Mayor's Recommended 2020 Annual Budget

Mayor Steve Olson released his City of Franklin Recommended 2020 Budget at the Common Council meeting on Tuesday, September 17th. Director of Administration, Mark Lubberda, reiterated to the Common Council that annual revenue increases of \$450,000 to \$850,000 are necessary when the base General Fund operating expenditure exceeds \$28 million, if trying to maintain existing services. Although the challenges that drive the budget process each year continue to apply fiscal pressure, the Mayor's Recommended 2020 Budget once again looked to succeed in using non-tax revenues and expenditure constraints combined with a minimum sustainable increase in municipal property taxes to achieve a balanced budget that retains current service levels, while making some positive adjustments overall.

The proposed budget ultimately recommends an additional 1.57 percent increase in the property tax levy for municipal services, which is only the third increase in levy over the last 7 years. Reductions in some program costs, savings from changes in the employee health insurance plan, and reallocating some existing property tax levy helped to ensure existing services could be retained. The budget also incorporates an increase in revenues paid to the City from landfill operators. These resources were used to bolster certain capital, equipment, and street maintenance needs, as well as using a limited amount towards ongoing services. Productivity enhancements were a focus of the budget and include funding for up to three additional public safety officers, an additional Public Works employee to address summer maintenance and winter plowing, and a part-time Sanitarian to ensure the City maintains its State obligations for restaurant and other required inspections.

The Common Council will review and discuss the proposed 2020 budget at their Committee of the Whole Meeting on Monday, September 30th, at 6:30 p.m. Additional meetings may be scheduled as needed (check the calendar at www.franklinwi.gov). A public hearing and final action on the budget is scheduled for the Common Council Meeting on Tuesday, November 19th. Meetings begin at 6:30 p.m. in the Council Chambers of City Hall, and all meetings provide a "citizen comment period" where citizens are encouraged to provide input or ask questions. Questions may also be directed to Mark Lubberda, Director of Administration, at mlubberda@franklinwi.gov. The Mayor's 2020 Recommended Annual Budget document can be viewed at the Franklin Public Library, the Office of the City Clerk, or online at www.franklinwi.gov. The budget presentation is also available online.

Partisan Primary: August 11, 2020

General & Presidential Election: November 3, 2020

MUNICIPAL ELECTED OFFICES:

At the April 7, 2020 Spring Election, the following municipal offices will be on the ballot:

3-year term for Mayor

3-year term for 3rd District Alderman

3-year term for 4th District Alderman

3-year term for 6th District Alderman

4-year term for Municipal Judge

The annual salary for the office of Mayor is \$16,800 plus \$4,800 for mileage and expenses; the annual salary for the office of Alderman is \$7,200 plus \$1,800 for mileage and expenses; and the annual salary for the office of Municipal Judge is \$21,000. The first day for circulation of Nomination papers for the above-listed offices is December 1, 2019. Nomination papers and other required documents must be filed in the Office of the City Clerk no later than 5 p.m. on January 7, 2020. If you are interested in obtaining the documents required for these offices or would like additional information on the Election process, call 425-7500.

Brush & Leaves Pickups

The Fall "Brush and Bagged Leaves" pickups will take place beginning Monday, October 21st, and Monday, December 2nd.

The City's waste hauler will move through the City starting at 7 a.m. on these designated dates and work through the week until they are finished. **All brush piles and bagged leaves are required to be curbside and next to the driveway by 7 a.m. on these dates.** Brush and bagged leaves that are not out or are not compliant with regulations when the hauler goes by will not be picked up at a later date. Regular garbage will be picked up on your normal garbage pickup day. Please call 425-2592 with any questions.

Pick-up will include:

- Brush (tree limbs, bush cuttings, and similar) cut to no longer than 5 feet in length and no larger than 6 inches in diameter. Each household is limited to **one pile not more than 4 feet long by 4 feet high and 5 feet deep.** The brush pile is to be placed curbside next to your driveway and be free of snow. **Please note: larger piles, multiple piles, and brush thrown in the ditch will not be picked up.**
- Leaves placed in transparent bags or in a container other than a garbage can (must be free of snow) that can be placed or emptied into the collection truck. Please place bagged leaves away from your regular trash so it will not be missed. **Please note: leaves are not to be raked into the street.**
- **Grass clippings, flowers, stumps, fruit, roots, or other garden debris will not be accepted.** These items, as well as brush and leaves, may be disposed of at the Waste Management Metro Landfill.

Open Burning

Open burning of leaves, brush, and garden refuse is allowed in the City of Franklin from October 15 to November 30 with a permit. An Open Burning Permit allows a residential owner to burn in accordance with Chapter 133-17.E.(3) of the Franklin Municipal Code and can be obtained at the City Clerk's Office, Franklin City Hall, 9229 W. Loomis Road, between 8:30 a.m. and 4:30 p.m. Monday through Friday. Below outlines the regulations of an Open Burning Permit.

