

2020 Garbage, Recycling, & Brush and Leaves Pickup Service Changes with Johns Disposal Service

Beginning in 2020, City of Franklin residents will see the following service changes being made for their garbage, recycling, and brush and leaves pickups. Future notifications will also be made by Johns Disposal Service to keep you informed and reminded of these changes.

Recycling Pickup: Beginning Monday, December 30, 2019, recycling will be picked up weekly instead of bi-weekly, coinciding with your garbage collection day. There will no longer be "A" or "B" weeks for recycling.

Garbage Pickup: Garbage pickup will change to "automated" service where one 96-gallon brown garbage cart will be delivered to all residents by Johns Disposal Service. Delivery of carts will begin in February 2020 where houses on one route-day will be delivered their new carts over a 2-to-4 day period. After that, the next route-day will receive their new carts over a 2-to-4 day period; and so on. Residents should begin using the new cart immediately thereafter. Johns Disposal Service anticipates having the entire City converted to the automated garbage cart service by early-to-mid March. Continue your current garbage pickup practice until your new cart arrives.

Delivery crews will carry 48-gallon carts that can be switched out on the spot for the 96-gallon cart if a resident asks. Otherwise, residents can call Johns Disposal Service at 1-888-473-4701 or 262-473-4700 to schedule an exchange of the 96-gallon cart for a 48-gallon cart at no cost.

Holiday Delays: As is current practice, when a holiday falls on a weekday, pickup of garbage and recycling will be delayed by 1 day for the remainder of that week. The schedule of holidays for 2020 where garbage and recycling will not be picked up and be delayed by 1 day for the remainder of that week is as follows:

January 1st May 25th July 4th September 7th November 26th December 25th

Cart Placement: The arrows on the lid of the cart must point to the street. Handles and wheels should face away from the street. The garbage cart should be placed within 2 feet of the street on one side of the driveway and the recycle cart should be placed within 2 feet of the street on the other side of the driveway. Please keep 6 feet of clearance between the carts and other objects, especially mailboxes and vehicles. Carts should not be placed in the street.

Brush & Leaves Pickups: There will be 4 brush and leaves pickups in 2020 beginning on the following Mondays: **May 4th, October 19th, November 2nd, and November 30th.**

****All leaves and yard waste must be put in paper compostable yard waste bags or 32-gallon or smaller containers that can be emptied into the collection truck. PLASTIC BAGS OF ANY KIND ARE NOT ALLOWED AND WILL NOT BE PICKED UP, which includes no "compostable green" or biodegradable plastic bags. Paper yard waste bags are available at Harry's Ace Hardware, Lowes, Menards, Target, and Walmart.****

Brush is limited to one pile no larger than 4' x 4' x 5' per household.

Should you have questions regarding any of the new service changes once they begin in 2020, please contact Johns Disposal Service at 1-888-473-4701 or 262-473-4700.
