Mayor's Recommended 2021 Annual Budget

Mayor Steve Olson released his City of Franklin Recommended 2021 Budget at the Common Council meeting on Tuesday, September 15th. Director of Administration, Peggy Steeno, reiterated to the Common Council that the goal of the 2021 budget is to meet the City's needs, continuing to provide the high-quality services that the community has come to expect, yet maintain a prudent, fiscally responsible spending plan. Although the challenges that drive the budget process each year continue to apply fiscal pressure, the Mayor's Recommended 2021 Budget once again focused on using non-tax revenues and expenditure constraints, combined with a minimum sustainable increase in municipal property taxes, to achieve a balanced budget that retains current service levels, while making some positive adjustments overall.

The proposed budget ultimately recommends an additional 0.81 percent increase in the property tax levy for municipal services, which is funded solely by the City's net new construction, or growth, in 2020, and is the lowest levy increase in the past 4 years. Reductions in some program costs, savings from changes in the employee health insurance plan, and reallocating some existing expenditures helped to ensure existing services could be retained. The budget also continues to incorporate revenues paid to the City from landfill operators as a funding source used in lieu of raising taxes or borrowing funds. These resources are being used to fund certain capital needs, as well as using a limited amount towards ongoing services. Maintenance of City services, protecting City assets, using resources responsibly, managing debt, and ensuring the long-term fiscal health of the City are the priorities of the budget.

The Common Council referred the proposed 2021 budget to the Finance Committee, who is holding meetings on September 22nd, 24th, 29th, and October 1st, all starting at 4 p.m., to review the budget in detail. The Finance Committee will then present its recommendations to the Council at their regularly scheduled meeting on Tuesday, October 6th, at 6:30 p.m. Additional meetings may be scheduled as needed, so please check the City calendar at www.franklinwi.gov for further information regarding additional meetings. A public hearing and final action on the budget are scheduled for the Common Council Meeting on Tuesday, November 17th, beginning at 6:30 p.m., in the Council Chambers at City Hall. All budget related meetings provide a "citizen comment period" where citizens are encouraged to provide input or ask questions. Questions may also be directed to Peggy Steeno, Director of Administration, at psteeno@franklinwi.gov. The Mayor's Recommended 2021 Annual Budget document can be viewed at the Franklin Public Library, the Office of the City Clerk, and online at www.franklinwi.gov. The budget presentation is also available online.

Based on the classic film starring Bing Crosby and Fred Astaire, Irving Berlin's Holiday Inn is a celebration of all the holidays of the year. All is well until Jim's best friend, Ted, comes along with his own ideas about Linda and the inn. It has taken its toll on one of our favorite theaters. We always enjoy visiting the White Pines Resort in Illinois. You may remember that's where Basil made his acting debut and received a standing ovation. We are sad to announce they have permanently closed their doors and were forced to sell their gift shop inventory just to pay back deposits for other events. We hope we can get together for the winter holiday, but for sure keep your fingers crossed for 2021. We will start announcing our 2021 trips in the next newsletter and posting them on our website. As always, be healthy and safe. If you need anything, feel free to call. We like hearing from you.
