading Plan on file in the Engineering Department. Attached is a certified "As-Built" showing conformance and ready for review by the City Engineer.

The undersigned further certifies that a visual inspection revealed that the entire site is landscaped with an established ground cover of a common species of grass to prevent erosion and furthermore that there are no temporary erosion and sediment control structures still present or buried including, but not limited to, silt fences, ditch checks, and inlet protection fabrics.