- Valid for residential use only; permits will not be issued to companies, businesses, or organizations.
- A misrepresentation of the facts to obtain a permit will void the permit and subject the property owner and the person receiving the permit to penalties of law.
- Permits must be renewed annually. The owners of the property and/or the person receiving the permit are responsible for ensuring the outdoor burning regulations below are adhered to.

Please be mindful of the following outdoor burning regulations in order to keep you and your neighbors safe:

- No person shall start or maintain an open fire without obtaining a permit.
- Wind velocity cannot exceed 9 miles per hour.
- Burning of building materials is prohibited.
- The size of the pile shall not exceed 4 feet in width or 3 feet in height.
- A competent person, at least 16 years old, shall constantly supervise open burning until the fire is extinguished.
- The pile to be burned shall be a minimum of 50 feet from buildings and 25 feet from any public roadways, highways or other thoroughfare.
- Smoke shall be limited and shall not become a nuisance to neighbors or public roads. If smoke travels in such a manner to obscure any public roadway, highway, or other public thoroughfare, the fire shall be extinguished.
- Open-air burning is only permitted from 7 a.m. to ½ hour after sunset.
- Flammable or combustible liquids shall not be used to ignite or accelerate the fire at any point.
- All fires must have the proper means of extinguishment available at all times.

The Fire Chief or his designee reserves the right to:

- Revoke permits and/or impose monetary penalties on any party violating the above regulations.
- Order any open burning to be extinguished.
- Temporarily disallow open burning due to local circumstances, such as extremely dry conditions or any other unforeseen conditions.

Please contact the Franklin Fire Department at 414-425-1420 or email Jill Glanz, Community Fire Prevention Specialist, at jglanz@franklinwi.gov with any fire safety related questions.

Roundabouts & Emergency Vehicles

Drivers are trained to pull over when an emergency vehicle is coming because that is the law. In the case of roundabouts, however, the Wisconsin Department of Transportation (WisDOT) states that motorists must clear a roundabout if they hear (or see) an emergency vehicle coming. The following are tips on what to do when an emergency vehicle approaches or has entered a roundabout:

- Do not enter a roundabout when an emergency vehicle is approaching from another direction.
- If you are already in the roundabout when an emergency vehicle approaches from behind, **do NOT stop** as the emergency vehicle may not be able to safely pass. Immediately exit the roundabout at the next right. After you exit the roundabout, move to the right and stop so the emergency vehicle can safely pass.
- If you are approaching a roundabout and an emergency vehicle approaches from behind, move to the right so that the emergency vehicle can safely pass.

Fair Housing

As part of the requirement for the Milwaukee County Community Development Block Grant Program, the City is required to inform residents about its Fair Housing Ordinance, Chapter 125 of the City's Municipal Code. The intent of the Fair Housing Chapter is to prohibit discrimination in housing – that all persons have an equal opportunity for housing regardless of sex, race, color, religion, national origin, sexual orientation, handicap, sex, or marital status of the person maintaining a household, lawful source of income, age or ancestry. It is the duty of the City of Franklin to assist in the orderly prevention or removal of all discrimination in housing through the powers granted under the Wisconsin Statutes.

Through this ordinance, no person shall discriminate by:

- 1) Refusing to sell, lease, finance or contract to construct housing or by refusing to discuss the terms thereof;
- 2) Refusing to permit inspection or exacting different or more stringent price, terms of conditions for the sale, lease or rental of housing;
- 3) Refusing to finance or sell an unimproved residential lot or to construct a home or residence upon such lot; or
- 4) Publishing, circulating, issuing or displaying or causing to be published, circulated, issued or displayed any communication, notice, advertisement or sign in connection with the sale, financing, lease or rental of housing which states or indicates any discrimination in connection with housing.

Any person who violates any of the provisions of the Fair Housing Ordinance is subject to a penalty. Additional information or assistance can be obtained through the following agencies:

**ROC Ventures Wins Public
Private Partnership Award
for Ballpark Commons Project**

Left to Right: Mayor Steve Olson, Scott Johnson of ROC Ventures, and Franklin Alderman Steve Taylor were presented with the Public Private Partnership award at the 2019 CEDA Awards.

ROC Ventures of Franklin won the Public Private Partnership award at the Community and Economic Development Awards (CEDA) banquet held on September 11, 2019 in Madison, Wisconsin for their work with the City of Franklin on their exciting Ballpark Commons development project. The CEDA awards program was established by the Wisconsin Economic Development Association (WEDA) to recognize businesses, projects, and organizations that are making significant contributions to Wisconsin's economy.
