Franklin Mayor John R. Nelson Calls for Emergency Meeting to Address Noise Concerns

FRANKLIN, September 20, 2023 — Mayor John R. Nelson has scheduled an emergency meeting with representatives of ROC Ventures and Franklin's District 6 Alderman Jason Craig to address widespread concerns from neighboring residents regarding noise complaints associated with events held at The Rock Sports Complex, situated at 7011 S. Ballpark Dr. in Franklin, WI.

"We are committed to addressing what have been longstanding concerns," Mayor Nelson emphasized.

Following Mayor Nelson's budget presentation last evening, he can now dedicate his efforts to addressing these concerns. It is the Mayor's priority to resolve this issue to ensure the well-being of all residents of Franklin.

This emergency meeting presents an opportunity for Mayor Nelson and Alderman Craig to engage in constructive dialogue with owner Mike Zimmerman and the ROC's executives while exploring viable solutions to mitigate the noise disturbances that have been a source of discontent within the community.

All concerned residents and stakeholders are strongly encouraged to stay informed and engaged, as their input is integral to formulating a comprehensive solution that effectively addresses these issues while recognizing the significance of The Rock Sports Complex to the City of Franklin.

Mayor Nelson expresses confidence that, with the cooperation of all involved parties, a harmonious and equitable resolution can be identified and implemented for the benefit of Franklin's residents and businesses.
