City Welcomes Cub Scout Pack 538

Cub Scout Group Den 3, Pack 538, with accompanying parents, were welcomed at the City's December 5, 2019 Plan Commission Meeting. The Scouts returned to participate in the January 7, 2020 Common Council Meeting. The Den led the Pledge of Allegiance at both meetings and watched their government in action as part of their Council Fire (Duty to Country) requirement.

Cub Scout Group Den 3, Pack 538, toured City Hall and led the Pledge of Allegiance at the December 5, 2019 Plan Commission Meeting and January 7, 2020 Common Council Meeting.

Our first President had this important message on educating our youth.

"A primary object should be the education of our youth in the science of government. In a republic, what species of knowledge can be equally important? And what duty more pressing than communicating it to those who are to be the future guardians of the liberties of the country?"

~George Washington

The Pack meets at Pleasant View Elementary and is open to K5 through 5th Graders. Affiliated with Three Harbors Council, the Pack celebrated its 52nd anniversary this year. To get involved, contact Den Mom, Liz Charewicz at echarewicz@icloud.com.

APRIL 1, 2020: Census Day is Observed Nationwide

By this date, every home will be mailed an invitation to participate in the 2020 Census. Once the invitation arrives, you should respond for your home in one of three ways: online, by phone, or by mail. When you respond to the Census, you tell the Census Bureau where you live as of April 1, 2020.

Property Tax Bill Payments

****REMINDER:** If you have selected the installment method for property tax payments, the final two installments are due March 31 and June 1, 2020.

ONLINE TAX PAYMENTS: Instructions for paying your taxes online were included with the tax bill and are available on the City's website. **Please note that payments take more than 1 business day to process. Waiting until the last day will cause the online payment to be AFTER the due date.**

Spring Brush & Leaves Pickup: Monday, May 4, 2020

The Spring brush and leaves pick-up will take place beginning Monday, May 4th. The City's waste hauler will move through the City starting at 7 a.m. on this Monday and work through the week until they are finished. **All brush piles and leaves are required to be curbside and next to the driveway by 7 a.m. on Monday, May 4th.** Brush and leaves that are not out when the hauler goes by will not be picked up at a later date. Your regular garbage will be picked up on your normal garbage pickup day. Please call 425-2592 with any questions.

Pick-up will include:

- Brush (tree limbs, bush cuttings, and similar) cut to no longer than 4 feet in length and no larger than 6 inches in diameter and must be tied/bundled and placed curbside next to your driveway. **Each household is limited to one tied/bundled pile not more than 4 feet long by 4 feet high by 5 feet deep and be 50 pounds or less.** NOTE: Larger piles, multiple piles, and brush thrown in the ditch will not be picked up.
- ****NEW** LEAVES MUST be in paper compostable yard waste bags or up to a 32-gallon trash container weighing 50 pounds or less that can be emptied into the collection truck (no limit on number of bags or containers).** Plastic bags of any kind are **NOT** allowed and will not be picked up, which includes no "compostable green" or biodegradable plastic bags. Compostable paper bags are available at Harry's Ace Hardware, Lowes, Menards, Target, and Wal-Mart. Please place bagged leaves away from your regular trash so they will not be missed. **NOTE: leaves are not to be raked into the street.**
- **No grass clippings, flowers, stumps, fruit, roots, or other garden debris will be accepted.** These items, as well as brush and leaves, may be disposed of at the Waste Management Metro Landfill, 12200 W. South County Line Road (414-529-6180).

Wisconsin Tornado & Severe Weather Awareness Week: April 13-17, 2020

Statewide Mock Tornado Drill: 
Thursday, April 16th:

1 p.m. Watch/1:45 p.m. & 6:45 p.m. Warning

Note: If actual severe weather is forecast for this day, drills will be postponed until Friday, April 17th.

Franklin Notification System

Automatic Notice of Tornado Warnings & More Directly to Your Phone or Email FREE!

Register today at www.franklinwi.gov or call 414-858-1100 for assistance!

NOTE: The Franklin Emergency Notification System that sends out voice, text, and email messages in the event of a tornado warning is NOT expected to send out a mock notification as part of the statewide mock tornado warning drill on April 16th as the Franklin Notification System only responds to a real tornado warning issued by the National Weather Service.

Adopt-A-Hydrant Program

As the snow falls, please help the Fire Department by adopting the fire hydrant closest to your home or business and keep it free of snow.

Please make it a point to uncover your fire hydrant after each and every snowfall. Clear a path approximately 3 feet around the hydrant and shovel a 3-foot path from the road to the fire hydrant. Should the need arise, these actions will allow the Fire Department to quickly locate the fire hydrant, obtain a water supply for firefighting activities, and give the Fire Department room to work around the hydrant.

Please consider helping a neighbor in need of assistance by shoveling out a hydrant in front of their home. This act of kindness will benefit the entire neighborhood that the hydrant services.

A fire engine/pumper carries enough water on board for approximately two to three minutes of firefighting. In the event of a fire, the Fire Department must quickly locate and gain a water supply from the closest fire hydrant. If a fire hydrant is buried by snow, valuable time must be spent locating the hydrant and digging it out. It may take from 4 to 6 minutes to dig out a fire hydrant buried by snow. The delay in gaining a water supply from a fire hydrant may disrupt the timely manner in which firefighters are able to fight the fire and may allow a fire to grow. Fire doubles in size approximately every 30 seconds.

