36) Records Research for Information Requests

Requests for information that require research of the Inspection Department's records shall be charged at the actual costs. Pursuant to Wis. Stat. §19.34(c) "...an authority may impose a fee upon the requester of a copy of a Record, not exceeding the actual, necessary, and direct cost of location, if the cost is \$50.00 or more."

NOTE: Fees for reviewing plans or permits that are charged to the City by other government entities are passed along, at full cost, against the permit generating the additional fee. Such fees charged are required to be paid at time of application or at issuance if the fee occurred following application.

NOTE: Gross square footage calculations are based on the dimensions of the building from exterior faces of the exterior walls of each finished floor level and the garage. Unfinished basements, in one- and two-family dwellings or portions thereof, are not included in this calculation.

NOTE: Projects of and for the City of Franklin (General Government, not Special Fund entities or utilities) are exempt from permit fees.

NOTE: In determining valuation, all construction shall be included with the exception of heating, air conditioning, electrical or plumbing work. Permit fees for all One & Two-Family Dwelling interior alteration, remodeling, repair (excluding foundation repair work) and restoration projects including basement build-outs and specialty rooms, kitchen remodeling, bathroom remodeling, fire and water damage restoration work or similar repair work shall be based on square footage of work area utilizing the square footage multiplier under item 2 in this fee schedule. Work area shall be determined at the sole discretion of the Building Inspector.

NOTE: If construction is not commenced prior to expiration of the permit, that portion of the permit fee, excluding plan exam and technology fees that exceeds the minimum fee may be refunded upon written request.

NOTE: Unless specifically noted, all fees in fractions of a dollar shall be rounded to the next full dollar in value.

NOTE: In the case that the owner or contractor fails to commence construction prior to 4 months before the date the permit would expire per the code, a new permit application shall be required; and a new permit shall be issued at the regular fee.

NOTE: If the permit has expired before the construction work is completed, a new permit may be re-issued at one-half (1/2) the regular fee or at the re-inspection rate for each remaining inspection. The method used shall be determined by, and at the sole discretion of, the Building Inspector. For permits re-issued, the regular fee shall not include any plan exam and occupancy permit fees.

NOTE: If construction was completed during the permit term and a Final Inspection was not done, the owner/contractor may, at any time, be entitled to one (1) Final Inspection and one (1) Final Re-inspection without the need to renew the permit or incur a separate inspection fee.

NOTE: Requests for Special Inspections or Inspections during Non-Working Hours are ONLY provided when an Inspector can be available. This does not include non-required Inspections or complaints.

SECTION 2: All ordinances or parts of ordinances in contravention to this ordinance are hereby repealed.

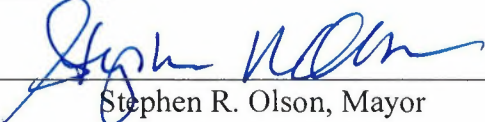

SECTION 3: This ordinance shall take effect upon its passage and publication as required by law.

SECTION 4: The terms and provisions of this ordinance are severable. Should any term or provision of this ordinance be found to be invalid by a court of competent jurisdiction, the remaining terms and provisions shall remain in full force and effect.

Introduced at a regular meeting of the Common Council of the City of Franklin on the 15th day of February, 2022 by Alderman Holpfer.