The Adopt-A-Hydrant Program is an informal program; therefore, it is not necessary to advise the Fire Department which hydrants you will be clearing snow from.

On behalf of the entire Franklin Fire Department, thank you for keeping the City of Franklin's fire hydrants clear of snow and keeping our community safe!

Franklin Citizen Police Academy

Police Chief Rick Oliva has announced Class No. 27 of the Franklin Police Department Citizen Police Academy which begins Tuesday, March 3, 2020, for 12 consecutive weeks, and concludes on Tuesday, May 19, 2020. A graduation ceremony will take place on Tuesday, May 26, 2020.

Classes meet on Tuesday evenings from 6:30 p.m. to 9 p.m., usually in the Franklin Police Department community classroom. Additionally, each graduate may participate in a ride-along with officers on the street.

The Franklin Police Department's mission is to establish and maintain a course of instruction for citizens to familiarize themselves with the operations of the Franklin Police Department and the profession of law enforcement. This 12-week academy presents an overview of all aspects of law enforcement such as patrol operations, traffic enforcement, investigations, SWAT, K-9 unit, dispatch/communications, fire and emergency medical services, and much more. Students will have an opportunity to present concerns and questions regarding public safety in the City and learn how citizens and the police can work together to fight crime in the community. Department employees present each session and interact with participants on a very approachable level—the aim is to inform, instruct, and involve citizens.

Applicants must meet the following criteria:

- Live or work in the Franklin community (preference is given to Franklin citizens).
- Submit a written application.
- Pass a background check (no felony convictions).
- Be 18 years of age (16 and 17 year olds may attend with parent or guardian).

There is no cost to attend; however, class size is limited. If interested in attending, contact Sergeant Jason Fincel at jfincel@franklinwi.gov. Applications are available at the Franklin Police Department lobby or can be sent via email.

Municipal Code Prohibits Junked/Unlicensed Vehicles

As a reminder and for those who are not aware, Franklin Municipal Code 178-7 B. prohibits the storage of junked/unlicensed vehicles:

- (1) Prohibited. No person or other entity who owns or controls any premises shall allow themselves or any lessee, tenant or occupant to have disassembled, inoperable, unlicensed, junked or abandoned motor vehicles or parts thereof to be stored or allowed to remain in the open upon any public or private property within the City for a period in excess of 10 days, unless it is in connection with an automotive sales or repair business enterprise located in a properly zoned area and with a zoning compliance permit pursuant to §15-9.0102 of the Unified Development Ordinance. This shall not apply to vehicles or parts thereof stored in an approved structure. The covering or tarping of a vehicle is not considered storage in an approved structure.
- (2) Removal. (a) Upon notification to remove any disassembled, inoperable, unlicensed, junked, abandoned or wrecked motor vehicles or parts of the same, either from the property or to a proper storage facility, the person or other entity in charge of or in control of the property shall not cause removal of the same vehicle to any other private property upon which such storage is not in compliance with this Code. (b) Whenever the Code Enforcement Officer, Building Inspector or Assistant Building Inspector shall find any disassembled, inoperable, unlicensed, junked or abandoned motor vehicles or parts of the same have been removed contrary to Subsection B(2)(a), he or she shall order those vehicles or parts of the same to be removed within 10 days of notice.

2020 Garbage and Recycling Service Changes with Johns Disposal Service

As was noted in the December 2019 City Newsletter, several service changes have been implemented for 2020 for garbage and recycling pickup with Johns Disposal Service. Below is another recap of these changes:

Recycling Pickup

Recycling is now picked up weekly instead of bi-weekly, coinciding with your garbage collection day. There are no longer "A" or "B" weeks for recycling.

Garbage Pickup:

Garbage pickup will change to "automated" service where one 96-gallon brown garbage cart will be delivered to all residents by Johns Disposal Service. Delivery of carts began or will begin very soon where houses on one route-day will be delivered their new carts over a 2-to-4 day period. After that, the next route-day will receive their new carts over a 2-to-4 day period; and so on. Delivery of all carts could take up to 5 weeks or so as weather permits. Residents should begin using the new cart immediately thereafter. Johns Disposal Service anticipates having the entire City converted to the automated garbage cart service by mid March. Continue your current garbage pickup practice until your new cart arrives.

Delivery crews will carry 48-gallon carts that can be switched out on the spot for the 96-gallon cart if a resident asks. Otherwise, residents can call Johns Disposal Service at 1-888-473-4701 or 262-473-4700 to schedule an exchange of the 96-gallon cart for a 48-gallon cart at no cost.

Cart Placement:

The arrows on the lid of the cart must point to the street. Handles and wheels should face away from the street. The garbage cart should be placed within 2 feet of the street on one side of the driveway and the recycle cart should be placed within 2 feet of the street on the other side of the driveway. Please keep 6 feet of clearance between the carts and other objects, especially mailboxes and vehicles. **Carts should not be placed in the street.**
